4. Practice Directions to apply to civil proceedings only unless otherwise stated

For avoidance of doubt, these Practice Directions shall apply to civil proceedings only unless otherwise stated.

4A. Citation of Legislation in Proceedings

Where legislation is cited in these Practice Directions, the citation shall, unless the context otherwise requires, be read to refer to the edition of that legislation currently in force.

5. Calculation of time

The provisions in the Rules of Court shall apply to the calculation of time in these Practice Directions. In particular:

- (a) The following definition of “working day” in Order 1, Rule 4 of the Rules of Court is applicable in these Practice Directions. “Working day” means any day other than a Saturday, Sunday or public holiday.
- (b) The provisions of Order 3 of the Rules of Court shall also apply to the calculation of time.

6. Updating

- (1) Any addition or amendment to these Practice Directions will be notified on the State Courts' website at <http://www.statecourts.gov.sg>. The Practice Directions will be updated on the date the addition or amendment takes effect.
- (2) The complete and updated Practice Directions can be downloaded from the State Courts' website at <http://www.statecourts.gov.sg>.

7. Forms

The Forms in Appendix B to these Practice Directions shall be used where applicable with such variations as the circumstances of the particular case require.

8. Originating Summonses

- (1) This paragraph applies to originating summonses filed on or after 1 January 2006.

Forms for originating summonses

- (2) The former Form 6 of Appendix A of the Rules of Court (originating summons where appearance is required) has been deleted with effect from 1 January 2006. Solicitors' attention is drawn to Order 12, Rule 9 of the Rules of Court which provides that no appearance need be entered to an originating summons.
- (3) Where any legislation requires a party to file an originating summons and the form is not provided within the legislation, the originating summons must be filed using either Form 4 (Originating Summons) or Form 5 (*Ex Parte* Originating Summons) of Appendix A of the Rules of Court.
- (4) The parties in Form 4 of Appendix A of the Rules of Court shall be stated as "plaintiff" and "defendant", or "appellant" and "respondent" as the case may be.
- (5) The party in Form 5 of Appendix A of the Rules of Court shall be stated as "applicant".

9. Identification numbers to be stated in cause papers

Parties named in the title of the documents

- (1) Where a party to any proceedings in the State Courts first files a document in such proceedings, he shall state his identification number, in parentheses, in the title of the document immediately below or after his name. Thereafter, all documents subsequently filed in the proceedings by any party shall include this identification number in the title of the documents in parentheses below or after the name of the party to which it applies.

Parties not named in the title of the documents

- (2) Where a party to any proceedings in the State Courts first files a document in such proceedings, and the name of the party does not appear in the title of the document but does appear in the body of the document, then the identification number of the party should be stated, in parentheses, below or after the first appearance of his name in the document. Thereafter, all documents subsequently filed in the proceedings by any party shall include this identification number in parentheses immediately below or after the first appearance of the name of the party to which it applies in the subsequent document.

Documents filed by two or more parties

- (3) Sub-paragraphs (1) and (2) shall apply, mutatis mutandis, to documents which are filed by more than one party.

Identification numbers for non-parties

- (4) If any person (living or dead), any entity or any property is in part or in whole the subject matter of any proceedings, or is affected by any proceedings, but is not a party thereto, and the name of such person, entity or property is to appear in the title of the documents filed in the proceedings, the party filing the first document in the proceedings must state the identification number of such person, entity or property in parentheses immediately below or after the name of the same. Thereafter, all documents subsequently filed in the proceedings by any party shall include this identification number in parentheses immediately below or after the name of the person, entity or property to which it applies. If the party filing the first document in the proceedings is unable, after reasonable enquiry, to discover the identification number of the person, entity or property, he may state immediately below or after the name of the same "(ID No. not known)". All documents subsequently filed by any party shall then contain these words in parentheses below or after the name of this person, entity or property.

Special cases

- (5) The following Directions shall apply in addition to the Directions contained in sub-paragraphs (1) to (4):
- (a) where a party is represented by a litigation representative, sub-paragraphs (1) to (3) shall apply to the litigation representative as if he were parties to the proceedings and the identification numbers of the party and the litigation representative must be stated below or after the name of each, as appropriate;
 - (b) where parties are involved in any proceedings as the personal representatives of the estate of a deceased person, sub-paragraphs (1) to (3) shall apply to the deceased person as if he were a party; and
 - (c) where more than one identification number applies to any party, person, entity or property, all the identification numbers shall be stated in any convenient order.

Identification numbers

- (6) When entering the identification number in the Electronic Filing Service, the full identification number should be entered, including any letters or characters that appear in, at the beginning of, or at the end of the number. Descriptive text which is required to be entered into the actual document, such as “Japanese Identification Card No.”, should not be entered into the electronic form.

Guidelines for the selection of identification numbers

- (7) The following guidelines should be followed in deciding on the appropriate identification number.

(a) **Natural person with Singapore identity card**

For a natural person who is a Singapore citizen or permanent resident, the identification number shall be the number of the identity card issued under the National Registration Act (Cap. 201). The 7 digit number as well as the letters at the front and end should be stated. For example: “(NRIC No. S1234567A)”.

(b) **Natural person with FIN number**

For a natural person, whether a Singapore citizen or permanent resident or not, who has not been issued with an identity card under the National Registration Act, but has been assigned a FIN number under the Immigration Regulations

(Cap. 133, Rg 1), the identification number shall be the FIN number. The number should be preceded by the prefix “FIN No.”

(c) **Natural person: birth certificate or passport number**

For a natural person, whether a Singapore citizen or permanent resident or not, who has not been issued with an identity card under the National Registration Act or assigned a FIN number, the identification number shall be the birth certificate or passport number. The number should be preceded by either of the following, as appropriate, “(Issuing country) BC No.” or “(Issuing country) PP No.”

(d) **Natural person: other numbers**

For a natural person who is not a Singapore citizen or permanent resident and has not been assigned a FIN number and does not have a birth certificate or passport number, the identification number shall be the number of any identification document he may possess. Both the number as well as some descriptive words which will enable the nature of the number given and the authority issuing the identification document to be ascertained, should be stated. For example: “Japanese Identification Card No.”

(e) **Deceased person**

For a deceased natural person, the identification number shall be as set out in sub-paragraph (7)(a) to (d) above. However, if such numbers are not available, the identification number shall be the death registration number under the Registration of Births and Deaths Rules (Cap. 267, R 1) or the equivalent foreign provisions, where the death is registered abroad. The number as well as the following words should be stated: “(Country or place of registration of death) Death Reg. No.”

(f) **Company registered under the Companies Act**

For a company registered under the Companies Act (Cap. 50), the identification number shall be the Unique Entity Number (UEN).

(g) **Company registered outside Singapore**

For a company registered outside Singapore which is not registered under the Companies Act, the identification number shall be the registration number of the company in the country of registration.

(h) **Business registered under the Business Registration Act**

For a body registered under the Business Registration Act (Cap. 32), the identification number shall be the UEN.

(i) **Limited Liability Partnership registered under the Limited Liability Partnerships Act**

For a limited liability partnership registered under the Limited Liability Partnerships Act (Cap. 163A), the identification number shall be the UEN.

(j) **Other bodies and associations**

For any other body or association, whether incorporated or otherwise, which does not fall within any of the descriptions in sub-paragraph (7)(f) to (i) above, the identification number shall be any unique number assigned to the body or association by any authority. Both the number as well as some descriptive words which will enable the nature of the number given and the authority assigning the number to be ascertained, should be stated. For example: "Singapore Trade Union Reg. No. 123 A".

(k) **No identification numbers exist**

Where the appropriate identification numbers referred to in sub-paragraph (7)(a) to (j) do not exist in respect of any party, person, entity or property, the following words should be stated immediately below or after the name of that party, person, entity or property concerned: "(No ID No. exists)".

Inability to furnish identification number at the time of filing a document

- (8) If a party who wishes to file a document is unable at the time of filing to furnish the necessary identification numbers required by this Paragraph, the party may indicate "(ID Not Known)" at the time of filing. However, when the necessary identification numbers have been obtained, the party must furnish the necessary identification numbers to the Civil Registry through the Electronic Filing Service.

Meaning of document

- (9) For avoidance of doubt, the words "document" and "documents" when used in this Paragraph include all originating processes filed in the State Courts regardless of whether they are governed by the Rules of Court or not.

Non-compliance

- (10) Any document which does not comply with this Paragraph may be rejected for filing by the Civil Registry.

10. Personal service of processes and documents

- (1) The attention of solicitors is drawn to Order 62, Rule 2(1) of the Rules of Court which provides:

“Personal service must be effected by a process server of the Court or by a solicitor or a solicitor's clerk whose name and particulars have been notified to the Registrar for this purpose:

Provided that the Registrar may, in a particular cause or matter, allow personal service to be effected by any other named person and shall, in that case, cause to be marked on the document required to be served personally, a memorandum to that effect.”
[*emphasis added*]

- (2) Solicitors are therefore required to notify the Civil Registry of the particulars, and any change thereof, of such clerks who have been authorised by them to serve processes and documents by filing Form 3 in Appendix B. Notifications under the previous Subordinate Courts Practice Directions (in force immediately before 7 March 2014) will be treated as being notifications under this sub-paragraph. Solicitors' clerks do not require the authorisation of the Registrar to effect personal service of processes and documents.
- (3) In view of the alternative modes providing for personal service to be effected by a solicitor or a solicitor's clerk, Court process servers will not be assigned to effect personal service of processes and documents unless there are special reasons.
- (4) If it is felt that there are special reasons requiring personal service by a Court process server, a Request for such service should be filed through the Electronic Filing Service, setting out the special reasons. The approval of the Duty Registrar should then be obtained for such service. Once approval has been obtained, the documents for service should be presented at the counter designated for this purpose. A process server will then be assigned to effect service and an appointment for service convenient to both the litigant and the assigned process server will be given.
- (5) On the appointed date, the person accompanying the process server should call at the Civil Registry. The amount required for the transport charges of the process server (a record of which will be kept) should be tendered, or, alternatively, the process server in question should be informed that transport for him will be provided. The Civil Registry will then instruct the process server to effect service.
- (6) Under no circumstances should any payment be made directly to the process server.

11. Substituted Service

- (1) In any application for substituted service, the applicant should persuade the Court that the proposed mode of substituted service will bring the document in question to the notice of the person to be served.
- (2) Two reasonable attempts at personal service should be made before an application for an order for substituted service is filed. In an application for substituted service, the applicant shall demonstrate by way of affidavit why he or she believes that the attempts at service made were reasonable.
- (3) The applicant should, where appropriate, also consider other modes of substituted service, such as AR registered post or electronic means (including electronic mail or Internet transmission) in addition to or in substitution of substituted service by posting on doors or gates of residential and business premises.
- (4) An application for substituted service by posting at a residential address or by AR registered post should contain evidence (for example, relevant search results from the Inland Revenue Authority of Singapore, the Singapore Land Authority, the Housing & Development Board or the Accounting and Corporate Regulatory Authority) that the person to be served is either the owner of or resident at the property.
- (5) For the avoidance of doubt, substituted service by AR registered post is deemed to be effective when the postal service has delivered the document, or attempted to deliver the document (in cases where no one is present or willing to accept the document).
- (6) If substituted service is by electronic mail, it has to be shown that the electronic mail account to which the document will be sent belongs to the person to be served and that it is currently active.
- (7) An application for substituted service by advertisement (in one issue of the Straits Times if the person to be served is literate in English, or one issue of the Straits Times and one issue of one of the main non-English language newspapers where his language literacy is unknown) should only be considered as a last resort and should contain evidence that the person to be served is literate in the language of the newspaper in which the advertisement will be placed.
- (8) For the avoidance of doubt, posting on the Notice Board of the Registry of the State Courts is not available as a proposed mode of substituted service.

13. Amendment of documents

General requirements for amendment of any document

- (1) Except as otherwise provided by the provisions of this Paragraph, where any document (inclusive of any pleading) that has been filed in any proceedings is required to be amended and re-filed in Court, a fresh copy of the document with the amendments included must be prepared, regardless of the number and length of the amendments sought to be made.
- (2) The procedure for amending a document is as follows:
 - (a) A fresh amended copy of the document should be produced.
 - (b) The number of times the document has been amended shall be indicated in parentheses after the name of the document. For this purpose, an amended document should be entitled “[document name] (Amendment No. 1)” or “[document name] (Amendment No. 2)”, or as appropriate. For example, a Statement of Claim which is amended for the first time should be filed as “Statement of Claim (Amendment No. 1)”, and a Defence that is amended for the second time should be filed as “Defence (Amendment No. 2)”.
 - (c) The changes made in the document from the latest version of the document filed in Court should be indicated in the following way:
 - (i) deletions shall be made by drawing a single line across the words to be deleted; and
 - (ii) insertions shall be underlined.
- (3) For the avoidance of doubt, the directions in sub-paragraphs (1) and (2) above apply also to the amendment of originating processes, pleadings, Decrees Nisi, Certificates of Making Decree Nisi Absolute and orders of Court in proceedings under Part X of these Practice Directions (save for those orders of Court to which Paragraph 84A of these Practice Directions applies).

Colour scheme for amendments

- (4) In addition, the following colours shall be used to indicate the history of the amendments in the specified documents:
 - (a) black for the first round of amendments;

- (b) red for the second round of amendments;
- (c) green for the third round of amendments;
- (d) blue for the fourth round of amendments; and
- (e) brown for subsequent rounds of amendments.

Amendment for third time or more

- (5) From the *third* round of amendments onwards, the amended specified document should comprise two versions of the document, i.e. —
 - (a) a clean version without the amendments shown; followed in the same document by
 - (b) a version showing the amendments in colour.
- (6) Only one amended document consisting of these two versions is required to be filed.

Cases to which the requirements in sub-paragraphs (1) and (2) do not apply

- (7) The directions in sub-paragraph (2)(b) above shall not apply to any originating summons or summons that has been amended from an *inter partes* application to an *ex parte* application or *vice versa*.
- (8) The directions in sub-paragraphs (2)(c) above shall not apply to any originating process, summons or other electronic form that is composed online through the Electronic Filing Service.

Amendment endorsements on electronic forms

- (9) Order 20, Rule 10(2) of the Rules of Court requires that an amended pleading or other document be endorsed with a statement that it has been amended, specifying the date on which it was amended and by whom the order (if any) authorising the amendment was made and the date thereof, and if no such order was made, the number of the Rule in Order 20 of the Rules of Court in pursuance of which the amendment was made.
- (10) Where electronic forms are amended, the amendment endorsement shall take either one of the following forms:
 - (a) “By order of court made on [date order was made]”; or
 - (b) “Pursuant to Order 20, Rule [cite specific rule number]”.

- (11) The amendment endorsement shall be appended to the title of the electronic form, after the amendment number as required under sub-paragraph (2)(b) above. Where an electronic form is amended more than once, the endorsement need only cite the basis for the most recent amendment. For example —
- (a) “Originating Summons (Amendment No. 3, by order of court made on 1 January 2013)”;
 - (b) “Writ of Summons (Amendment No. 1, pursuant to O. 20, r 3)”.
- (12) The date of the electronic form shall reflect the date on which the document is amended.

Amendments made on original writ or originating summons (where amendments are not numerous or lengthy)

- (13) This sub-paragraph applies to writs and originating summonses that have not been filed using the Electronic Filing Service. In addition to the usual endorsement signed by the solicitors pursuant to Paragraph 14 of these Practice Directions, there should be re-sealing of the document as required by Order 20, Rule 10(1), of the Rules of Court. The seal will be embossed over the endorsement.

Amendment of case title to add a party

- (14) Where leave of Court has been obtained to add a party to the main case title of a matter, for example, an intervener, a garnishee or any party that was previously a non-party, the applicant or his solicitor is to file a Request through the Electronic Filing Service to add that specific party to the main case title.

14. Endorsements on originating processes and other documents

- (1) Where it is necessary to include endorsements on any document, the directions in this paragraph shall apply.
- (2) Endorsements are normally made on originating processes and other documents to show the renewal of, amendments to, and authorisation for service of, the document in question. Such endorsements on originating processes and other documents do not require the Registrar's signature. This is because such endorsements are pursuant to either an order of Court or the Rules of Court. The Registrar should therefore not be asked to sign such endorsements.
- (3) For documents that are filed through the Electronic Filing Service as electronic forms composed online, the following requirements apply:
 - (a) Solicitors should select the appropriate endorsement and check the accuracy of the electronic form in the preview stage before filing the originating process or other document. The acceptance by the Registry of electronic forms composed online does not affect the regularity of any endorsements on the document.
 - (b) Where endorsements can be made prior to the filing or issuance of a document, those endorsements shall be incorporated into the document before the document is filed or issued.
 - (c) Where endorsements must be made on a document which has already been filed or issued, a fresh copy of the document containing the relevant endorsements shall be prepared, and the document must be re-filed or re-issued, as the case may be. An example of this would be renewals of writs of summons.

15. Additional endorsements on cause papers

Every affidavit which is filed in conjunction with a summons (but not those filed in conjunction with originating summonses) must have endorsed at the top left-hand corner of the first page of the affidavit the entered number of the summons.

16. Distribution of applications

All applications in chambers (including summonses, summonses for directions and notices thereunder, and originating summonses) shall be filed without specifying whether the application is to be heard before a Judge in person or the Registrar.

17. Summonses

- (1) All interlocutory applications must be made by way of summons.
- (2) Ordinary summonses shall be endorsed “*ex parte*” or “by consent” and when endorsed “by consent” must bear a certificate to that effect signed by all the solicitors concerned.
- (3) After the filing of any “*ex parte*” or “by consent” summons, the application will be examined by the Judge or Registrar as the case may be. If he is satisfied that the application is in order and all other requirements have been complied with, he may make the order(s) applied for on the day fixed for the hearing of the application without the attendance of the applicant or his solicitor.
- (4) Summonses that are filed using the Electronic Filing Service will be routed to the inbox of the applicant solicitor’s Electronic Filing Service account. Where the summons is filed through the service bureau, it may be collected at the service bureau.
- (5) Enquiries by telephone will not be entertained.
- (6) Where a summons is filed in a matter for which a trial date has been fixed, the summons must be filed using the Electronic Filing Service with a special request informing the Civil Registry of the trial date(s).

17A. Consolidated, transferred or converted cases in civil proceedings

Where leave of Court has been obtained to consolidate cases or transfer a case from the Supreme Court to the State Courts or an order is made in a matter commenced by originating summons to continue as if commenced by writ, the applicant or his solicitor must inform the Civil Registry of the order for consolidation or transfer or conversion by way of an appropriate Request through the Electronic Filing Service.

18. Summonses for Directions

- (1) Order 25, Rule 1(1)(b), of the Rules of Court provides that directions may be given at the Summons For Direction (SFD) hearing for the just, expeditious and economical disposal of the case. At the SFD hearing, solicitors should be ready to consider Alternative Dispute Resolution (ADR) options, including mediation and arbitration, for the most effective resolution of the case. *The Court will refer cases for ADR during the SFD hearing, and/or make any other directions for the purpose of case management.*
- (2) The Deputy Registrar may recommend the appropriate mode of dispute resolution at the SFD hearing. To facilitate a considered decision on the ADR options, the ADR Form (Form 6A of Appendix B) must be read and completed by the solicitors for all parties and their clients when taking out or responding to an SFD application. A party who is not represented shall also complete the relevant sections of the ADR Form.
- (3) When filing the SFD, the plaintiff must file the ADR Form through the Electronic Filing Service (EFS) under the document name “Incoming Correspondence – ADR Form (Plaintiff)”. The defendant must file the ADR Form not less than 3 working days before the hearing date for the SFD. This form shall be filed under the document name “Incoming Correspondence – ADR Form (Defendant)” through the EFS. No court fees will be charged for the filing of the ADR Form.
- (4) This requirement does not apply to —
 - (a) motor accident claims;
 - (b) personal injury claims other than claims in medical negligence; or
 - (c) any case which has gone through Court Dispute Resolution before the SFD is filed.
- (5) The solicitors for *all the parties* shall be present at the SFD hearing.

Presumption of ADR

- (6) All cases shall be automatically referred by the Court for the most appropriate mode of ADR during the SFD hearing, unless any or all of the parties opt out of ADR. A party who wishes to opt out of ADR should indicate his/her decision in the ADR Form. Where the Judge is of the view that ADR is suitable, and the party/parties have opted out of ADR for unsatisfactory reasons, this conduct may be taken into account by the Court when making subsequent costs orders pursuant to Order 59 Rule 5(1)(c) of the Rules of Court, which states:

“The Court in exercising its discretion as to costs shall, to such extent, if any, as may be appropriate in the circumstances, take into account the parties' conduct in relation to any attempt at resolving the cause or matter by mediation or any other means of dispute resolution.”

- (7) The Deputy Registrar hearing the SFD may make recommendations to the parties for the matter to proceed for —
- (a) Mediation in the Primary Dispute Resolution Centre (PDRC) of the State Courts;
 - (b) Neutral Evaluation in the PDRC;
 - (c) Arbitration under the Law Society's Arbitration Scheme; or
 - (d) Mediation by private mediation service providers.

19. Written Submissions for Contested Inter Partes Applications in Chambers

- (1) To facilitate and expedite the hearing of contested *inter partes* applications before a Registrar in Chambers and Registrar's Appeals before a District Judge in Chambers, the applicant and the respondent to the application shall file their Written Submissions no later than 3 working days prior to the hearing date fixed by the Court and shall serve a copy thereof on the other party to the application or his solicitor.
- (2) The Written Submissions filed by parties shall set out as concisely as possible:
 - (a) the circumstances out of which the application arises;
 - (b) the issues arising in the application;
 - (c) the contentions to be urged by the party filing it and the authorities in support thereof; and
 - (d) the reasons for or against the application, as the case may be.
- (3) This Paragraph applies only in the following matters:
 - (a) Application for summary judgment under Order 14, Rule 1 and Rule 5 of the Rules of Court;
 - (b) Application for determination of questions of law or construction of documents under Order 14, Rule 12 of the Rules of Court;
 - (c) Application to set aside judgment under Order 13, Rule 8 or Order 19, Rule 9 of the Rules of Court;
 - (d) Application to strike out pleadings and endorsements under Order 18, Rule 19 of the Rules of Court;
 - (e) Registrar's Appeals under Order 55B of the Rules of Court; and
 - (f) Any other application as may be directed by the Court.

20. Adjournment or vacation of hearings other than trials

- (1) Before parties write to the Court to request an adjournment or vacation of any hearing other than a trial, they should seek the consent of the other party or parties to the matter. Unilateral requests made without first seeking the consent or views of the other party or parties to the matter will not be entertained, except in the most exceptional circumstances.
- (2) The request should be made at least 2 working days before the hearing date, setting out the reasons for the request.
- (3) If the consent of all other parties to the matter is obtained, the request should state that all parties have consented to the request for the adjournment or vacation. However, this does not mean that the request will be granted as a matter of course. The Court will still evaluate the merits of the request before making its decision.
- (4) If the consent of one or more of the other parties is not obtained, the request should set out the reasons for the other parties' objections, or explain why the consent of one or more of the other parties cannot be obtained. Any relevant correspondence between the parties should also be annexed. The Court will then evaluate the contents of the request and the relevant correspondence before deciding whether the request should be allowed.

21. Ex parte applications for injunctions

- (1) Order 29, Rule 1, of the Rules of Court provides that an application for the grant of an injunction may be made *ex parte* in cases of urgency. However, the cases of *Castle Fitness Consultancy Pte Ltd v Manz* [1989] SLR 896 '*The Nagasaki Spirit*' (No.1) [1994] 1 SLR 434 take the position that an opponent to an *ex parte* application, especially where the application seeks injunctive relief, should be invited to attend at the hearing of the application.
- (2) In view of this, any party applying *ex parte* for an injunction (including a *Mareva* injunction) must give notice of the application to the other concerned parties prior to the hearing. The notice may be given by way of facsimile transmission or the use of any other electronic means (including electronic mail or Internet transmission), or, in cases of extreme urgency, orally by telephone. Except in cases of extreme urgency or with the leave of the Court, the party shall give a minimum of two hours' notice to the other parties before the hearing. The notice should inform the other parties of the date, time and place fixed for the hearing of the application and of the nature of the relief sought. If possible, a copy of the originating process, the *ex parte* summons and supporting affidavit(s) should be given to each of the other parties in draft form as soon as they are ready to be filed in Court. At the hearing of the *ex parte* application, in the event that some or all of the other parties are not present or represented, the applicant's solicitors should inform the Court of:
 - (a) the attempts that were made to notify the other parties or their solicitors of the making of the application;
 - (b) what documents were given to the other parties or their solicitors and when these documents were given; and
 - (c) whether the other parties or their solicitors consent to the application being heard without their presence.
- (3) The Directions set out in sub-paragraph (2) need not be followed if the giving of the notice to the other parties, or some of them, would or might defeat the purpose of the *ex parte* application. However, in such cases, the reasons for not following the Directions should be clearly set out in the affidavit prepared in support of the *ex parte* application.

22. Mareva injunctions and search orders*

- (1) Applicants for *Mareva* injunctions and search orders are required to prepare their orders in accordance with the following forms in Appendix B:
 - (a) Form 4: Search order;
 - (b) Form 5: Worldwide *Mareva* injunction; and
 - (c) Form 6: *Mareva* injunction limited to assets within the jurisdiction.
- (2) These forms, inevitably, are complicated, but their language and layout are intended to make it easier for persons served with these orders to understand what they mean. These standard form orders should be used save to the extent that the Judge hearing a particular application considers there is a good reason for adopting a different form. Any departure from the terms of the prescribed forms should be justified by the applicant in his supporting affidavit(s).
- (3) The applicant should undertake not to inform any third party of the proceedings until after the return date.
- (4) Wherever practicable, applications should be made sufficiently early so as to ensure that the Judge has sufficient time to read and consider the application in advance.
- (5) On an *ex parte* application for a *Mareva* injunction or an search order, an applicant may be required, in an appropriate case, to support his cross-undertaking in damages by a payment into Court, the provision of a bond by an insurance company, a banker's guarantee or a payment to the applicant's solicitor to be held by the solicitor as an officer of the Court pending further order.

Applications for search orders

- (6) It was suggested in *Universal Thermosensors Ltd v Hibben* [1992] 3 All ER 257 at 276 that the order be served by a supervising solicitor and carried out in his presence and under his supervision. The supervising solicitor should be an experienced solicitor who is not a member or employee of the firm acting for the applicant and who has some familiarity with the operation of search orders. The evidence in support of the application should include the identity and experience of the proposed supervising solicitor. These guidelines are equally applicable in the local context and the Judge in his discretion may, in appropriate cases, require a supervising solicitor.

- (7) Where the premises are likely to be occupied by an unaccompanied woman, at least one of the persons attending on the service of the order should be a woman.
- (8) Where the nature of the items removed under the order makes this appropriate, the applicant will be required to insure them.

22A. Documents in support of *ex parte* applications for injunctions (including *Mareva* injunctions) and search orders

- (1) Without prejudice to the requirements stated in Paragraphs 21 and 22 of these Practice Directions, in order to assist the Court hearing *ex parte* applications for injunctions (including *Mareva* injunctions) and search orders, an applicant must include in the affidavit prepared in support of the application the following information under clearly defined headings:
 - (a) reason(s) the application is taken out on an *ex parte* basis, including whether the applicant believes that there is a risk of dissipation of assets, destruction of evidence or any other prejudicial conduct;
 - (b) urgency of the application (if applicable), including whether there is any particular event that may trigger the dissipation of assets, destruction of evidence or any other prejudicial conduct;
 - (c) factual basis for the application, including the basis of any belief that there will be dissipation of assets, destruction of evidence or any other prejudicial conduct, whether there have been any past incidents of the opponent dissipating assets, destroying evidence or engaging in any other prejudicial conduct, and whether there is any evidence of dishonesty or bad faith of the opponent;
 - (d) factual basis for any reasonable defences that may be relied on by the opponent;
 - (e) whether the applicant is aware of any issues relating to jurisdiction, *forum non conveniens* or service out of jurisdiction, and, if so, whether any application relating to these issues has been or will be made;
 - (f) an undertaking to pay for losses that may be caused to the opponent or other persons by the granting of the orders sought, stating what assets are available to meet that undertaking and to whom the assets belong; and
 - (g) any other material facts which the Court should be aware of.
- (2) An applicant must prepare skeletal submissions on the points to be raised at the hearing of the *ex parte* application. At the hearing, the applicant shall give a copy of the skeletal submissions to the Court and to any opponent present. The applicant shall file the skeletal submissions by the next working day.

- (3) The Court may also require the applicant to prepare a note of the hearing setting out the salient points and arguments canvassed before the Court and may order such a note to be served together with the court documents on any opponent who is not present at the hearing or within a reasonable time after the service of the court documents.

23. Applications for discovery or interrogatories against network service providers

- (1) This Paragraph applies to an application made under Order 24, Rule 6(1) or Order 26A, Rule 1(1) of the Rules of Court —
 - (a) by or on behalf of an owner or exclusive licensee of copyright material against a network service provider for information relating to the identity of a user of the network service provider's primary network who is alleged to have infringed the copyright in the material in relation to an electronic copy of the material on, or accessible through, the network service provider's primary network; or
 - (b) by or on behalf of the performer of a performance against a network service provider for information relating to the identity of a user of the network service provider's primary network who is alleged to have made an unauthorised use of the performance in relation to an electronic recording of the material on, or accessible through, the network service provider's primary network.
- (2) An application referred to in sub-paragraph (1) shall —
 - (a) be made in Form 4 of Appendix A to the Rules of Court; and
 - (b) when made in accordance with sub-paragraph (2)(a), be fixed for hearing within 5 days from the date of filing of the application.
- (3) The onus shall lie on the applicant to highlight the nature of the application to the Registry and to request that the application be fixed for hearing within 5 days.
- (4) In sub-paragraph (1)(a), the words "electronic copy", "material", "network service provider" and "primary network" have the same meanings as in section 193A(1) of the Copyright Act (Cap 63).
- (5) In sub-paragraph (1)(b), the words "electronic recording", "network service provider", "performance" and "primary network" have the same meanings as in section 246(1) of the Copyright Act (Cap 63).

24. Absence of parties

Where an application has been struck off by reason of any party being absent, the Registrar may direct that the matter be restored by way of summons.

25. Overview of Alternative Dispute Resolution (ADR) for civil cases

- (1) ADR should be considered at the earliest possible stage. Court-sponsored ADR services give the parties the opportunity to resolve their disputes faster and more cheaply compared to litigation. These services are collectively termed “Court Dispute Resolution” (CDR) and are provided by the Court for free. CDR sessions are convened under Order 34A of the Rules of Court, which empowers the Court to convene pre-trial conferences for the purpose of the “just, expeditious and economical disposal of the cause or matter”.
- (2) This Part of the Practice Directions focuses on ADR for *civil* disputes only.

Processes used for Court Dispute Resolution sessions

- (3) CDR is provided by the Primary Dispute Resolution Centre of the State Courts (PDRC). There are 2 processes used:
 - (a) Mediation; and
 - (b) Neutral Evaluation.

(Solicitors may refer to the State Courts’ website at <http://www.statecourts.gov.sg> under “Civil Justice Division, Court Dispute Resolution”, for more information on these processes.)

- (4) CDR sessions are conducted on a “without prejudice” basis. All communications at CDR sessions, except terms of settlement or directions given for trial, are confidential pursuant to Order 34A, Rule 7 of the Rules of Court, and shall not be disclosed in any court document or at any court hearing.
- (5) If the parties are unable to resolve their dispute at the CDR session, the Judge will give the necessary directions for the action to proceed to trial. The action will be tried by another Judge other than the Judge conducting the CDR session.

Presumption of ADR for non-injury motor accident (NIMA) claims and personal injury claims

- (6) All non-injury motor accident claims and personal injury claims filed in court will be fixed for CDR unless any party opts out of CDR.
- (7) The Court will send a notice to the solicitors fixing the date of the first CDR session approximately 8 weeks after the memorandum of appearance is filed. Where any or all

of the parties wishes to opt out of CDR, he/she should write to PDRC not less than 2 working days prior to the date of the CDR session, providing reasons for opting out.

- (8) The Judge will use the process of Neutral Evaluation and indicate the likely apportionment of liability of the parties at trial. The parties may then negotiate using the indication as a basis. The procedure and protocols set out in Paragraphs 25B and 25C of these Practice Directions apply for these claims.

Presumption of ADR for all other cases

- (9) In all other cases, the Court will fix a Pre-Trial Conference (PTC) approximately 6 months after the filing of the writ if a summons for directions has not been filed and the Defence has been filed. *These cases shall be automatically referred by the Court for the most appropriate mode of ADR during the PTC, unless the parties opt out of ADR.* The available ADR options are Mediation, Neutral Evaluation and Arbitration under the Law Society's Arbitration Scheme. The procedure for this referral is set out in paragraph 25A of these Practice Directions.

Request for CDR

- (10) A Request for CDR *need not be filed for NIMA and personal injury claims* as the parties would automatically be notified to attend CDR. A Request for CDR need not be filed for all other cases as the Court will refer the cases for CDR during PTCs or at a summons for directions hearing. A Request for CDR may be filed *when the parties wish to attempt CDR at an earlier stage.* The "Request for CDR" must be filed via the Electronic Filing Service.

Request for adjournment of CDR session

- (11) A dedicated time slot is set aside for each CDR session. In order to minimise wastage of time and resources, any request for adjournment of a CDR session shall be made early. A request to adjourn a CDR session —
 - (a) for NIMA and personal injury claims shall be made *not less than 2 working days* before the date of CDR; and
 - (b) for other cases shall be made *not less than 7 working days* before the date of CDR.
- (12) A request for an adjournment of a CDR session shall be made *only* by filing a "Request for Refixing / Vacation of Hearing Dates" via the Electronic Filing Service. The applicant shall obtain the consent of the other parties to the adjournment, and list the dates that are unsuitable for all the parties.

Sanctions for failure to make early request for adjournment, lateness or absence

- (13) Where any party is absent without valid reason for the CDR session, the Court may exercise its powers under Order 34A, Rule 6 of the Rules of Court to “dismiss such action or proceedings or strike out the defence or counterclaim or enter judgment or make such order as it thinks fit”.
- (14) Where any party is late for the CDR session, this conduct may be taken into account by the Court when making subsequent costs orders pursuant to Order 59 Rule 5(1)(c) of the Rules of Court, which states:

“The Court in exercising its discretion as to costs shall, to such extent, if any, as may be appropriate in the circumstances, take into account the parties' conduct in relation to any attempt at resolving the cause or matter by mediation or any other means of dispute resolution.”

25A. Presumption of ADR: Pre-Trial Conference and Summons for Directions hearing to consider ADR options

- (1) This paragraph applies to all civil claims except motor accident and personal injury claims that —
 - (a) are filed on or after 28 May 2012; or
 - (b) have been filed before 28 May 2012, but in respect of which a summons for directions application is heard on or after 28 May 2012.
- (2) To encourage the use of Alternative Dispute Resolution (ADR) at an early stage, the Court will convene a Pre-Trial Conference (PTC) approximately 6 months after the writ is filed for every case where —
 - (a) the Defence has been filed; and
 - (b) no Summons for Directions (SFD) has been taken out for the case,

except that the parties will not be asked to attend a PTC in the event that they have earlier filed an SFD application.
- (3) Parties may file an SFD application prior to the PTC, and Paragraph 18 of these Practice Directions applies accordingly.
- (4) The solicitors for *all the parties* shall be present at the PTC.
- (5) The Judge hearing the PTC may recommend the appropriate mode of dispute resolution. To facilitate a considered decision on the ADR options, the ADR Form (Form 6A in Appendix B to these Practice Directions) *must be read and completed by the solicitors for all parties and their clients*. A party who is not represented shall also complete the relevant sections of the ADR Form.
- (6) The parties shall file the ADR Form through the Electronic Filing Service not less than 3 working days before the PTC under the document name “ADR Form”. No court fees will be charged for the filing of the ADR Form.
- (7) Cases are classified under one of the 2 tracks set out in the ADR Form: the Recommended ADR Track or the General Track. Cases falling under the Recommended ADR track are generally lower value claims which benefit most from a faster and quicker resolution through ADR.

- (8) All cases shall be automatically referred by the Court for the most appropriate mode of ADR during the PTC unless any or all of the parties opt out of ADR. Any party who wishes to opt out should indicate his/her decision in the ADR Form. For cases falling under the Recommended ADR track, a party may opt out only for the stipulated or other good reasons.
- (9) Where the Judge is of the view that ADR is suitable, and the party/parties have opted out of ADR for unsatisfactory reasons, this conduct may be taken into account by the Court when making subsequent costs orders pursuant to Order 59 Rule 5(1)(c) of the Rules of Court, which states:
- “The Court in exercising its discretion as to costs shall, to such extent, if any, as may be appropriate in the circumstances, take into account the parties' conduct in relation to any attempt at resolving the cause or matter by mediation or any other means of dispute resolution.”
- (10) The following ADR options are available for the parties:
- (a) Mediation in the Primary Dispute Resolution Centre (PDRC) of the State Courts;
 - (b) Neutral Evaluation in the PDRC;
 - (c) Arbitration under the Law Society's Arbitration Scheme; or
 - (d) Mediation by private mediation service providers.

25B. Non-injury Motor Accident (NIMA) Claims

- (1) Compliance with FIDReC (Financial Industry Disputes Resolution Centre) pre-action protocol for low value NIMA claims**
 - (a) For NIMA claims where the quantum of damages claimed, before apportionment of liability and excluding survey fees, interests, costs and disbursements, is below \$3,000 (“NIMA claims below \$3,000”), claimants are to comply with the FIDReC pre-action protocol at Annex A in Appendix F of these Practice Directions before commencing court proceedings. The claims will be managed by FIDReC in accordance with FIDReC's Terms of Reference providing for mediation and adjudication of disputes. All parties are required to comply in substance and spirit with the terms of the protocol. A breach by one party will not exempt the other parties from following the protocol as far as they are able.
 - (b) Where the claimant has commenced an action in Court, the Court will consider compliance with the protocol in exercising its discretion as to costs. In particular, the Court will consider the following situations as non-compliance with the protocol by the claimant:
 - (i) commencement of Court proceedings before adjudication of the claim by FIDReC;
 - (ii) a finding by the Court that the quantum of damages before apportionment of liability is less than \$3,000 and the pleaded claim is for an amount exceeding \$3,000; and
 - (iii) the claimant has failed to obtain a judgment that is more favourable than the award of the FIDReC Adjudicator.
 - (c) If non-compliance with the protocol has led to incurring unnecessary costs, the Court may make the following orders:
 - (i) an order disallowing a party at fault his costs, or some part of his costs, even if he succeeds;
 - (ii) an order that the party at fault pay the other party or parties their costs of the proceedings, or part of those costs; and
 - (iii) an order that the party at fault pay those costs on an indemnity basis.

- (d) The Court will consider compliance with the protocol in exercising its discretion when deciding the amount of interest payable and may make the following orders:
 - (i) an order awarding a successful party who has complied with the protocol interest from an earlier period; and
 - (ii) an order depriving a successful party who has not complied with the protocol interest in respect of such period as may be specified.
- (e) The Court will not impose sanctions on the claimant where there are good reasons for non-compliance.
- (f) Where the claimant has commenced Court proceedings before adjudication of the claim by FIDReC, the Court may stay the action under Order 34A of the Rules of Court to require the claimant to comply with the protocol.

(2) **Compliance with NIMA pre-action protocol**

- (a) For NIMA claims of \$3,000 and above, claimants are to comply with the NIMA pre-action protocol at Annex B in Appendix F of these Practice Directions before commencing court proceedings.
- (b) For NIMA claims below \$3,000, claimants are also to comply with the NIMA pre-action protocol before commencing court proceedings unless paragraphs 3 and 8 of the FIDReC pre-action protocol providing for discovery of documents and negotiation have already been complied with.
- (c) All parties are required to comply in substance and spirit with the terms of the protocol. A breach by one party will not exempt the other parties in the claim from following the protocol so far as they are able.
- (d) The Court will consider compliance with the protocol in exercising its discretion as to costs. If non-compliance with the protocol has led to incurring unnecessary costs, the Court may make the following orders:
 - (i) an order disallowing a party at fault his costs, or some part of his costs, even if he succeeds;
 - (ii) an order that the defaulting party pay the other party or parties their costs of the proceedings, or part of those costs; and
 - (iii) an order that the party at fault pay those costs on an indemnity basis.

- (e) The Court will consider compliance with the protocol in exercising its discretion when deciding the amount of interest payable and may make the following orders:
 - (i) an order awarding a successful party who has complied with the protocol interest from an earlier period; and
 - (ii) an order depriving a successful party who has not complied with the protocol interest in respect of such period as may be specified.

(3) **General Case Management for all NIMA claims filed in Court**

- (a) The Court will convene the first CDR session for all NIMA cases under Order 34A of the Rules of Court approximately 8 weeks after the filing of the memorandum of appearance. Parties may expect, generally, 3 sessions of CDR. If the matter is not settled at the third session, the Court may make such orders or give such directions as it thinks fit for the just, expeditious and economical disposal of the action, including directions for trial.
- (b) Where the parties are of the view that a CDR session would not be fruitful, they shall write to the Primary Dispute Resolution Centre (PDRC), *not less than 2 working days prior to the date of the CDR*, providing reasons to opt out of CDR. Any request for adjournment shall be made *only* by filing a “Request for Refixing / Vacation of Hearing Dates” via the Electronic Filing Service and also submitted *not less than 2 working days* prior to the date of the CDR.
- (c) The Judge will provide an indication on liability during the CDR session. The solicitors for all parties should complete a “Liability Indication Form” (see Form 9A) and submit it to the Judge at the first CDR Session.
- (d) If the parties settle the issue of liability or quantum or both, they shall submit Form 9I to the Court to record the settlement terms or to enter a consent judgment.

Directions made after entering consent interlocutory judgment

- (e) Where the solicitors record a consent interlocutory judgment before the Court, they shall submit the “Form for Application for Directions under Order 37” (i.e. Form 9C). The Court shall give the necessary directions under Order 37 of the Rules of Court.

Forms

- (f) Soft copies of the “Liability Indication Form” (Form 9A), “Form for Application for Directions under Order 37” (Form 9C) and “Recording Settlement/Entering Judgment by Consent (Form 9I) may be downloaded at <http://www.statecourts.gov.sg> under “Civil Justice Division, Court Dispute Resolution”.

Guidelines on CDR in Appendix C

- (g) Solicitors shall comply with the relevant CDR guidelines in Appendix C of these Practice Directions when preparing for and attending CDR sessions for NIMA claims.

(4) Benchmark rates for cost of rental and loss of use

- (a) When parties attend at the Primary Dispute Resolution Centre before a Judge and the dispute involves a claim for damages in respect of a motor accident for cost of rental of a replacement car and/or loss of use, parties are to have regard to the Benchmark Rates for Cost of Rental and Loss of Use at Appendix G of these Practice Directions.
- (b) The Benchmark Rates are to serve as a starting point and adjustments may be made according to the circumstances of each case.

25C. Personal Injury Claims

(1) Compliance with Personal Injury Claims Pre-Action Protocol

(a) In this paragraph —

“Form” means the appropriate Form in Appendix B to these Practice Directions;

“personal injury claims” refers to all actions for personal injuries including motor vehicle accidents (“PIMA”) and industrial workplace accidents, *but excluding actions where the pleadings contain an allegation of a negligent act or omission in the course of a medical or dental treatment*;

“personal injury claims” refers to claims for personal injury with or without an additional claim for property damage arising from the same accident.

(b) Claimants in personal injury claims are to comply with the Pre-Action Protocol for Personal Injury Claims at Appendix FB to these Practice Directions before commencing court proceedings. All parties are required to comply in substance and spirit with the terms of the protocol. A breach by one party will not exempt the other parties in the claim from following the protocol so far as they are able.

(c) In exercising its discretion as to costs, the Court will consider compliance with the protocol. If non-compliance has led to unnecessary costs, the Court may make the following orders:

(i) an order disallowing a defaulting party his costs, or some part of his costs, even if he succeeds;

(ii) an order that the defaulting party pay the other party or parties their costs of the proceedings, or part of those costs; and

- (a) *For all personal injury claims*, the Court will convene the first CDR session under Order 34A of the Rules of Court approximately 8 weeks after the filing of the memorandum of appearance.
- (b) Where the parties are of the view that a CDR session would not be fruitful, they shall write to the Primary Dispute Resolution Centre, *not less than 2 working days prior to the date of the CDR session*, providing reasons to opt out of CDR. Any request for adjournment shall be made *only* by filing a “Request for Refixing / Vacation of Hearing Dates” via the Electronic Filing Service and also submitted *not less than 2 working days* prior to the date of the CDR.
- (c) During a CDR session, the Court may vary the automatic directions provided under Order 25, Rule 8 of the Rules of Court to facilitate settlement of the dispute, pursuant to its powers under O 34A, Rule 1(1) of the Rules of Court.

- (d) In CDR sessions for personal injury claims, *except PIMA claims*, the Judge will provide indications on *both liability and quantum* of the claim. The solicitors for all the parties shall submit a “Quantum Indication Form” (see Form 9B) to the Judge at the first CDR session.
- (e) *For all PIMA claims*, the Judge will provide an indication on liability. The solicitors for all parties shall submit a “Liability Indication Form” (see Form 9A) to the Judge at the first CDR session. The solicitors may also seek an indication on quantum, in addition to an indication on liability. If so, they should obtain each other’s consent before the CDR session, and submit the Quantum Indication Form (i.e. Form 9B) to the Judge at the first CDR session.

Recording of terms of settlement or judgment

- (f) If the parties settle the issue of liability or quantum or both, they shall submit Form 9I to the Court to record settlement terms or to enter a consent judgment.

Directions made after entering interlocutory judgment by consent or after trial on liability

- (g) Where solicitors record a consent interlocutory judgment before the Court, they shall submit the “Form for Application for Directions under Order 37” (i.e. Form 9C). Alternatively, pursuant to Paragraph 25E(3) of these Practice Directions, where solicitors wish to request for a fast track ADCDR session after recording an interlocutory judgment, they shall file Form 9G in place of Form 9C.
- (h) The trial judge shall give the necessary directions for assessment of damages by the Registrar under Order 37 of the Rules of Court after giving interlocutory judgment on liability. Solicitors shall submit the “Form for Application for Directions under Order 37” (i.e. Form 9C) and submit it to the trial judge after interlocutory judgment on liability is given.
- (i) Where the CDR Judge has not given an indication on quantum earlier, the trial judge shall give an indication on quantum after delivery or recording of interlocutory judgment. Solicitors shall submit the Quantum Indication Form (i.e. Form 9B) to the trial judge.

Guidelines on CDR in Appendix C

- (k) Solicitors shall comply with the relevant CDR guidelines in Appendix C to these Practice Directions when preparing for and attending CDR sessions for personal injury claims.

25D. Medical Negligence Claims

(1) Compliance with pre-action protocol

- (a) Claimants in medical negligence claims are to comply with the pre-action protocol at Appendix FA before commencing court proceedings. All parties are required to comply in substance and spirit with the terms of the protocol. A breach by one party will not exempt the other parties in the claim from following the protocol so far as they are able.
- (b) In exercising its discretion as to costs, the Court will consider compliance with the protocol. If non-compliance with the protocol has led to unnecessary costs, the Court may make the following orders:
 - (i) an order disallowing a defaulting party his costs, or some part of his costs, even if he succeeds;
 - (ii) an order that the defaulting party pay the other party or parties their costs of the proceedings, or part of those costs; and

- (c) The Court will consider compliance with the protocol in exercising its discretion when deciding the amount of interest payable and may make the following orders:
 - (i) an order awarding a successful party who has complied with the protocol interest from an earlier period; and
 - (ii) an order depriving a successful party who has not complied with the protocol interest in respect of such period as may be specified.

(2) Case management

Approximately 4 weeks after the filing of a writ for a medical negligence claim, the Court will convene a pre-trial conference at the Primary Dispute Resolution Centre to discuss and facilitate settlement of the claim.

25E. Assessment of damages

(1) Assessment of Damages Court Dispute Resolution (ADCDR) Conference and Pre-Assessment of Damages Conference (PADC)

- (a) For all personal injury cases excluding medical negligence cases, the Court will convene the first conference under Order 34A of the Rules of Court generally within 4 weeks after the filing of the notice of appointment for assessment of damages. The Court will conduct an Assessment of Damages Court Dispute Resolution (ADCDR) session where it will give an indication on the quantum of damages.
- (b) Parties may expect, generally, 3 sessions for ADCDR. If there is no settlement, the Court may direct the matter for assessment of damages hearing or make such orders or give such directions as it thinks fit for the just, expeditious and economical disposal of the matter. An adjournment of an ADCDR session shall be granted only for good reasons, for example, the solicitor is engaged in a trial or other hearing in the High Court or the State Courts, is away on in camp training, overseas, or on medical leave.
- (c) The solicitors for all parties shall submit the “Quantum Indication Form” (see Form 9B under Appendix B to these Practice Directions) to the Court together with any supporting medical report(s) of the Plaintiff at the first ADCDR session and the Court will give an indication on quantum of damages.
- (d) For all other types of cases, including Non-Injury Motor Accident (NIMA) cases, the Court will convene a Pre-Assessment of Damages Conference (PADC) under Order 34A of the Rules of Court generally within 4 weeks after the filing of the notice of appointment for assessment of damages. At the PADC, the Court may direct the matter for assessment of damages hearing or make such orders or give such directions as it thinks fit for the just, expeditious and economical disposal of the matter.
- (e) A failure to attend a conference or comply with any Court directions may result in the Court dismissing the action or striking out the defence or counterclaim or entering judgment or making such order as it thinks fit. Any judgment, order or direction made against an absent party may be set aside or varied by the Court pursuant to Order 34A rules 1(4) and 6(2) of the Rules of Court.

(2) **Directions to be given for Assessment of Damages Hearing**

- (a) When an assessment of damages hearing date is given at a conference, the parties will be directed to do the following:
 - (i) to file and serve the Bundle(s) of Documents (whether agreed or otherwise) within 4 weeks from the date of the ADCDR/PADC;
 - (ii) the Plaintiff shall, within 3 weeks prior to the date of the assessment of damages hearing, serve on the Defendant a draft Joint Opening Statement (referred to in paragraph 2(b) below) with the Plaintiff's portions duly completed;
 - (iii) the Defendant shall, within 2 weeks prior to the date of the assessment of damages hearing, serve on the Plaintiff the draft Joint Opening Statement with the Defendant's portions duly completed; and
 - (iv) the Plaintiff shall, within 1 week prior to the date of the assessment of damages hearing, file and serve the duly completed Joint Opening Statement.
- (b) The format to be used for the Joint Opening Statement shall be as follows:
 - (i) Joint Opening Statement Assessment of Damages for Personal Injury Claims (including dependency Claims) — Form 9D of Appendix B to these Practice Directions;
 - (ii) Joint Opening Statement Assessment of Damages for Non-Injury Motor Accident Claims — Form 9E of Appendix B to these Practice Directions; and
 - (iii) Joint Opening Statement Assessment of Damages for General Claims excluding Personal Injury and Non-Injury Motor Accident Claims — Form 9D of Appendix B to these Practice Directions.
- (c) The Joint Opening Statement is to be filed via the Electronic Filing Service. The directions and forms shall be modified accordingly if there are more than 2 parties in the proceedings.

(3) **Fast Track ADCDR sessions**

- (a) The Court generally will only convene an ADCDR session after the Plaintiff has filed the notice of appointment for assessment of damages. Parties can however make an application for a fast track ADCDR session to be convened

after interlocutory judgment has been entered and before affidavits of evidence-in-chief are exchanged if the following requirements are satisfied:

- (i) all medical reports of the Plaintiff required for a considered indication on quantum of damages are available to all the parties;
 - (ii) the Plaintiff has already attended medical re-examination by the Defendant's or Third Party's medical expert, or the Defendant or Third Party confirms that no medical re-examination of the Plaintiff is required;
 - (iii) no indication on quantum for loss of future earnings and/or loss of earning capacity is required; and
 - (iv) all parties consent to such an application being made.
- (b) An application for the fast track ADCDR session shall be made by filing, via the Electronic Filing Service, a "Request for Fast track ADCDR" in Form 9G in Appendix B of these Practice Directions in Portable Document Format (PDF).
- (c) Form 9G shall only be filed with the consent of all parties involved in the proceedings. When the Plaintiff or his solicitor writes to the Defendant or his solicitor and any other parties in the proceedings for his/their consent, and the Plaintiff does not receive any reply of his letter from any party within 14 days, the Defendant and/or the other parties shall be deemed to have consented for the matter to be referred to a fast track ADCDR session.

(4) **Request for adjournment of ADCDR/PADC by consent**

Any request for adjournment of ADCDR shall be made not less than 2 working days before the date of ADCDR. A request for an adjournment of an ADCDR session shall be made only by filing a "Request for Re-fixing / Vacation of Hearing Dates" via the Electronic Filing Service. The applicant shall obtain the consent of the other parties to the adjournment, and list the dates that are unsuitable for all the parties.

25F. Mediation

Opening statements

- (1) Each party must submit to the Primary Dispute Resolution Centre (PDRC), and serve on all other parties, a written opening statement *not less than 2 working days before the date of the first mediation session*. The opening statement shall be submitted in hard copy and not filed via the Electronic Filing Service.
- (2) The opening statement shall be in the format prescribed in Form 9J in Appendix B to these Practice Directions. A soft copy of this form may be downloaded at <http://www.statecourts.gov.sg> under “Civil Justice Division, Court Dispute Resolution”.
- (3) The opening statement shall be concise and not exceed 10 pages.

Attendance at mediation

- (4) All parties shall attend the mediation in person.
- (5) The solicitor who has primary conduct over the case shall be present throughout the mediation.
- (6) In the case of corporations and other entities, the representative who has the authority to settle shall attend the mediation. In the event that only a board or body has authority to settle on behalf of the entity, the entity shall send the person who is the most knowledgeable about the case and who is able to recommend a settlement to the representative’s board or body.

Mediators

- (7) Mediation will be conducted by either a Judge or an Associate Mediator in PDRC. Associate Mediators are volunteer mediators who have been accredited by both the State Courts and the Singapore Mediation Centre. The parties will be notified by letter if their case is to be mediated by an Associate Mediator.

Procedure at Mediation

- (8) Information on the mediation process is set out at the State Courts’ website at <http://www.statecourts.gov.sg> under “Civil Justice Division, Court Dispute Resolution”. Unlike a trial, the primary aim of mediation is not to determine who is at fault in the dispute. The mediator’s role is to assist the parties in negotiating and agreeing on a possible settlement to their dispute. The parties will attend the

mediation with their solicitors, and have the opportunity to communicate with each other as well as the mediator.

- (9) The procedure for mediation is more informal than a trial. The mediator will exercise his or her discretion in structuring the mediation, with a view to guiding the parties in arriving at a joint solution.

25G. Neutral Evaluation

- (1) A brief form of Neutral Evaluation is used as a matter of practice in all motor accident and personal injury claims. The procedure for such CDR sessions is set out above in Paragraphs 25B and 25C, and Appendix C, of these Practice Directions.
- (2) The procedure in this paragraph applies only to civil cases other than motor accident cases or personal injury cases where parties have requested for Neutral Evaluation.

Procedure in Neutral Evaluation

- (3) Information on the Neutral Evaluation process is set out at the State Courts' website at <http://www.statecourts.gov.sg> under "Civil Justice Division, Court Dispute Resolution". Neutral Evaluation involves the parties and their solicitors making presentations of their claims and defences, including the available evidence, followed by the PDRC Judge giving an assessment of the merits of the case. This process is also useful for helping parties to arrive at areas of agreement and to discuss methods of case management to save costs and time. The details of the structure and ambit of this process may be agreed between the parties at the preliminary conference referred to in sub-paragraph (4).

Preliminary conference with solicitors

- (4) When parties request a Neutral Evaluation, the Court will convene a preliminary conference with the solicitors alone to discuss and agree on several options regarding the process before the date for Neutral Evaluation is fixed, i.e. —
 - (a) whether the Neutral Evaluation is to be binding or non-binding;
 - (b) whether the witnesses are to attend and be assessed by the court; and
 - (c) whether affidavits of evidence-in-chief of witnesses are to be filed and used for the neutral evaluation, without witnesses' attendance.
- (5) If the option referred to in sub-paragraph (4)(b) above is chosen, the Judge may use the "witness conferencing" approach to adduce expert evidence. Witness Conferencing involves the concurrent hearing of all expert witnesses in the presence of one another. Each party's expert witness would be afforded the opportunity to question, clarify or probe any contending views proffered by the other expert.

Opening Statements

- (6) Each party must submit to PDRC, and serve on all other parties, a written opening statement not less than 2 working days before the date of the Neutral Evaluation. The opening statement shall be submitted in hard copy and not filed via the Electronic Filing Service.
- (7) The opening statement shall be in the format prescribed in Form 9K in Appendix B to these Practice Directions. A soft copy of this form may be downloaded at <http://www.statecourts.gov.sg> under “Civil Justice Division, Court Dispute Resolution”.
- (8) The opening statement shall be concise and not exceed 10 pages.

Attendance at Neutral Evaluation

- (9) All parties shall attend the Neutral Evaluation session in person unless the Court dispenses with their attendance.
- (10) The solicitor who has primary conduct over the case shall be present throughout the Neutral Evaluation session.
- (11) In the case of corporations and other entities, the representative who has authority to settle shall attend the Neutral Evaluation session. In the event that only a board or body has authority to settle on behalf of the entity, the entity should send the person who is the most knowledgeable about the case and who is able to recommend a settlement to the representative’s board or body.

26A. Introduction

- (1) This Part provides an opt-in framework for requests and applications for the giving of discovery and inspection of electronically stored documents, and the supply of electronic copies of such documents. A party that seeks to rely on this Part must cite the relevant paragraph(s) in any request or application made hereunder.

Location of electronically stored documents

- (2) Electronically stored documents may reside in storage management systems, folders or directories in storage locations, electronic media or recording devices, including folders or directories where temporarily deleted files are located (for example, the Recycle Bin folder or Trash folder). Electronically stored documents or parts thereof may also reside in the unallocated file space or file slack on an electronic medium or recording device as deleted files or file fragments which may be recovered through the use of computer forensic tools or techniques.

Definition of metadata information

- (3) Metadata information refers to the non-visible and not readily apparent information embedded in or associated with electronically stored documents and may include both application metadata, which is created by the application software used to create the electronic documents, and system metadata, which is created by the operating or storage system. Examples of application metadata include hidden columns or text, formatting and display codes, formulae, prior edits and editorial comments; examples of system metadata include data relating to creation, modification and access of the electronic document, its size, file format and storage location, and other document profile information like title, author, subject and keywords or tags. Metadata information may be stored internally within the electronically stored document or externally in a separate file or database. Externally stored metadata information shall be discoverable as separate documents.

26B. Time to consider electronic discovery issues during general discovery

- (1) Parties are encouraged to collaborate in good faith and agree on issues relating to the discovery and inspection of electronically stored documents within the framework for discovery set forth in Order 24 of the Rules of Court. Such issues may include the scope and/or any limits on documents to be given in discovery, whether parties are prepared to make voluntary disclosures, and the giving of discovery in stages according to an agreed schedule, as well as the format and manner in which copies of discoverable documents shall be supplied.
- (2) Parties may, immediately after the close of pleadings, but within the time prescribed in Order 25, Rule 8(1)(a) of the Rules of Court, agree on an electronic discovery protocol which may take the form set forth in Appendix M Part 1. Parties may include the agreed electronic discovery protocol in the summons for directions. The Court shall consider the adequacy of the agreed electronic discovery protocol and may make such order or give such direction as it thinks fit, for the just, expeditious and economical disposal of the cause or matter. The agreed electronic discovery protocol, as amended by such order or direction of the Court as the case may be, shall form part of the order under the summons for directions to be extracted for the action.
- (3) If parties are unable to agree on an electronic discovery protocol, the party seeking discovery of electronically stored documents may apply for an order. The application must include a draft electronic discovery protocol and must be supported by affidavit providing an account of the parties' attempts to collaborate in good faith to reach agreement on an electronic discovery protocol.

26C. Requests and applications for the giving of discovery

Requests for discovery

- (1) A request for discovery of any electronically stored document or class of electronically stored documents may be made before the commencement of proceedings, or at any time to any party to a cause or matter, or any person who is not a party to the proceedings. Unless the request specifies that discovery of externally stored metadata information of the requested electronically stored documents is required, the party providing discovery shall not be required to discover externally stored metadata information.
- (2) A class of electronically stored documents may be described by specifying or describing a search term or phrase to be used in a reasonable search for electronically stored documents. A request for the giving of discovery by reasonable search must specify or describe limits on the scope of the search; such limits shall include at least the following:
 - (a) specifying or describing physical or logical storage locations, media or devices; and
 - (b) specifying the period during which the requested electronically stored documents were created, received or modified.
- (3) A request shall not be made for the discovery of deleted files or file fragments containing information which may be recovered through the use of computer forensic tools or techniques unless:
 - (a) a request is made for the discovery of the electronic medium or recording device on which a forensic inspection is to be conducted; and
 - (b) a request is made for inspection of the said electronic medium or recording device in compliance with paragraph 26F.

Applications for discovery

- (4) An application for discovery of any electronically stored document or class of electronically stored documents which includes externally stored metadata information must be supported by an affidavit showing that a request for externally stored metadata information of the requested electronically stored document or class of electronically stored documents had been made previously.

- (5) An application for discovery of any electronically stored document or class of electronically stored documents which specifies or describes a search term or phrase to be used in a reasonable search for electronically stored documents must specify or describe limits on the scope of the search to be conducted.
- (6) An application for the discovery of a computer database, electronic medium or recording device may be made together with an application for inspection of the said computer database, electronic medium or recording device in accordance with paragraph 26F.
- (7) Upon the hearing of an application for an order for discovery of electronically stored documents, the Court shall have regard to the matters set forth in paragraph 26D.
- (8) Nothing in this paragraph shall prevent the party giving discovery from reviewing the discoverable electronically stored documents or the results of any reasonable search for the purpose of identifying privileged documents. However, such review for the purpose of identifying privileged documents shall not extend to the deletion, removal or alteration of metadata information.

26D. Matters to which regard shall be had in determining whether discovery or inspection is necessary

- (1) Order 24, Rules 7 and 13 of the Rules of Court states that an order for discovery and production of documents for inspection shall not be made unless such order is necessary either for disposing fairly of the cause or matter or for saving costs. The matters to which regard shall be had, in determining whether an application for discovery or inspection (including the supply of copies) of electronically stored documents is necessary either for disposing fairly of the cause or matter or for saving costs, shall include:
 - (a) the number of electronic documents involved;
 - (b) the nature of the case and complexity of the issues;
 - (c) the value of the claim and the financial position of each party;
 - (d) the ease and expense of retrieval of any particular electronically stored document or class of electronically stored documents, including —
 - (i) the accessibility, location and likelihood of locating any relevant documents,
 - (ii) the costs of recovering and giving discovery and inspection of any relevant documents,
 - (iii) the likelihood that any relevant documents will be materially altered in the course of recovery, or the giving of discovery or inspection; and
 - (e) the significance of any particular electronically stored document or class of electronically stored documents which are likely to be located to the issues in dispute.

26E. Form of list

- (1) The following matters shall be included in any list of documents made pursuant to the giving of discovery in accordance with this Part in which electronic documents are enumerated:
 - (a) the name of the electronic file constituting or containing the electronic document; and
 - (b) the file format (and its version) of the electronic document.
- (2) Where the party giving discovery objects to the production of certain discoverable electronically stored documents solely on the ground that the internally stored metadata information is protected by privilege, he must state in the list of documents whether he objects to the production of the electronic documents without the internally stored metadata information. If he does not object to the production of the electronic documents without the internally stored metadata information, he must enumerate the electronic documents in Part 1 of Schedule 1 to the list of documents. In any event, he must enumerate such documents in a separate section in Part 2 of Schedule 1 to the list of documents and shall state that he objects to the production of the whole or part of the internally stored metadata information of these documents.
- (3) Reasonable efforts shall be made to remove duplicated documents from the list of documents. A document shall be considered a duplicate of another if the contents of both (including metadata information) are identical. The use of a hashing function to identify duplicates shall be deemed to be reasonable effort.
- (4) If copies of electronic documents are supplied in one or more read-only optical disc(s) or other storage medium, the party giving discovery shall provide a further list, at the time when such copies are supplied, stating the following:
 - (a) the storage format (and its version) of the optical disc or storage medium; and
 - (b) if there are multiple optical discs or storage media, a list of electronic documents stored on each optical disc or storage medium.
- (5) An index of documents enumerated in a list of documents referred to in sub-paragraph (1) or (4) above shall be provided in an electronic, text searchable and structured format. In the absence of parties' agreement, this index or load file shall be provided in a delimited text file in the Comma Separated Value (or 'CSV') file format.

26F. Inspection of electronically stored documents

- (1) A party required to produce electronically stored documents for inspection under Order 24 of the Rules of Court shall provide reasonable means and assistance for the party entitled to inspection to inspect the electronically stored documents in their native format.
- (2) Where an inspection is carried out under Order 24, Rule 9, 10 or 11(1) of the Rules of Court and the inspecting party wishes to take copies of electronically stored documents produced for inspection, his request to take copies shall comply with the protocol set forth in paragraph 26G.

Inspection of computer databases and electronic media or recording devices

- (3) No request or application for the inspection of any computer database, electronic medium or recording device shall be made unless discovery of the computer database, electronic medium or recording device has been given.
- (4) A request may be made for the inspection of an electronic medium or recording device (for which discovery has been given) for the purpose of recovering deleted electronic documents through the conduct of a forensic examination of the unallocated file space or file slack of the electronic medium or recording device using computer forensic tools or techniques.
- (5) Where an application under Order 24, Rule 11(2) is made for the inspection of computer databases, electronic media or recording devices for which discovery has been given, the party seeking inspection shall include in his application an inspection protocol, which may take the form found in Appendix M Part 2, in order to ensure that the party entitled to inspection has access only to electronic documents that are necessary and is not allowed to trawl through the entire database, electronic media or recording device.
- (6) Upon the hearing of an application for an order for the inspection of computer databases, electronic media or recording devices, the Court shall have regard to the matters set forth in paragraph 26D. The Court shall have the power to review the adequacy of an inspection protocol and may make such order or give such direction as it thinks fit, for the just, expeditious and economical disposal of the cause or matter.

- (7) Nothing in this paragraph shall prevent the party producing computer databases, electronic media or recording devices for inspection from reviewing the discoverable electronically stored documents or the results of any reasonable search for the purpose of identifying privileged documents. However, such review for the purpose of identifying privileged documents shall not extend to the deletion, removal or alteration of metadata information.

26G. Supply of copies of electronically stored documents

- (1) Copies of discoverable electronically stored documents shall generally be supplied in the native format in which the requested electronic documents are ordinarily maintained and in one or more read-only optical disc(s).
- (2) Metadata information internally stored in the native format of discoverable electronically stored documents shall not be deleted, removed or altered without the agreement of the parties or an order of Court. Where the party giving discovery objects to the production for inspection of certain discoverable electronically stored documents solely on the ground that the internally stored metadata information is protected by privilege, but does not object to the production of the electronic documents without the internally stored metadata information, copies of such documents may be supplied in a reasonably usable format with all or such of the metadata information over which privilege is claimed removed.

Requests for the supply of copies

- (3) A request for copies of discoverable electronically stored documents may specify the format and manner in which such copies are to be supplied. If the party giving discovery does not agree with the specified format or manner or both, he may either:
 - (a) propose a reasonably usable format and/or storage medium and/or a reasonable manner in which he intends to supply copies of the requested electronic documents; or
 - (b) in default of agreement, supply copies of the requested electronic documents in accordance with sub-paragraph (1).
- (4) The party giving discovery shall not be required to supply copies of electronically stored documents in more than one format.
- (5) The file format versions set forth in Appendix M Part 3 shall be deemed to be reasonably usable formats for the purpose of this paragraph.

Applications for the supply of copies

- (6) Applications for the supply of copies of discoverable electronically stored documents shall specify the format and manner in which copies of such electronic documents are to be supplied.

26H. Restriction on use of privileged document, inspection of which has been inadvertently allowed

Order 24, Rule 19 of the Rules of Court applies to the giving of discovery or inspection of electronically stored documents, including the supply of copies, as it would to the giving of discovery or inspection of any other document.

26I. Costs

- (1) Except for orders made in respect of third party or pre-action discovery, the costs of complying with an order for the giving of discovery or inspection of electronically stored documents shall generally be borne by the party giving discovery; and disbursements incurred in providing copies shall be reimbursed by the party requesting for copies.
- (2) The Court may invoke its inherent powers under Order 92, Rules 4 and 5 of the Rules of Court to make or give such further orders or directions incidental or consequential to any order as may be necessary, to order the party entitled to discovery to bear the whole or a portion of the costs of compliance with such order for the giving of discovery or inspection of electronically stored documents, and the supply of copies, if such order is necessary to prevent injustice or to prevent an abuse of the process of the Court.

27. Witnesses

Issuance of subpoenas

- (1) An application for a subpoena shall be made by way of filing a subpoena in Form 67 in Appendix A of the Rules of Court. The subpoena is deemed to be issued when it is sealed by an officer of the Registry pursuant to Order 38, Rule 14(2) of the Rules of Court. The previous practice of filing a Request to issue a subpoena is discontinued.

Release of witness upon completion of evidence

- (2) It has been brought to the attention of the Court that generally witnesses have not been told that they are free to leave the Court after they have completed their evidence. To remedy this, every witness will be released by the Court upon completion of his evidence and it is the duty of counsel to apply to the Court if counsel desires the witness to remain. This sub-paragraph shall apply to both civil and criminal proceedings.

28. Form of affidavits

Affidavits filed electronically

30.

[Deleted]

31. Swearing or affirming of affidavits, statutory declarations and oaths

- (1) Rule 8 of the Commissioners for Oaths Rules (Cap. 322, Rule 3) was amended effective 1 September 1998 to permit an advocate and solicitor who is appointed a commissioner for oaths to take affidavits or statutory declarations, or administer oaths to a deponent in a language or dialect, other than English, spoken or understood by the deponent and in which the advocate and solicitor is proficient in. Given these amendments, advocates and solicitors are requested to encourage their clients to use the services of other advocates and solicitors who are appointed commissioners for oaths and who are proficient in the language or dialect in which the affidavits or statutory declarations are to be sworn or affirmed, or in which the oaths are to be taken. The State Courts' commissioners for oaths will continue to take affidavits or statutory declarations and administer oaths for legally aided cases and for parties who are acting in person who need to file documents in the State Courts.
- (2) If arrangements for the use of the services of advocates and solicitors who are appointed as commissioners for oaths are not possible, deponents who are blind or illiterate in English may continue to be brought by solicitors to the State Courts' commissioners for oaths to swear or affirm affidavits and statutory declarations. As the State Courts' commissioners for oaths are under a duty to ensure that the deponent understands the document being deposed to, they are obliged to interpret the document to intended deponents; this is also the case in relation to blind deponents. This necessary exercise may take a considerable time and may cause long delays for other persons who wish to take affidavits or statutory declarations before the State Courts' commissioners for oaths.
- (3) Accordingly, solicitors who wish to bring illiterate or blind deponents before the State Courts' commissioners for oaths should first estimate the time that will be taken to interpret the document or documents to be deposed to. If it is estimated that the total time required for interpretation of the documents will be more than 20 minutes, the solicitor must write to the Registrar and arrange for a special appointment for the documents to be sworn or affirmed; the solicitor should not bring the deponent before the duty commissioner for oaths without such an appointment.
- (4) If an illiterate or a blind deponent is brought before the duty State Courts commissioner for oaths and the interpretation of the document or documents takes more than 20 minutes, the commissioner for oaths will refer the solicitor and the deponent to the Registrar for a special appointment to be made for the documents to be deposed to.
- (5) Save in exceptional circumstances, the State Courts will not entertain requests from advocates and solicitors for its commissioners for oaths to swear or affirm affidavits

or statutory declarations or administer oaths to a deponent outside the State Courts' premises. Advocates and solicitors appointed as commissioners for oaths and who are proficient in the language or dialect in which the affidavits or statutory declarations are to be sworn or affirmed, or in which oaths are to be taken, are instead encouraged to perform this function.

- (6) This Paragraph shall apply to both civil and criminal proceedings.

32. Effect of non-compliance

Any affidavit or exhibit which does not comply with the Directions contained in this Part will be liable to be rejected by the Court and made the subject of an order for costs.

33. Order 41 of the Rules of Court

- (1) For avoidance of doubt, the provisions of Order 41 of the Rules of Court shall continue to apply.
- (2) The attention of solicitors is especially drawn to Order 41, Rule 1(4), of the Rules of Court. Non-compliance with any of the requirements of that Rule may result in an order of costs being made against the solicitor personally.

34. Objections to the contents of affidavits of evidence-in-chief

- (1) If, on an application for directions under Order 25, Rule 3, or Order 37, Rule 1, of the Rules of Court, or otherwise, orders are made prescribing the time within which objection to the contents of affidavits of evidence-in-chief must be taken, the objections must be taken in accordance with the Directions contained in this Paragraph and not otherwise.
- (2) Objections to the contents of affidavits of evidence-in-chief filed pursuant to an order of the Court made under Order 25, Rule 3, or Order 37, Rule 1, of the Rules of Court, or otherwise, must be taken by filing and serving a notice in Form 10 of Appendix B.
- (3) The notice in Form 10 should set out all the objections to the contents of affidavits of evidence-in-chief that will be raised at the hearing of the cause or matter and all the grounds thereof.
- (4) An adjudication on the material objected to in affidavits of evidence-in-chief filed pursuant to an order of the Court should only be sought at the trial or hearing of the cause or matter for which the affidavits of evidence-in-chief were filed, and not before. If an adjudication is sought prior to the trial or hearing of the cause or matter, the application for the adjudication will be adjourned to be dealt with at the trial or hearing of the cause or matter, and the applicant may be ordered to pay the costs of the adjournment.

34A. Request for Digital Audio Recording and Transcription Service

- (1) Digital audio recording and transcription of open court proceedings will be made available in the State Courts, to parties, through one or more designated service providers at the request of parties.
- (2) The request for digital audio recording and transcription service shall be subject to the approval and/or directions of the Court hearing the proceedings, the approval of the Registrar, and the availability of the designated service provider to provide the service.

Applications for Digital Audio Recording and Transcription Service

- (3) Any party who intends to use the digital audio recording and transcription service shall write to the Court hearing the proceedings for approval at least 12 working days before the commencement of the proceedings.
- (4) Upon written notification of the approval by the Court hearing the proceedings, the requesting party shall submit to the designated service provider at least 8 working days before the commencement of the proceedings the application for digital audio recording and transcription service using the requisite form provided by the designated service provider. The requesting party shall also comply with any direction(s) that may be given by the Court hearing the proceedings, in respect of the party's written request for digital audio recording and transcription service.
- (5) The designated service provider shall inform the requesting party whether the application for digital audio recording and transcription service has received final approval by the Registrar.
- (6) The cost of engaging the designated service provider for digital audio recording and transcription service shall be paid by the requesting party directly to the designated service provider. The engagement of and payment to the designated service provider are subject to its terms and conditions.
- (7) The party or parties engaging the designated service provider shall apply for sufficient copies of the transcript to be furnished to the Court hearing the proceedings and all other parties to the proceedings.

34B. Certification of transcripts

The transcript(s) of any record of hearing or notes of hearing will be certified by the Judicial Officer having conduct of the proceedings, or in the absence of the Judicial Officer, any other Judicial Officer as directed by the Registrar.

35. Waiting time for the hearing of matters

- (1) The waiting time between the filing of certain processes or other steps in the proceedings and the date for the hearing of the matter are as set out in Appendix D. Solicitors are directed to take note of these waiting times and must be ready to proceed at the end of the relevant period.
- (2) This Paragraph shall apply to both criminal and civil proceedings.

35A. Pleadings

- (1) The attention of advocates and solicitors is drawn to the pleading requirements laid down by the Court of Appeal in the case of *Sembcorp Marine Ltd v PPL Holdings Pte Ltd and anor and anor* appeal [2013] SGCA 43 for disputes involving a contextual approach to the construction of a contract.
- (2) In particular, the Court of Appeal made the following observations at paragraph 73 of the judgment:
 - (a) parties who contend that the factual matrix is relevant to the construction of the contract must plead with specificity each fact of the factual matrix that they wish to rely on in support of their construction of the contract;
 - (b) the factual circumstances in which the facts referred to in sub-paragraph (2)(a) were known to both or all the relevant parties must also be pleaded with sufficient particularity;
 - (c) parties should in their pleadings specify the effect which such facts will have on their contended construction; and
 - (d) the obligation of the parties to disclose evidence would be limited by the extent to which the evidence is relevant to the pleaded facts referred to in sub-paragraphs (2)(a) and (2)(b).
- (3) The Court of Appeal further held at paragraph 74 that in general, extrinsic facts that are placed before the court in a manner that is not consistent with the above requirements will not be accorded any weight when a court is construing a contract. Adverse cost consequences may also be imposed, where appropriate.

36. Requesting a hearing date through the Electronic Filing Service

- (1) When filing applications through the Electronic Filing Service, solicitors may make a request for a preferred hearing date for any interlocutory application to be heard before a Deputy Registrar.
- (2) Solicitors should confer with all parties to the application before selecting a preferred hearing date. Every counsel arguing the application should be available to attend the hearing on the date selected.
- (3) In the event that it is not possible to confer with opposing counsel on a preferred hearing date, whether due to the nature or urgency of the application or otherwise, solicitors must select a date when counsel arguing the application for the applicant will be available.
- (4) Solicitors are reminded to satisfy the requirements of subparagraph 17(6) of these Practice Directions.

37. Fixing of hearing dates

- (1) To assist the Registrar at the fixing of hearing dates, solicitors should provide updated information as to the current status of the cause or matter, including the prospects of settlement and any other developments since the summons for directions which are likely to affect the length of the trial. They will also be required to inform the Registrar of the number of witnesses they intend to call to facilitate a more realistic assessment of the time required for the hearing.
- (2) Solicitors who attend the fixing should be fully acquainted with the cause or matter being fixed for trial. They should preferably be the solicitor having conduct of the cause or matter.
- (3) Solicitors must attend the fixing. It is not acceptable for their clerks to attend in their stead.
- (4) The attention of solicitors is drawn to Order 34, Rule 5 of the Rules of Court which provides:

“It shall be the duty of all parties to an action entered in any list to furnish without delay to the Registrar all available information as to the action being or being likely to be settled, or affecting the estimated length of the trial, and, *if the action is settled or withdrawn, to notify the Registrar of the fact without delay.*” [emphasis added]

38. Adjournment or vacation of hearing dates and part-heard cases

- (1) Where dates have been fixed for the trial of any cause or matter, any request for an adjournment or vacation of the trial dates shall be made to a Judge or Registrar by way of summons with a supporting affidavit even in those cases where counsel for the other party or parties consent to the adjournment.
- (2) Subject to any directions of the Judge or Registrar, when a case is adjourned, the Registrar will assign such days as are available for the hearing of the case, and counsel will be expected to take the dates at short notice. Where counsel is unable for any reason to take the dates, he shall apply to the Judge or Registrar for an adjournment in accordance with sub-paragraph (1) above.
- (3) In the event that the hearing of a case is not concluded within the number of days allotted, the Court may direct the hearing of the case to continue beyond the allotted time rather than adjourning the case part-heard to another date. Counsel for parties in all cases should therefore be prepared to continue with the hearing of the matter notwithstanding the fact that the time originally allotted may have expired. Subject to any such directions of the Court, all part-heard cases shall be fixed for continued hearing at short notice. Applications for adjournment of such hearing dates may be granted only for good and sufficient reasons.

39. Application

These Directions apply to hearings conducted by JusticeOnLine (“JOL”), a web-based video conferencing system that allows solicitors to conduct their Court hearings from a remote source.

40. JOL Guidelines

- (1) A set of Guidelines ("JOL Guidelines") shall govern the scope, use and procedures for JOL hearings, including but not limited to the following matters:
 - (a) Types of matters for which JOL is applicable;
 - (b) Booking and Conduct of and Queuing for JOL hearings; and
 - (c) Service of Documents for JOL hearings.
- (2) The JOL Guidelines may be found at the JOL informational website at <http://www.justiceonline.com.sg>.
- (3) The JOL Guidelines may be amended from time to time by the State Courts.

41. Websites

- (1) Information relating to JOL will be published on the JOL informational website at <http://www.justiceonline.com.sg>.
- (2) The JOL service consisting of on-line booking, virtual queuing, conduct of hearings and billing reports for JOL in the State Courts is available at <http://www.statecourtsvc.com.sg>.

42. Use of JOL

For hearings for which JOL is available, the requesting party need not obtain the consent of the other party to book or attend the hearing via JOL. Where one party opts for a hearing via JOL, the other party may either attend the hearing via JOL (where this party is a JOL subscriber) or attend Court personally.

43. Prescribed Times, Conventions and Queuing Priority

- (1) All timelines and booking conventions prescribed in the JOL Guidelines, including the times for the booking of JOL hearings, and filing of documents by both the requesting party and other party for contentious hearings, shall be strictly observed.
- (2) To facilitate the proper and efficient conduct of JOL hearings, all parties must be punctual for their hearings. If a party attending by JOL is absent at the scheduled time of hearing, he may be regarded as absent for the hearing and the Court may proceed to make such order as it deems fit.

Queuing Priority

- (3) There may be two parallel queue systems in each Court that is enabled for JOL hearings – the normal queue for cases in which neither party has applied for JOL and the JOL queue for cases in which at least one party has opted for JOL hearing. The Court will give priority to cases in the JOL queue.

44. Court Etiquette

Each JOL hearing shall proceed as if the parties are appearing before the Judge or Registrar in person. Parties must observe all Court rules of etiquette prescribed in these Practice Directions and the Registrar's Circulars.

45. Adjournment of JOL hearing

If the JOL hearing cannot be reasonably conducted, or if the Court decides at any point in time that it is not conducive to deal with the matter by JOL hearing, the Court may adjourn the matter and require parties to attend Court personally at a convenient date and time; or fix the matter for JOL hearing at the earliest suitable opportunity; and/or make any other order that may be appropriate in the circumstances of the case.

46. Hearing Records

The JOL proceeding or any part thereof shall not be recorded in video or audio tape or any other form. As in all other court proceedings, where reference to the record of the proceedings is required to be made in any subsequent proceedings or in any other matter or proceedings, reference shall only be made to the Court's notes of the proceedings.

47. Amount allowed as disbursement for using JOL

- (1) If a party uses JOL to conduct its hearing, \$1.50 for each minute of the hearing shall be allowed as costs between parties to proceedings. Such costs may be claimed by a receiving party from the paying party where the receiving party is entitled to costs of the hearing. These costs shall be allowed in addition to all other disbursements and Court fees.
- (2) This Paragraph shall apply to the taxation of costs as well as cases where the Court fixes a gross sum in lieu of taxation.

48. Electronic filing of documents and authorities for use in court

- (1) Subject to any Directions in this Part to the contrary, in particular Paragraph 50(3), all bundles of documents, bundles of authorities, bundles of pleadings, bundles of affidavits, all other bundles, and all opening statements for proceedings which have been commenced using the Electronic Filing Service must be filed in Court using the Electronic Filing Service.

- (2) In the event that it is not possible to file the documents in advance of the hearing, counsel may apply to the Judge or Registrar conducting the hearing for leave to use paper documents during the hearing. The paper documents may be printed on one side or both sides of each paper. The solicitor must explain why it was not possible to file the documents in advance of the hearing, and must give an undertaking to file using the Electronic Filing Service all the documents used at the hearing by the next working day after the hearing. Any document not filed using the Electronic Filing Service will not be included in the Court's case file.

49. Bundle of documents filed on setting down

- (1) Order 34, Rule 3 of the Rules of Court requires a bundle containing certain documents to be filed together with the notice for setting down. The documents in the bundle should be included in the order in which these appear in Order 34, Rule 3 (1).

Documents filed electronically

- (2) For proceedings which have been commenced using the Electronic Filing Service, rather than preparing these documents in paper form and binding them, the documents must be prepared in an electronic format.
- (3) In addition, parties should endeavour to file a core bundle of documents rather than the numerous bundles that are often filed. This core bundle should comprise only documents that are relevant to the hearing in question, or which will be referred to in the course of the hearing.
- (4) If there are other documents, the relevance of which is uncertain, these documents should be brought to the hearing in paper form. Such other documents should only be filed electronically as and when directed by the Court.
- (5) The following directions shall apply to all bundles and opening statements:
 - (a) Index pages must be prepared.
 - (b) Bookmarks should be created in a Portable Document Format (PDF) file for each such reference in the index. There should be as many book-marks in that PDF file as there are references in the index to documents in that PDF file.
 - (c) The name given to each bookmark should be the same as the corresponding reference in the index.
 - (d) If a bundle of documents includes more than one PDF document, the various PDF documents should be arranged chronologically or in some logical order.
- (6) For proceedings using the Electronic Filing Service, a bundle of documents may be created online and filed through the Electronic Filing Service. The electronic bundle must be created in Portable Document Format (PDF). The electronic bundle may contain the following:
 - (a) documents in the electronic case file; and

- (b) documents that have been uploaded into the electronic case file by solicitors or other persons given access to the shared folder in the electronic case file.

Documents not filed electronically

- (7) For proceedings which were not commenced using the Electronic Filing Service, the setting down bundle should be firmly secured together with plastic ring binding or plastic spine thermal binding. The rings or spines should be red for plaintiffs and blue for defendants, and should have a transparent plastic cover in front and at the back.
- (8) Every page of the setting down bundle should be paginated consecutively at the top right hand corner of each page from the first page until the last. In the event that the bundle is in several volumes, the pagination should nonetheless run consecutively from the first page of the first volume until the last page of the last volume.

50. Documents for use in trials in open Court

- (1) This Paragraph shall apply to trials in open Court of —
 - (a) writ actions; and
 - (b) originating summonses ordered to be continued as if the cause of action had been begun by writ.
- (2) Order 34, Rule 3A of the Rules of Court requires the originals of the affidavits of the evidence-in-chief of all witnesses and a bundle of documents to be filed not less than 5 working days before the trial of an action. This Paragraph prescribes the contents and the format of the bundle of documents. In addition, to improve the conduct of civil proceedings and to reduce the time taken in the presentation of cases in Court, the following documents shall also be prepared by the respective solicitors of the parties:
 - (a) a bundle of authorities; and
 - (b) an opening statement.

Documents which need not be filed electronically

- (3) Paragraphs 48, 49(2) to (6) of these Practice Directions do not apply to the documents that are filed in Court pursuant to the provisions of Order 34, Rule 3A(1) of the Rules of the Court. Such documents may be tendered to the Registry in hardcopy together with an electronic copy stored on a CD-ROM in PDF format and complying with the provisions of this Paragraph.
- (4) Any court fees payable, pursuant to Appendix B of the Rules of Court, on filing the documents in this Paragraph, shall be payable at the stamp office. Parties should, when making payment at the stamp office, indicate to the cashier the precise number of pages which comprise the documents and comply with the provisions of Paragraph 148 of these Practice Directions.
- (5) It is emphasised that payment of the court fees on such documents should be made before the documents are tendered to Court in compliance with Order 34, Rule 3A of the Rules of Court. The hardcopy of documents tendered to Court should show, on the front page, the amount of court fees paid on the document.
- (6) The electronic copy must tally in all respects with the hardcopy, as it will be uploaded into the case file by the Registry staff and will form part of the electronic case file. The importance of not submitting unnecessarily large electronic files is emphasised.

To this end, parties are to adhere as far as possible to the guidelines set out on the Electronic Filing Service website (currently at www.elitigation.sg), or its equivalent as may be set up from time to time, on the resolution to be used when scanning documents into PDF format.

- (7) In the event that parties elect to electronically file such documents, they must nevertheless tender a bundle of these documents to the Civil Registry in hard copy. It shall not be necessary to pay any additional court fees in respect of the hard copy in such circumstances.

Bundle of documents

- (8) The bundle of documents required to be filed by Order 34, Rule 3A of the Rules of Court should be paginated consecutively throughout at the top right hand corner and may be printed on one side or both sides of each page.

(a) An index of contents of each bundle in the manner and form set out in Form 11 in Appendix B to these Practice Directions must also be furnished. No bundle of documents is necessary in cases where parties are not relying on any document at the trial.

(b) Under Order 34, Rule 3A (3) of the Rules of Court it is the responsibility of solicitors for all parties to agree and prepare an agreed bundle as soon as possible. The scope to which the agreement extends must be stated in the index sheet of the agreed bundle.

(c) The documents in the bundles should —

(i) be firmly secured together with plastic ring binding or plastic spine thermal binding, and such rings or spines should be red for plaintiffs and blue for defendants with a transparent plastic cover in front and at the back;

(ii) have flags to mark out documents to which repeated references will be made in the course of hearing, and such flags shall —

(A) bear the appropriate indicium by which the document is indicated in the index of contents; and

(B) be spaced out evenly along the right side of the bundle so that as far as possible they do not overlap one another; and

(iii) be legible (for which purpose clear legible photo-copies of original documents may be exhibited instead of the originals provided the

originals are made available for inspection by the other parties before the hearing and by the Judge at the hearing).

- (d) Where originals and copies of documents are included in one bundle, it should be stated in the index which documents are originals and which are copies.
- (e) Only documents which are relevant or necessary for the trial shall be included in the bundles. In cases where the Court is of the opinion that costs have been wasted by the inclusion of unnecessary documents, the Court will have no hesitation in making a special order for costs against the relevant person.
- (f) A core bundle should (unless clearly unnecessary) also be provided containing the most important documents upon which the case will turn or to which repeated reference will have to be made. The documents in this bundle should normally be paginated but should also be cross-referenced to copies of the documents included in the main bundles. The bundle supplied to the Court should be contained in a loose-leaf file which can easily have further documents added to it if required.

Bundle of authorities

- (9) The bundle of authorities to be prepared by each party should:
 - (a) contain all the authorities, cases, statutes, subsidiary legislation and any other materials relied on;
 - (b) be properly bound with plastic ring binding or plastic spine thermal binding in accordance with the requirements set out in sub-paragraph (8)(c);
 - (c) be paginated consecutively at the top right hand corner of each page (for which purpose the pagination should commence on the first page of the first bundle and run sequentially to the last page of the last bundle); and
 - (d) contain an index of the authorities in that bundle and be appropriately flagged for easy reference.
- (10) Only authorities which are relevant or necessary for the trial shall be included in the bundles. No bundle of authorities is necessary in cases where parties are not relying on any authority at the trial. In cases where the Court is of the opinion that costs have been wasted by the inclusion of unnecessary authorities, the Court will have no hesitation in making a special order for costs against the relevant person.
- (11) The bundle of authorities shall be filed and served on all relevant parties at least 3 working days before trial.

Opening statements

- (12) A proper opening statement is of great assistance to the Court as it sets out the case in a nutshell, both as to facts and law. It enables the Judge to appreciate what the case is about, and what he is to look out for when reading and listening to the evidence that will follow. Opening statements also help to clarify issues between the parties, so that unnecessary time is not spent on trying to prove what is not disputed or irrelevant.
- (a) In the light of these objectives, opening statements will be required in all cases from all parties, except where dispensation has been granted by the trial Judge and in running down actions. Statements submitted may be taken as read by the trial Judge.
 - (b) The plaintiff's statement as provided for in sub-paragraph (12)(d) below, should, unless exempted or dispensation has been granted by the trial Judge, be filed and served on all other relevant parties not less than 3 working days before the commencement of the trial for which they are to be used.
 - (c) The other counsel should each similarly not later than 2 working days before the start of the trial provide to the Court (with copies at the same time to their opponents) a statement which should concisely state the nature of their case on each of the issues to be tried and summarise the propositions of law to be advanced with references to the main authorities to be relied on. The character and length of this document will depend on the circumstances and whether there is any counterclaim or third party proceedings.
 - (d) In the case of the plaintiff, the statement must include the following:
 - (i) a summary of essential facts indicating which, if any, are agreed;
 - (ii) an indication of how these facts are to be proved, identifying relevant witnesses and documents;
 - (iii) a summary of the issues involved with cross-references as appropriate to the pleadings;
 - (iv) a summary of the plaintiff's case in relation to each of the issues with references to the key documents relied upon, and a summary of the propositions of law to be advanced with references to the main authorities to be relied on; and
 - (v) an explanation of the reliefs claimed (if these are unusual or complicated).

- (e) Counsel will be at liberty to amend their statements at the trial but in such event will be expected to explain the reasons for the amendments.

Timeline for tendering documents

- (13) At the trial of the cause or matter, an adjournment may be ordered if:
 - (a) the above documents or any of them, save for the opening statement in cases where it is not required or dispensation was granted, were not filed and served within the prescribed time or at all; or
 - (b) one party seeks to tender any of the above documents or supplements thereto except for supplements to the opening statement at the trial of the cause or matter.
- (14) If an adjournment is ordered for any of the reasons set out in sub-paragraph (13) above, the party who has failed to file or serve his documents within the prescribed time or at all or who seeks to tender a document or supplement thereto except for supplements to the opening statement may be ordered by the Court to bear the costs of the adjournment.

51. Hearing in Chambers

In all hearings in chambers before a Judge or Registrar, counsel shall submit their bundles of documents and their own bundle of authorities. Order 34, Rule 3A, of the Rules of Court and the requirements of Paragraphs 50(8) to (11) shall, *mutatis mutandis*, be complied with in this regard, save that the bundles may be submitted at the hearing itself before the Judge or Registrar, as the case may be.

52. Documents for use in trials in open Court of contested matrimonial proceedings under Part X of the Women's Charter (Cap 353)

- (1) This Paragraph shall apply to trials in open Court of contested matrimonial proceedings. For matrimonial proceedings filed before 1 April 2006, any reference in this Paragraph to the plaintiff and defendant shall be read as a reference to the petitioner and respondent respectively.
- (2) To improve the conduct of contested matrimonial proceedings and to reduce the time taken in the presentation of cases in Court, the following documents shall be prepared by the respective solicitors of the parties:
 - (a) a bundle of documents (an agreed bundle where possible);
 - (b) a bundle of authorities; and
 - (c) an opening statement.

Bundle of documents

- (3) Documents to be used at trial should be consolidated into bundles paginated consecutively throughout at the top right hand corner. An index of contents of each bundle in the manner and form set out in Form 11 of Appendix B must also be furnished. No bundle of documents is necessary in cases where parties are not relying on any document at the trial.
- (4) It is the responsibility of solicitors for all parties to agree and prepare an agreed bundle as soon as possible. The scope to which the agreement extends must be stated in the index sheet of the agreed bundle.
- (5) In cases where certain documents cannot be agreed upon, these should be separately bundled as the plaintiff's bundle, the defendant's bundle or such other party's bundle as the case may be.
- (6) The documents in the bundles should —
 - (a) be firmly secured together with plastic ring binding or plastic spine thermal binding. The rings or spines should be red for plaintiffs and blue for defendants with a transparent plastic cover in front and at the back;

- (b) have flags to mark out documents to which repeated references will be made in the course of the hearing. Such flags shall bear the appropriate indicium by which the document is indicated in the index of contents. Flags shall be spaced out evenly along the right side of the bundle so that as far as possible they do not overlap one another; and
 - (c) be legible. Clear legible photocopies of original documents may be exhibited instead of the originals provided the originals are made available for inspection by the other parties before the hearing and by the Judge at the hearing.
- (7) Where originals and copies of documents are included in one bundle, it should be stated in the index which documents are originals and which are copies.
 - (8) Only documents which are relevant or necessary for the trial shall be included in the bundles. In cases where the Court is of the opinion that costs have been wasted by the inclusion of unnecessary documents, the Court will have no hesitation in making a special order for costs against the relevant person.
 - (9) A core bundle should (unless clearly unnecessary) also be provided containing the most important documents upon which the case will turn or to which repeated reference will have to be made. The documents in this bundle should normally be paginated but should also be cross-referenced to copies of the documents included in the main bundles. The bundle supplied to the Court should be contained in a loose-leaf file which can easily have further documents added to it if required.
 - (10) The bundles of documents including the agreed bundle and core bundle, if applicable, shall be filed and served on all relevant parties at least 3 days before trial.

Bundle of authorities

- (11) The requirements set out in Paragraph 50(9) to (11) shall, *mutatis mutandis*, be complied with in respect of proceedings falling within this Paragraph.

Opening statements

- (12) The requirements set out in Paragraph 50(12) shall, *mutatis mutandis*, be complied with.

Timeline for tendering documents

- (13) Paragraphs 50(13) and 50(14) shall apply, *mutatis mutandis*, to proceedings to which this Paragraph applies.

53. Citation of written judgments and secondary authorities

Citation of written judgments

(1) The neutral citation system

- (a) A neutral citation is a court-approved system of citation which is independent of the series of law reports or other publications, and unique to each written judgment.
- (b) Each written judgment from a particular level of court is assigned a sequential number, starting from 1 at the beginning of each calendar year.

(2) Specific paragraph citations

- (a) Counsel will be required to make specific citations by referring to the paragraph number of the judgment, and not to the page number of the judgment or report.
- (b) For consistency, square brackets will be used to denote paragraph numbers. The paragraph mark (¶) will no longer be used.

(3) Court designators

SGDC – Singapore District Court

SGMC – Singapore Magistrates' Court

SGJC – Singapore Juvenile Court

SGSCT – Singapore Small Claims Tribunal

(4) Application of the neutral citation system

The application of the system is as follows:

- (a) Cases reported in the Singapore Law Reports shall be cited using their Singapore Law Reports citations, in priority to their neutral citations.
- (b) Unreported decisions shall be cited using their neutral citations.

(5) **Example and explanation**

ABC Co Pte Ltd v XYZ Co Ltd [2003] SGDC 25, at [3], [8].

Year of the decision [2003]

Level of Court SGDC (Singapore District Court)

Sequential Number 25 (twenty-fifth written judgment rendered by the District Courts in 2003)

Paragraph Number(s) Paragraphs 3 and 8 of the judgment

Citation of secondary authorities in court

- (6) Counsel are advised to be more circumspect in their use of secondary authorities such as textbooks, journals, periodicals and other treatises. As far as possible, counsel should rely on primary authorities to support the proposition of law argued for; and
- (7) If it necessary to cite secondary authorities, counsel should ensure that the material to be cited is directly relevant to the case before the Court. Counsel are also reminded of their duty to ensure that such material is not cited out of context. The following are specific guidelines for the citation of different types of secondary authorities:
- (a) Textbooks that are generally recognised as leading textbooks in the relevant area of law may be readily cited to the Court.
 - (b) If counsel wish to cite academic articles in journals and periodicals in support of a particular proposition of law, they should ensure that they are citing a statement, rather than a critique, of the law. Citation of academic articles should be limited to those written by eminent authors of reputable standing. The articles should also have been published in established journals and periodicals.
 - (c) Legal opinions written by other counsel not having conduct of the case before the court should generally not be cited as authority. Such legal opinions are considerably less authoritative than academic articles, as the views expressed in these private opinions have not been subject to the rigorous scrutiny of editorship and public critique.

- (8) Counsel's attention is drawn to Order 59 Rule 8 of the Rules of Court which gives the Court the power to make an order for costs personally against errant advocates and solicitors, who have wasted or incurred costs unreasonably or improperly. The Court will not hesitate to invoke its powers under Order 59 Rule 8 of the Rules of Court in cases where costs have been wasted due to counsel's indiscriminate citation of unnecessary and irrelevant secondary authorities.

54. Draft orders of Court

(1) Draft orders for *inter partes* applications

- (a) Order 42, Rules 8(1) and (2) of the Rules of Court places the burden of approving the drafts of inter partes judgments and orders on the solicitors themselves. The solicitors should therefore approve the drafts and not submit these drafts to the Registrar for approval.
- (b) The Registrar's signature on a judgment or order is only for the purpose of validity and does not in any way affect the regularity or irregularity of the contents of any judgment or order.
- (c) Subject to sub-paragraph (d), parties in *inter partes* applications should proceed to engross a final copy of the draft judgment for signature by the Registrar *after* agreeing on the draft. Draft orders of Court for *ex parte* applications (except probate matters) may be submitted with the summons and the supporting affidavit when these are filed.
- (d) For draft orders in electronic form that are composed online through the Electronic Filing Service, the process for extracting judgments and orders shall be as follows:
 - (i) Parties have the option of filing a system-generated order of court through the Electronic Filing Service.
 - (ii) Before filing the system-generated order of court, the party extracting the order must review and edit the order of court electronic form to ensure that it accurately reflects the orders made by the Court and obtain the approval of all other parties to the application and provide evidence of such approval when filing the draft order of court, for example, a Portable Document Format (PDF) copy of a draft order of court signed by the solicitors of all parties to the application.
- (e) Where parties disagree over one or more terms of the order of court, the party filing the draft order of court shall be responsible for including in the order of court electronic form all versions of the disputed terms by editing the order of court electronic form. All relevant correspondence concerning the dispute must be provided when filing the draft order of court.

- (f) The Registry will seal and issue an engrossed order of court once its terms are approved.
- (g) Order 42, Rules 8(3) to (5) of the Rules of Court shall continue to apply.

Solicitors' attention is drawn to Order 13, Rule 7(1) and Order 19, Rule 8A of the Rules of Court.
- (3) For Requests to enter judgment electronic forms composed online through the Electronic Filing Service, a signed hard copy of the Request to enter judgment electronic form shall be retained by the solicitor concerned and produced to the Court when required by the Court to do so.
- (4) In order to satisfy itself that a defendant is in default of appearance or service of defence, the Court may require an affidavit to be filed stating the time and manner service of the Writ of Summons was effected on the defendant, as well as the steps taken to ascertain that the defendant had failed to enter an appearance or serve a defence, as the case may be.
- (5) For the avoidance of doubt, Requests for entry of default judgment shall be filed as a Portable Document Format (PDF) document for suits where the memorandum of service has been filed before 30 September 2013. For all other cases, the Request for entry of default judgment electronic form shall be composed online through the Electronic Filing Service.

 - (c) whether the property is subject to any encumbrance which would affect a disposition or transfer thereof; and
 - (d) any other relevant information which ought to be considered by the Court in granting the consent judgment or order.

113D. Where permission is not required to make an application

- (1) The definition of “P” in Order 99, rule 1 of the Rules of Court (Cap. 322, R 5) shall be applicable in these Practice Directions. “P” means a person who lacks or, so far as consistent with the context, is alleged to lack capacity (within the meaning of the Mental Capacity Act) and to whom any proceedings under the Mental Capacity Act (Cap. 177A) relate.
- (2) Under section 38(1) of the Mental Capacity Act and Order 99, rule 2(3) of the Rules of Court, permission to make an application to the Court for the exercise of its powers is not required where the application is made —
 - (a) by P and, if P has not attained the age of 21 years, by anyone with parental rights with respect to him;
 - (b) by the donor or a donee of a lasting power of attorney to which the application relates;
 - (c) by a deputy appointed by the Court for P;
 - (d) by a person named in an existing order of the Court, if the application relates to that order;
 - (e) by the Public Guardian where it appears to him that —
 - (i) a person lacks capacity;
 - (ii) no application has been made or is likely to be made for an order under the Mental Capacity Act; and
 - (iii) an order under the Mental Capacity Act is necessary for the protection of the personal welfare, property or affairs of the person;
 - (f) by a person who is related by blood or marriage to P;
 - (g) for an order under section 36 of the Mental Capacity Act (interim orders and directions); and
 - (h) by a person named in a lasting power of attorney under paragraph 2(1)(c)(i) of the First Schedule to the Mental Capacity Act to object to the registration of the said lasting power of attorney.

- (3) If the plaintiff or applicant falls or believes himself to fall within the above categories of persons, this shall be stated at the outset in the supporting affidavit. Relevant documents, such as copies of birth certificates or marriage certificates, of the lasting powers of attorney or of the court orders appointing the deputies shall be exhibited to support the averment that no permission is required for an application under the Mental Capacity Act.

113E. Where permission is required to make an application

- (1) Apart from the categories listed in Paragraph 113D(2) of these Practice Directions, permission is required for an application to the Court under the Mental Capacity Act.
- (2) Where permission is required, that prayer may be included in the main application itself. There is no requirement for a separate application for permission. The grounds upon which the plaintiff or applicant is relying to obtain such permission must be stated clearly in the supporting affidavit. The Court will decide whether to grant such permission based on the grounds relied upon by the plaintiff or applicant.

113F. Service of application on named defendants and relevant persons

- (1) Order 99, rule 5 of the Rules of Court (Cap. 322, R 5) requires the plaintiff to serve the application, together with each affidavit or other document filed in support of the application, on each person named as a defendant in the proceedings and on each relevant person.
- (2) In a situation where there are no named defendants, the application shall still be served on relevant persons.
- (3) Service on a *named defendant* shall be by way of personal service. Service on relevant persons may be by way of ordinary service pursuant to Order 62, rule 6 of the Rules of Court, unless directed otherwise by the Court.
- (4) Subject to the timelines specified under Order 99, rule 5(2) of the Rules of Court, *one affidavit of service* may be filed in respect of service on all the named defendants and relevant persons in any application. The dates, times and manner of service for each of the named defendant and relevant person have to be stated clearly in the affidavit of service.

113G. Relevant persons

- (1) P's immediate family members, by virtue of their relationship to P, are likely to have an interest in being notified that an application has been made to the Court concerning P. 'Relevant persons' for the purposes of Order 99, rule 5 of the Rules of Court (Cap. 322, R 5) will therefore include the following immediate family members:
 - (a) P's spouse;
 - (b) P's children (aged 21 and above);
 - (c) P's parents or guardians;
 - (d) P's brothers or sisters (aged 21 and above); and
 - (e) P's grandparents or grandchildren (aged 21 and above).
- (2) The plaintiff or applicant should serve the application, the supporting affidavits and the Notice to Relevant Person in Form 35D in Appendix B to these Practice Directions on relevant persons in *descending order according to the list above* (which is ordered according to the presumed closeness in terms of relationship to P). For example, if P is married, has children aged 21 and above and siblings but has no surviving parents, the plaintiff or applicant should serve on P's spouse, P's children (aged 21 and above) and P's siblings (aged 21 and above).
- (3) The presumption that immediate family members are likely to have an interest in an application concerning P may be rebutted where the plaintiff or applicant is aware of circumstances which reasonably indicate that P's immediate family should not be served but that others should be served instead. For example, where the family member in question has had little or no involvement in P's life and has shown no inclination to do so, that family member need not be served. In some cases, P may be closer to persons who are not immediate family members and if so, it will be appropriate to effect service on them instead of the immediate family members.
- (4) Where the plaintiff or applicant decides that a person listed in one of the categories in sub-paragraph (1) ought to be served, and there are other persons in that category (for example, P has three siblings), the plaintiff or applicant should serve on all persons falling within that category unless there is a good reason not to do so. For example, it may be a good reason not to serve on every person in the category if one or more of them has had little or no involvement in P's life and has shown no inclination to do so.

- (5) The plaintiff or applicant *must serve on at least three categories of relevant persons* as listed in sub-paragraphs (1) who are likely to have an interest in the application concerning P. Where there are less than three categories of relevant persons, there shall be a statement in the supporting affidavit of the plaintiff or applicant to the effect that there are no other relevant persons apart from those that have been listed in the affidavit (please refer to paragraph 8 of Form 35A in Appendix B to these Practice Directions).
- (6) Apart from immediate family members, other relevant persons who are likely to have an interest in the application concerning P and who should be served the application, the supporting affidavits and the Notice to Relevant Person in Form 35D in Appendix B to these Practice Directions include:
- (a) any other relatives or friends who have a close relationship with P;
 - (b) any person who has a legal duty to support P;
 - (c) any person who will benefit from P's estate; and
 - (d) any person who is responsible for P's care,
- except that if there is no such person to the best of the plaintiff's or applicant's knowledge, he is to state this in his supporting affidavit (please refer to paragraph 8 of Form 35A in Appendix B to these Practice Directions).
- (7) The details of all relevant persons who should be served are to be listed clearly in the supporting affidavit of the plaintiff or applicant. Where service would not be effected on relevant persons who should be served, the reason why this is so must be stated in the supporting affidavit.
- (8) **Organisations providing residential accommodation to P**
- (a) If P resides at an organisation providing residential accommodation (regardless of whether it also provides care or treatment to P), the plaintiff or applicant shall serve the application, the supporting affidavits and the Notice to Relevant Person in Form 35D in Appendix B to these Practice Directions on such an organisation as soon as possible and in any event, not more than 2 working days after the application has been filed. For the purposes of the application, the organisation providing residential accommodation to P shall be considered a relevant person. However, the plaintiff or applicant need not obtain the consent of such an organisation to the application.
 - (b) If the organisation providing residential accommodation to P wishes to furnish any relevant information for the Court's consideration and determination of

the application in the best interests of P, it shall submit a report to the Court within 21 days after the date on which the organisation is served with the application. If such a report is submitted, the Court may require and direct for the attendance of the maker of the report at the hearing of the application.

113H. Consent of relevant persons

- (1) If any relevant person to be served has consented to the application and to dispensation of service, the plaintiff or applicant shall file the consent of the relevant person in Form 35C in Appendix B to these Practice Directions together with the application. The consent given by the relevant person to the application and to dispensation of service must be attested by a solicitor, a Commissioner for Oaths, a notary public or any person for the time being authorised by law in the place where the document is executed to administer oaths.

- (2) The Court may dispense with the service of the application on the relevant person on the application of the plaintiff or applicant. It should be stated clearly in the supporting affidavit that such relevant persons have given their consent to the application and to the dispensation of service.

113I. Notification of P

- (1) Under Order 99, rule 6 of the Rules of Court (Cap. 322, R 5), P shall be notified of certain matters by —
 - (a) the plaintiff, applicant, or appellant (as the case may be); or
 - (b) such other person as the Court may direct.
- (2) Where P is to be notified that an application has been filed, the person effecting notification must explain to P —
 - (a) who the plaintiff or applicant is;
 - (b) that the application raises the question of whether P lacks capacity in relation to a matter or matters, and what that means;
 - (c) what will happen if the Court makes the order or direction that has been applied for;
 - (d) where the application is for the appointment of a deputy, details of who that person is, and
 - (e) the date on which the application is fixed for hearing.
- (3) Where P is to be notified that an application has been withdrawn, the person effecting notification must explain to P —
 - (a) that the application has been withdrawn; and
 - (b) the consequences of that withdrawal.
- (4) Where P is to be notified that a notice of appeal has been filed, the person effecting notification must explain to P —
 - (a) who the appellant is;
 - (b) the issues raised by the appeal;
 - (c) what will happen if the appeal is dismissed or allowed; and
 - (d) the date on which the appeal is fixed for hearing.

- (5) Where P is to be notified that a notice of appeal has been withdrawn, the person effecting notification must explain to P —
 - (a) that the notice of appeal has been withdrawn; and
 - (b) the consequences of that withdrawal.
- (6) Where P is to be notified that an order which affects P has been made by the Court, the person effecting notification must explain to P the effect of the order.
- (7) in all cases of notification, the person effecting notification must provide P with the information required under Order 99, rule 6 of the Rules of Court and this Part of these Practice Directions in a way that is appropriate to P's circumstances (for example, using simple language, visual aids or any other appropriate means).
- (8) The person effecting notification must also inform P that he may seek legal advice and assistance in relation to any matter of which he is notified.
- (9) The certificate of notification filed under Order 99, rule 6(5) of the Rules of Court shall be in Form 35E in Appendix B to these Practice Directions.
- (10) **Dispensing with notification**
 - (a) Under the Mental Capacity Act, notification of P shall be the norm rather than the exception. However, in certain appropriate circumstances, the person required to notify P may apply to Court for an order to dispense with the requirement to notify P. Such an application would be appropriate where, for example, P is in a permanent vegetative state or a minimally conscious state, or where notification is likely to cause significant and disproportionate distress to P. The reasons for seeking dispensation of notification shall be stated in the supporting affidavit of the plaintiff or applicant.
 - (b) The Court may, on its own motion, dispense with the notification of P.

113J. Responding to an application

- (1) If a relevant person served with an application wishes to object to the application or any part of it, he must apply to the Court to be joined as a party to the proceedings within 21 days after the date on which he was served with the application. The application to be joined as a party to the proceedings shall be in Form 36 in Appendix B to these Practice Directions and be supported by an affidavit stating his interest in the application and the grounds of his objection.
- (2) If a relevant person served with an application consents to the application, his written consent must be attested by a solicitor, a Commissioner for Oaths, a notary public or any person for the time being authorised by law in the place where the document is executed to administer oaths and must be in Form 35C in Appendix B to these Practice Directions. The written consent should be filed within 21 days after the date on which he was served with the application by him or by the plaintiff or applicant.
- (3) Where a person who was not served with any application (whether listed as a relevant person or otherwise in the supporting affidavit of the plaintiff or applicant) wishes to be heard in the proceedings, he must apply to be joined as a party to the proceedings in Form 36 in Appendix B to these Practice Directions.

(3) Requests for the Bailiff's ad hoc attendance

(a) If any person requires the Bailiff to attend at any place in connection with any order of court or writ of execution or writ of distress whether during or after office hours for any purpose, that person must file a Request in the appropriate electronic form through the Electronic Filing Service. A Request for attendance made in any other manner will not be acceded to.

(b) The fees payable in respect of any such attendance by the Bailiff shall be as prescribed in the Rules of Court or as determined by the Registrar.

(4) Effecting entry into premises

Where the execution creditor requests the Bailiff to exercise his powers of entry into the premises of the execution debtor, the following conditions shall apply:

(a) save in special circumstances, entry shall only be effected on the second or subsequent appointment or attempt;

(b) the Bailiff may, in any case, refuse to effect the entry without assigning any reason; and

(c) the execution creditor shall at his expense, upon the direction of the Bailiff, engage any security personnel, locksmith or any other person or facility as the

Bailiff deems appropriate to assist in effecting entry into the premises and the execution process.

(5) **Valuation Report**

The execution creditor or his solicitors shall, at the Bailiff's request, furnish a written valuation report of the item(s) that is/are the subject matter of the seizure.

(6) **Auctions**

(a) **Scheduled auctions**

If a scheduled auction is not proceeded with, or is abandoned due to the absence of the execution creditor or his authorised representative, the Bailiff may at his discretion release any or all of the items seized.

(b) **Sale by auctioneer**

Where the value of the property seized is estimated by the Bailiff to not exceed \$2,000, the auction shall be carried out by an authorised auctioneer engaged by the execution creditor, and all costs and expenses incurred in connection with the auction shall be borne by the execution creditor and may be added to the judgment debt.

126. Directions for Engaging Authorised Bailiffs under Section 15A State Courts Act (Cap. 321)

- (1) Judgment creditors may engage, for the purpose of executing a writ of seizure and sale for movable property or a writ of distress, any person from the Panel of Authorised Bailiffs maintained by the Registrar (see <https://app.statecourts.gov.sg/civil/page.aspx?pageid=25923>). They are liable to the Authorised Bailiff they engage for any costs arising from such appointment.
- (2) In each case, a request in the form of a Letter of Authority to Act as Authorised Bailiff, is to be made to the Registrar by either the judgment creditors or Authorised Bailiff through the Electronic Filing Service (EFS), using the template provided for in Form 43 of Appendix B. Appointments by the Registrar will be made on a case-by-case basis.
- (3) The Letter of Authority to Act as Authorised Bailiff may be filed:
 - (a) together with the writ of seizure and sale or writ of distress; or
 - (b) after the issue of a writ of seizure and sale or writ of distress, but before the expiry of the said writ.
- (4) Judgment creditors intending to engage an Authorised Bailiff must provide the following to the Authorised Bailiff:
 - (a) An indemnity from the judgment creditors to indemnify the Authorised Bailiff on terms specified by the Registrar.
 - (b) An undertaking from the solicitors for the judgment creditors that:
 - (i) as and when required by the Authorised Bailiff, sufficient funds will be provided to meet the charges and expenses that may be incurred in consequence of the request to conduct the execution; and
 - (ii) if such undertaking is not fulfilled within a reasonable time, the Authorised Bailiff may take such steps as may be necessary to enforce the undertaking against the solicitors concerned.
 - (c) A deposit of \$300, or such other sum as may be fixed from time to time by the Registrar, to enable the Authorised Bailiff to discharge his duties effectively.
- (5) The appointment of the Authorised Bailiff will terminate upon discharge by the Registrar.

- (6) Solicitors for the judgment creditors must ensure that their clients send a representative to accompany and instruct the Authorised Bailiff at the execution premises. The creditors' representative must decide whether the execution is to be proceeded with, and to point out to the Authorised Bailiff the items to be seized.
- (7) The Authorised Bailiff may, at his discretion and without assigning any reason thereto:
 - (a) take all necessary measures to preserve the movable property seized and/or to ensure the personal safety of all persons involved in the execution;
 - (b) where the only occupier of the execution premises at the material time is:
 - (i) a young child and/or elderly person incapable of understanding the execution proceedings, postpone the seizure or sale; or
 - (ii) a woman (e.g. housewife or domestic maid), insist that the judgment creditors provide a female representative to be at the execution premises before proceeding with the execution; and
 - (c) take all necessary measures to ensure that all execution costs and expenses incurred be paid first out of any proceeds of sale.

127. Examination of Judgment Debtor

- (1) A questionnaire in the recommended format as set out in Form 44 or 45 of Appendix B (whichever is appropriate) shall be annexed to the Order for Examination of Judgment Debtor when the said Order is served on the Judgment Debtor. Solicitors may modify the questions according to the circumstances of each case.
- (2) If the Judgment Debtor or his solicitor is of the view that any question is unreasonable, he is to contact the solicitor for the Judgment Creditor to ascertain whether the issue can be resolved prior to the hearing.
- (3) At the hearing, the answered questionnaire is to be produced to the Deputy Registrar and received as evidence upon the Judgment Debtor's confirmation on oath that his answers provided are true and correct. Counsel for the Judgment Creditor may then apply to discharge the Judgment Debtor or proceed with further questioning.
- (4) The Judgment Debtor need not attend at the examination hearing if:
 - (a) he is able to provide his answers to the questionnaire by way of an affidavit or statutory declaration; and
 - (b) the counsel for the Judgment Creditor agrees to discharge the Order for Examination at the examination hearing.

127A. Committal proceedings

An applicant seeking to lift a suspension order under Order 52 Rule 6(3) of the Rules of Court to enforce committal orders must prepare his or her own Warrant in accordance with Form 110 in Appendix A of the Rules of Court and bring the same to the hearing.

128. Basis of taxation

Every bill of costs to be taxed pursuant to a judgment or order of court must be filed together with a copy of the judgment or order of court. Where an order for taxation is not required under the Rules of Court, the bill of costs shall describe succinctly in its heading the basis of taxation. A bill of costs for taxation between a solicitor and his client pursuant to section 120(3) of the Legal Profession Act (Cap 161) must be filed together with a copy of the document signifying the consent of the parties to taxation.

129. Form of bills of costs

The attention of solicitors is drawn to Rules 24 and 31 and Appendix 1 of Order 59 of the Rules of Court. In addition, solicitors are to abide by the following requirements in relation to the form of bills of costs.

(1) Margins

A blank margin of not less than 10 mm wide must be provided on all four sides for each page of the bill of costs.

(2) Pagination

Every page of a bill of costs must be paginated consecutively at the centre of the top of the page. The attention of solicitors is drawn to Paragraph 66 of these Practice Directions in regard to pagination of documents filed using the electronic filing service.

(3) Format

(a) Party-and-party bills

- (i) A bill of costs drawn up for taxation between one party to proceedings and another should be divided into three separate sections as required by Order 59, Rule 24 of the Rules of Court.
- (ii) Form 46 in Appendix B to these Practice Directions should be used for contentious business in respect of work done for a trial or in contemplation of a trial.
- (iii) Form 47 in Appendix B to these Practice Directions should be used for contentious business in respect of, or in contemplation of, work done other than for a trial (such as work done for an appeal or for a specific interlocutory application).

(b) Solicitor-and-own-client bills

- (i) A bill of costs drawn up for taxation (pursuant to any written law) between a solicitor and his own client should be drawn up in the same manner described in sub-sub paragraph (a) above save as follows:

- (A) A solicitor will be deemed to have indicated that all items included in the bill are in relation to work done or disbursements incurred with the approval of the client.
 - (B) Any agreement, whether oral or in writing, between the solicitor and his own client relating to the amount of costs payable either as a global sum or in respect of particular items included in the bill should be indicated on the bill.
 - (C) Any agreement between the solicitor and his own client as to the rate to be used to compute the solicitor's costs should also be indicated in the bill.
- (ii) Form 48 in Appendix B to these Practice Directions should be used for non-contentious business.

(c) **Specimen bills**

Specimen bills illustrating the use of Forms 46, 47 and 48 in Appendix B to these Practice Directions are included in Appendix H for the guidance of solicitors.

(d) **Bills of costs required to be taxed under section 18(3) of the Motor Vehicles (Third Party Risks and Compensation) Act (Cap. 189)**

- (i) Whenever a solicitor-and-own-client bill is required to be taxed by virtue of the above-captioned Act, a bill should be drawn up for taxation between the solicitor and his own client *and* another bill drawn up for taxation between the client and the other party to the proceedings in which the solicitor acted for the client. A waiver of the filing fees for the solicitor-and-own-client bill may be requested for when this bill is filed.
- (ii) The party-and-party bill should be filed first and the solicitor-and-own-client should reference the first bill.
- (iii) The party-and-party bill and the solicitor-and-own-client bill can be drawn up as described in sub-paragraphs (3)(a) and (3)(b) above with the modification set out in sub-paragraph (3)(d)(iv) below.
- (iv) It is not necessary to repeat serially in the solicitor-and-own-client bill the items which have been serially set out in the party-and-party bill. It is sufficient, ordinarily, to incorporate all such items by reference and proceed to set out in detail any additional items, i.e., items not already

set out in the party-and-party bill. However, if a sum claimed for an item of disbursement in the solicitor-and-own-client bill is different from the corresponding sum claimed in the party-and-party bill, it will be necessary to set out serially again in the solicitor-and-own-client bill all the items of disbursement already set out in the party-and-party bill (including, where appropriate, the different sum or sums claimed) as well as additional items of disbursement not so set out. In addition, the global sums claimed for sections 1 and 2 of the solicitor-and-own-client bill should be indicated at the end of the respective sections whether or not they are the same sums as those claimed for sections 1 and 2 of the party-and-party bill.

(4) Particulars

- (a) Sufficient particulars must be included in the bill of costs so as to enable the Registrar to exercise his discretion under paragraph 1(2) in Appendix 1 to Order 59 of the Rules of Court.
- (b) Without prejudice to sub-paragraph (3), the Registrar may, at the taxation hearing, order the claiming or receiving party to furnish full details in support of the sums claimed under the bill.
- (c) Each bill of costs submitted to the Court through the Electronic Filing Service must —
 - (i) be in Portable Document Format (PDF);
 - (ii) comply with these Practice Directions; and
 - (iii) be accompanied by a bill of costs composed online through the Electronic Filing Service.
- (d) The information required by the Electronic Filing Service to compose the bill of costs summary includes the costs claimed under Sections 1, 2 and 3 of the bill of costs.

(5) Goods and Services Tax

A party claiming goods and services tax (hereinafter referred to as “GST”) in a bill of costs must comply with the directions set out in this sub-paragraph. A party who fails to comply with the directions set out in this sub-paragraph will be presumed not to be claiming GST in the bill concerned.

(a) **GST registration number**

- (i) The GST registration number allocated by the Comptroller of Goods and Services Tax to the solicitors for the receiving party or parties should appear at the top left hand corner of the first page of the bill of costs.
- (ii) The GST registration numbers, if any, allocated to the receiving parties or to any one or more of them, as the case may be, must also appear at the top left hand corner of the first page of the bill of cost.
- (iii) The GST registration numbers should be indicated as follows: “GST Reg. No. (*solicitors for plaintiff/solicitors for 1st defendant/2nd defendant/(or as the case may be)*): xxxxx.”
- (iv) Where no GST registration number has been allocated to a receiving party, a statement to this effect should be included after the GST registration numbers of the solicitors for the receiving parties, or the receiving parties, as the case may be, in the following manner: “*Solicitors for plaintiff/solicitors for 1st defendant/2nd defendant/(or as the case may be)*: no GST Reg. No.”

(b) **Input tax allowable**

The proportion of input tax for which the receiving parties, or one or more of them, are not entitled to credit should be stated, as a percentage, in parentheses after the GST registration number of the party or parties concerned. For a person who is not liable to be registered within the meaning of the First Schedule to the Goods and Services Tax Act (Cap. 117A), this proportion should be 100%.

(c) **Apportionment**

- (i) The first section of the bill of costs should set out the work done in the cause or matter except for taxation of costs. The amount of costs claimed for work done should be divided into as many parts corresponding with the different rates of GST applicable pursuant to section 16 of the Goods and Services Tax Act, its predecessor and any subsequent amendments thereto. Each part should state the global sum of costs claimed and the applicable GST rate for the relevant period.
- (ii) The second section which sets out the work done for and in the taxation of costs should describe the work done, the sum of costs claimed and the applicable GST rate.

- (iii) The third section, which sets out the disbursements made in the cause or matter, should first set out the disbursements on which no GST is chargeable by the solicitors for the receiving party or the receiving party as the case may be. For the disbursements on which GST is chargeable, it shall be divided into as many parts corresponding with the number of different rates of GST applicable pursuant to section 16 of the Goods and Services Tax Act, its predecessor and any subsequent amendments thereto. Each part should set out the disbursements on which GST is chargeable by the solicitors for the receiving party or the receiving party, as the case may be and the applicable GST rate. For example, for a matter which commenced in 1998 and concluded with a judgment in March 2003, with regard to disbursements on which GST is chargeable, the first part will set out the disbursements incurred on or before 1 January 2003 and the amount claimed for GST at the rate of 3%, while the second part will set out the disbursements incurred on or after 1 January 2003 and the amount claimed for GST at the rate of 4%. If a claim is made for disbursements incurred on or after 1 January 2004, the second part will set out the disbursements incurred on or after 1 January 2003 and before 1 January 2004, the amount claimed for GST at the rate of 4%, followed by a third part which shall set out the disbursements incurred on or after 1 January 2004 and the amount claimed for GST at the rate of 5% (or the applicable rate pursuant to section 16 of the Goods and Services Tax Act).

(d) **Summaries of the GST claimed for work done**

The following information as is applicable should be included at the end of the first and of the second sections:

- (i) the global sum of costs claimed for work done during each period for which a different rate of GST applies or no GST applies;
- (ii) the proportion, as a percentage, of input tax for which the receiving parties, or one or more of them, are not entitled to credit;
- (iii) a quantification of the input tax on the costs claimed in the section concerned for which the receiving parties, or one or more of them, are not entitled to credit; and
- (iv) quantifications of the GST claimed at the applicable rate on the costs claimed in the section concerned.

(e) **Summary of the GST claimed for disbursements**

The following information as is applicable should be included at the end of the third section:

- (i) a summation of the disbursements on which no GST is chargeable by the solicitors for the receiving party or the receiving party, as the case may be;
- (ii) a summation of the disbursements on which GST is chargeable by the solicitors for the receiving party or the receiving party, as the case may be;
- (iii) the proportion, as a percentage, of input tax for which the receiving parties, or one or more of them, are not entitled to credit;
- (iv) a quantification of the input tax on the disbursements on which GST is chargeable by the solicitors for the receiving party for which the receiving parties, or one or more of them, are not entitled to credit; and
- (v) quantifications of the GST claimed at the applicable rates on the disbursements.

(f) **Registrar's certificate**

The total amount of GST allowed on a bill of costs will be indicated as a separate item in the Registrar's certificate. Solicitors are responsible for ensuring that the GST figures accurately reflect the sums allowed by the Registrar.

130. Registrar's Certificate

- (1) There is no necessity for solicitors to collect the taxed bill of costs from the Registry to prepare the Registrar's Certificate.
- (2) As the Registrar's Certificate of costs under Order 59 Rule 32 of the Rules of Court will be composed online based on the summary in the bill of costs, solicitors should ensure that the information contained in the summary in the bill of costs accurately reflects the information contained in the bill of costs submitted.
- (3) Solicitors should also ensure that the amounts claimed for goods and services tax (GST) in the Registrar's Certificate are correct.
- (4) The procedure for the preparation of draft orders set out in these Practice Directions shall, with the necessary modifications, apply to the preparation of the Registrar's Certificate.
- (5) For the avoidance of doubt —
 - (a) the Registrar's Certificate shall be filed as a Portable Document Format (PDF) document for bills of costs filed before 30 September 2013; and
 - (b) for all other cases, the Registrar's Certificate shall be composed online through the Electronic Filing Service.

131. Objections

- (1) In any disputed taxation involving party-and-party bills of costs, solicitors presenting the bill for taxation shall observe the following procedure:
 - (a) the respective solicitors shall confer prior to the date appointed for taxation with a view to resolving, limiting or clarifying the items in dispute; and
 - (b) any objections in principle or as to quantum of the items claimed in a bill of costs must be indicated by the filing and service of a Notice of Dispute in Form 49 in Appendix B to these Practice Directions at least 7 days before the date fixed by the Registrar for the taxation of the bill of costs.
- (2) The Registrar may, in his discretion, make any appropriate orders as to costs if any of the above directions have not been complied with.
- (3) The Notice of Dispute shall be filed through the Electronic Filing Service in Portable Document Format (PDF) and be accompanied by a Notice of Dispute summary, the electronic form of which will be composed online through the Electronic Filing Service.
- (4) The information required by the Electronic Filing Service to compose the Notice of Dispute summary includes the amounts of costs to be awarded under Sections 1, 2 and 3 of the bill of costs according to the respondent.

132. Amount allowed as disbursement on account of use of electronic transmission

- (1) If a document is filed using the Electronic Filing Service, \$0.40 for each page of the document thus filed shall be allowed as costs between parties to proceedings. Such costs may be claimed by a receiving party from the paying party where the receiving party is entitled to costs for the filing of the document. These costs shall be allowed in addition to all other disbursements and Court fees.
- (2) This Paragraph shall apply to the taxation of costs as well as cases where the Court fixes a gross sum in lieu of taxation.
- (3) This Paragraph shall not apply to any document filed through the service bureau.

133. Taxations involving the Public Trustee or the Director of Legal Aid

- (1) The directions contained in this Paragraph shall be complied with in respect of all taxations in which the Public Trustee or the Director of Legal Aid is involved.
- (2) Subject to sub-paragraph (4) below, for all taxations in which the Public Trustee or the Director of Legal Aid is involved —
 - (a) the receiving party must, prior to the filing of the bill of costs in Court through the Electronic Filing Service, send the bill of costs to be filed to the Public Trustee or the Director of Legal Aid, as the case may be;
 - (b) the Public Trustee or the Director of Legal Aid should then inform the receiving party whether he/she agrees or disagrees with the amounts claimed in the bill of costs;
 - (c) when filing the bill of costs in Court through the Electronic Filing Service, the receiving party must state whether the Public Trustee or the Director of Legal Aid agrees or disagrees with the amounts claimed in the bill of costs; and
 - (d) the bill of costs should also be served on the Public Trustee or the Director of Legal Aid, as the case may be, on the same day that the bill of costs is filed.
- (3) If the Public Trustee or the Director of Legal Aid (as the case may be), agrees with the amounts claimed in the bill of costs, then —
 - (a) for solicitor-and-client costs required to be taxed pursuant to the provisions of the Motor Vehicles (Third-Party Risks and Compensation) Act (Cap. 189) —
 - (i) where no party-and-party bill of costs has been filed; or
 - (ii) where the solicitor-and-client costs are not referenced to a party-and-party bill filed earlier,

the receiving party and the Public Trustee need not attend at the taxation and the bill will be taxed in their absence, except that if the taxing Registrar disagrees with the quantum of costs agreed on, he may nonetheless direct the attendance of the Public Trustee at a later date;
 - (b) for solicitor-and-client bills filed pursuant to the Legal Aid and Advice Act (Cap. 160) where the Director of Legal Aid is the respondent, the receiving party and the Director of Legal Aid need not attend at the taxation and the bill

will be taxed in their absence, except that if the taxing Registrar disagrees with the quantum of costs agreed on, he may nonetheless direct the attendance of the Director of Legal Aid at a later date.

- (4) If solicitor-and-client costs are required to be taxed pursuant to the provisions of the Motor Vehicles (Third-Party Risks and Compensation) Act and the bill of costs claiming the same is referenced to an earlier party-and-party bill filed pursuant to Paragraph 129(3)(d) of these Practice Directions, the Public Trustee need not attend the taxation of the bill and the party-and-party and solicitor-and-client costs will be taxed in the absence of the Public Trustee. However, the Public Trustee may attend at the taxation if he so wishes, and shall attend if an express direction is made by the taxing Registrar that he should attend in relation to a particular bill of costs.

134. Attendance of solicitors in Court

- (1) Save in the most exceptional and unforeseen circumstances, and so long as the firm of solicitors remains on record, a member of the firm must attend all proceedings in respect of the cause or matter in which the firm is acting, even if it does not intend to oppose the orders sought by the other side. The practice of asking the opposing solicitor to mention the matter on one's behalf is also not acceptable and should be discouraged.
- (2) All solicitors appearing in any cause or matter are to be punctual in attending Court as delay in commencement of hearing leads to wastage of judicial time. Appropriate sanctions may be imposed for late attendances.

134A. Attendance at hearings in Chambers

- (1) For the avoidance of doubt, the general rule is that hearings in chambers in civil proceedings are private in nature, and that members of the public are not entitled to attend such hearings.
- (2) Notwithstanding paragraph (1) above, subject to any written law, the Court may, in its discretion, permit interested persons, such as instructing solicitors, foreign legal counsel and parties to the matter, to attend hearings in chambers. In exercising its discretion, the Court may consider a broad range of factors including —
 - (a) the interest that the person seeking permission has in the matter before the Court;
 - (b) the interests of the litigants;
 - (c) the reasons for which such permission is sought; and
 - (d) the Court's interest in preserving and upholding its authority and dignity.
- (3) In granting interested persons the permission to attend hearings in chambers, the Court may, in its discretion, impose the necessary conditions to be complied with.

135. Absence from Court on medical grounds

(1) If —

- (a) any party to proceedings;
- (b) any witness;
- (c) any counsel; or
- (d) a Deputy Public Prosecutor or other officer or person appointed by the Attorney-General to assist him or to act as his deputy in the performance of any of the functions or duties of the Public Prosecutor under the Criminal Procedure Code (Cap. 68) or under any other written law,

is required to attend Court and wishes to excuse himself from Court on medical grounds, he must tender or cause to be tendered to the Court an original medical certificate. The medical certificate so tendered must be in the form and contain the information and particulars required by sub-paragraphs (2) to (5).

(2) A medical certificate issued by a Government hospital or clinic may be in the pre-printed form produced by the Ministry of Health, a sample of which appears at Form 52 of Appendix B. A medical certificate issued by a restructured hospital or specialist centre may also be in a pre-printed form similar to the sample which appears at Form 52 of Appendix B. The pre-printed medical certificate must:

- (a) be completely and properly filled in;
- (b) contain the name of the medical practitioner who issued the medical certificate;
- (c) state the name of the hospital or clinic in which the medical practitioner practices;
- (d) indicate that the person to whom the certificate is issued is unfit to attend Court, and specify the date(s) on which he is unfit to attend Court;
- (e) be signed in full by the medical practitioner and must not be merely initialled; and
- (f) be authenticated by a rubber stamp showing the medical practitioner's full name and his designation in the hospital or clinic, as the case may be.

- (3) If a medical certificate is not in Form 52 of Appendix B, then the medical certificate should:
- (a) be addressed to the Court for which the certificate was intended. It must not merely be addressed to “whomsoever-it-may-concern”. Where the patient is unable to furnish the name of the judicial officer concerned, the relevant medical certificate may be addressed to “The District Judge/Magistrate, State Courts” or “The Registrar, Small Claims Tribunals”, as the case may be;
 - (b) identify clearly the name of the medical practitioner who issued the certificate;
 - (c) state the name of the hospital or clinic from which it had been issued;
 - (d) be signed in full by the medical practitioner and not merely initialled;
 - (e) be authenticated by a rubber stamp showing the medical practitioner’s full name, designation and any other relevant particulars;
 - (f) contain the diagnosis of the patient concerned, if any (unless the diagnosis cannot or should not normally be disclosed);
 - (g) contain a statement to the effect that the person to whom the certificate had been issued is medically unfit to attend Court, and specify the date(s) on which the person is unfit to attend Court; and
 - (h) bear the date on which it was written, and where this differs from the date of consultation this must be clearly disclosed.
- (4) If any portion of the information set out in sub-paragraph (3) is not found in the medical certificate proper, such information should be included in a memorandum attached to the medical certificate. This memorandum must similarly:
- (a) identify clearly the name of the medical practitioner who issued the memorandum;
 - (b) contain the name of the hospital or clinic from which it was issued;
 - (c) be signed in full by the medical practitioner and not merely initialled; and
 - (d) be authenticated by a rubber stamp showing the medical practitioner’s full name and designation.
- (5) All information and details in any medical certificate or any memorandum must be clearly and legibly printed.

- (6) If the Directions set out in sub-paragraphs (2) to (5) are not complied with, the Court may reject the medical certificate and decline to excuse the absence from Court of the person to whom the medical certificate was issued. The Court may then take any action it deems appropriate.
- (7) This Paragraph shall apply to both civil and criminal proceedings in the State Courts, whether in open Court or in chambers (including proceedings in the Family Court and the Small Claims Tribunals).

136. Precedence and preaudience of Senior Counsel

- (1) By virtue of section 31 of the Legal Profession Act (Cap. 161) and existing custom and usage, Senior Counsel are given precedence and the right of preaudience.
- (2) In order to give substance to the principle of precedence and preaudience to Senior Counsel, Senior Counsel who intend to appear before Judges or Registrars for summonses hearings should inform the Registrar in writing not later than two clear days before the scheduled hearing date. Matters involving Senior Counsel will thereafter be listed first, in the order of their precedence. If Senior Counsel do not appear at the time their matters come on for hearing according to the list, they will have to wait for their turn in accordance with their queue numbers given by the Queue Management System in the State Courts, subject to the Judge's or Registrar's overriding discretion.
- (3) All other counsel, including those who appear on behalf of Senior Counsel, will continue to be heard in the order of their queue numbers in accordance with the current practice in the State Courts, subject to the Judge's or Registrar's overriding discretion.

137. Submissions and examination by leading and assisting counsel

- (1) In the event that a party is represented by more than one counsel at a hearing, whether in open Court or in chambers, the making of submissions and the questioning of witnesses may be carried out by one counsel for each party only.
- (2) If counsel have divided up their work such that it is necessary or desirable that submissions on different issues be made or certain portions of the examination, cross-examination or re-examination be conducted by different counsel, an application should be made to Court at the commencement of the trial or hearing for leave to do so. The following information should be provided to the Court for the purposes of the application:
 - (a) the issues on which each counsel will be making submissions; and/or
 - (b) the witnesses to be examined, cross-examined or re-examined by each counsel, or the portions of their evidence for which each counsel will conduct the examination, cross-examination or re-examination.
- (3) If leave has been granted in accordance with sub-paragraph (2), counsel should ensure that each confines himself to the issues or portions of evidence in respect of which leave was granted and that there is no overlap in the issues or the examination being dealt with by different counsel for the same party. Further, counsel must not repeat, clarify or expand on any submissions or portions thereof that have been made by another counsel for the same party or examine, cross-examine or re-examine witnesses on portions of their evidence dealt with by another counsel for the same party.
- (4) If leave of the Court is not sought in accordance with sub-paragraph (2), only one counsel will be allowed to make submissions or conduct examination for a party throughout the hearing.
- (5) This Paragraph shall apply to both civil and criminal proceedings.

138. Court dress

- (1) The attire for male advocates and solicitors appearing in open Court will be an ordinary long-sleeved white shirt with a turn-down collar, a tie of a subdued or sober colour, a dark jacket, dark trousers and black or plain coloured shoes.
- (2) The attire for female advocates and solicitors appearing in open Court will be a long-sleeved white blouse high to the neck, a dark jacket, a dark skirt or dark trousers and black or plain coloured shoes. Conspicuous jewellery or ornaments should not be worn.
- (3) When appearing before the Judge or Registrar in chambers, the attire for both men and women will be the same as for open Court.

138A. Use of electronic and other devices

- (1) In order to maintain the dignity of Court proceedings in the State Courts, court users are strictly prohibited from making any video and/or image recording in all hearings and sessions in open Court or in chambers.
- (2) Additionally, all communications with external parties and audio recording during a hearing or session are strictly prohibited without prior approval of the Judge or Registrar hearing the matter or the person presiding over the session.
- (3) Court users are permitted to use notebooks, tablets and other electronic devices to take notes of evidence and for other purposes pertaining to the proceedings during hearings or sessions, provided that such use does not in any way disrupt or trivialise the proceedings.
- (4) This Paragraph shall apply to civil, criminal, family and juvenile proceedings in the State Courts (including proceedings in the Small Claims Tribunals).
- (5) For the avoidance of doubt, this Paragraph shall also apply to all alternative dispute resolution and counselling sessions conducted in the State Courts.
- (6) The attention of court users is also drawn to Order 38A, Rule 4 of the Rules of Court which states:

Prohibition on unauthorised audio recording (O. 38A, r. 4)

What are my ADR options?

The Primary Dispute Resolution Centre (PDRC) of the State Courts provides ADR services such as **mediation** and **neutral evaluation**. Mediation services are also provided by the Singapore Mediation Centre. The Law Society of Singapore provides **arbitration** as an ADR service.

Mediation is a process in which a mediator (i.e. a neutral third party) helps you and the other party negotiate for a settlement of your dispute. The mediator does not focus on who is at fault for the dispute. Instead, he will help you and the other side discuss and reach a solution that will meet both of your concerns.

Neutral Evaluation (NE) involves an early assessment of the merits of the case by a judge in the PDRC, State Courts. Parties' lawyers will present the case to the judge, who will review the evidence and provide an evaluation based on the merits of the case. The evaluation can be binding or non-binding, depending on what the parties want.

More information on mediation and neutral evaluation may be found at <http://www.statecourts.gov.sg> under "Quick links – Court Dispute Resolution".

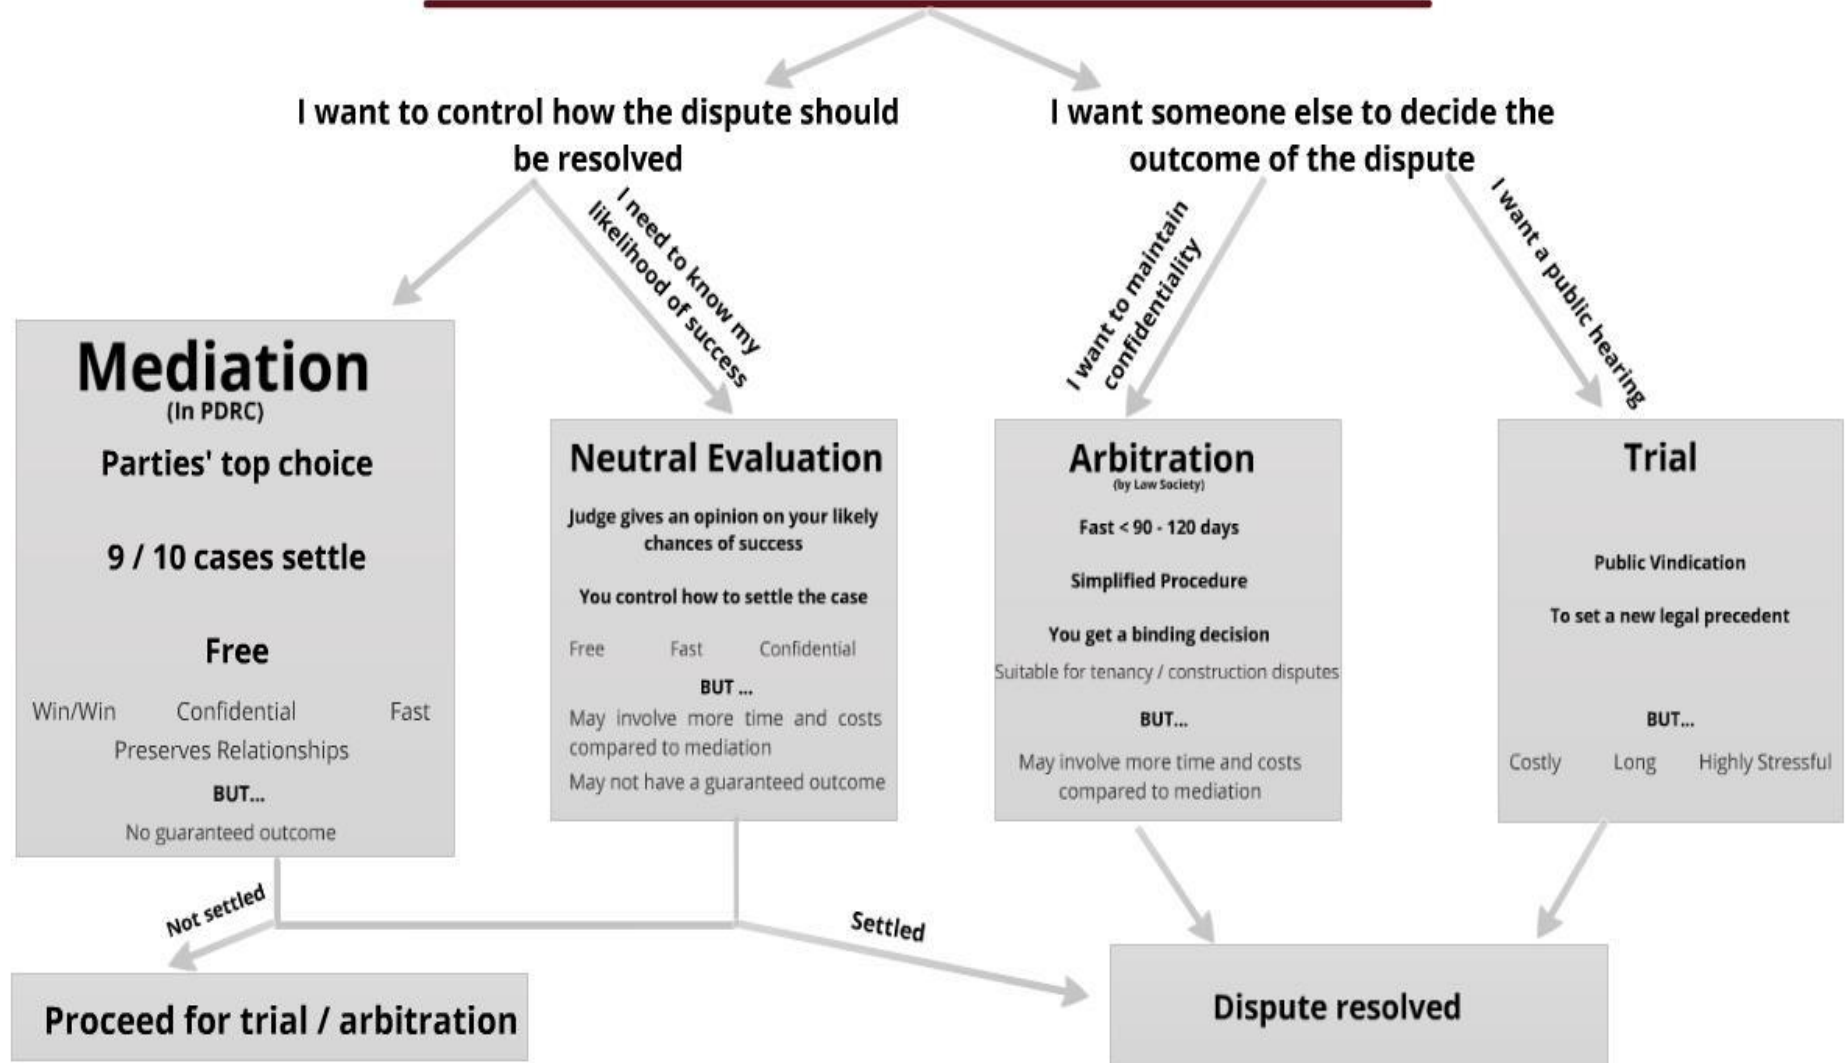

In **arbitration**, there will be a determination of who is at fault. However, the decision is made by a private individual, the arbitrator, instead of a judge. The Law Society Arbitration Scheme (LSAS) is provided by the Law Society of Singapore for parties to resolve their dispute through arbitration in a speedy and cost-effective way. More information concerning fees and details of the scheme can be found at <http://www.lawsociety.org.sg/lzas>.

Which ADR option should I choose?

You should choose the ADR option that best addresses your needs. Most litigants are concerned about issues such as legal costs, duration of the litigation process, confidentiality and whether they have control over the outcome of the case. Some other concerns may include the desire to preserve the relationship with the other party, discomfort over the formal proceedings and a need to be vindicated. Generally, mediation is an ADR option that addresses most of these concerns.

However, you may consider other ADR options if you have unique considerations. To help you decide the best ADR option for you, we have provided a diagram on page (iii) highlighting the features of each option. Your solicitor will also be able to advise you on the pros and cons of each ADR option.

SAMPLE OPENING STATEMENT FOR MEDIATION

IN THE STATE COURTS OF THE REPUBLIC OF SINGAPORE

[CASE NUMBER]

OPENING STATEMENT FOR PLAINTIFF (MEDIATION)

1. Parties attending the mediation session on 7 May 2012

- (a) The Plaintiff, Ms Sharon Lee
- (b) Ms Chloe See, a key witness

2. Brief summary of facts

The Plaintiff enrolled for a business course in the Defendant school on 10 December 2011. The course brochure stated that the course would be taught by a highly qualified lecturer from a renowned business school and would include lectures by prominent guest speakers from the business field. After attending 6 weeks of the course since 3 January 2012, the Plaintiff found the lecturer unimpressive and did not have the requisite qualifications. In addition, she saw in the course schedule that there were to be no guest lecturers. Her request for a refund from the Defendant on 14 February was declined. The Plaintiff commenced this present suit seeking a refund of her course fees of \$8,000. The Defendant lodged a counterclaim in defamation for the Plaintiff's postings on her blog referring to the Defendant as a "scam operation".

3. Claim and Defence to Counterclaim

The Plaintiff's claim lies in misrepresentation. She was induced by statements in the course brochure and statements made by the Defendant's Principal on 10 December to enrol for the course. Both statements concerning the credentials of the lecturer and the inclusion of guest lecturers in the course were untrue. The Plaintiff seeks rescission of the contract and refund of the entire course fees. In the alternative, the Plaintiff claims that there were breaches of contract entitling her to damages.

With regard to the Defendant's counterclaim, the Plaintiff has pleaded the defence of justification. The Plaintiff has sufficient evidence to show that there have been many instances of the Defendant's dishonest dealings with other students.

4. Evidence supporting claim

A. Essential documents

The following *essential* documents are currently being relied on to support our claim (without prejudice to modification after discovery):

- (a) Course brochure

This brochure was given to the Plaintiff by the Defendant's Principal. It contained the alleged statements inducing the Plaintiff to enrol for the course. A copy of the brochure is appended to this statement as "Annex A".

B. Essential witnesses

We currently intend to rely on the following *essential* witnesses if the case goes to court (without prejudice to modification after extracting order of court containing court's directions for exchange of affidavits of evidence-in-chief):

- (a) Ms Chloe See

Ms See was with the Plaintiff when she enrolled for the course at the Defendant school. She heard the statements made by the principal concerning the promises made in the course brochure.

- (b) Ms Denise Bo

Ms Bo enrolled for a similar course with the Defendant school and was similarly disappointed by the Defendant's misrepresentation.

5. Negotiation history

The parties have been engaging in discussions to attempt to settle the dispute privately. The parties have made the following offers on a "without prejudice" basis:

- (a) The Defendant suggested on 2 April 2012 that the parties settle on a "drop hands" basis. The Plaintiff declined as she thinks that the Counterclaim has no merit.
- (b) The Plaintiff made a counter-proposal on 4 April 2012 that the Defendant gave a \$5,000 refund. This was declined by the Defendant without any reasons.

Confidential and Without Prejudice

6. Other relevant information for settlement

The Plaintiff and the Defendant's Principal were involved in a previous suit (MC00/2011). This was a claim by the Defendant's Principal against the Plaintiff for defamation concerning a separate incident. The matter was settled in 2011.

SAMPLE OPENING STATEMENT FOR NEUTRAL EVALUATION

IN THE STATE COURTS OF THE REPUBLIC OF SINGAPORE

[CASE NUMBER]

OPENING STATEMENT FOR PLAINTIFF (NEUTRAL EVALUATION)

1. Parties attending the Neutral Evaluation on 7 May 2012

Where party is a corporate entity,

(a) Mr See Chin Chong, director of Plaintiff company Z Renovation Pte Ltd

Ms See is authorised by the Defendant to settle the dispute.

(b) Mr Ho Xin Xin, designer of Plaintiff company Z Renovation Pte Ltd

Mr Ho was directly involved in the renovation of the Defendant's premises.

2. Brief summary of facts

The Defendant Mr Koh Xin Bok engaged the Plaintiff company to carry out renovation works of their property at 20 XX Street, Singapore on 3 January 2012. In a written agreement signed by the parties, the required works were specified in detail and it was stated that \$70,000 to be paid to the Plaintiff in 4 payments. By 2 March 2012, the Defendant had paid a total sum of \$40,000. The last payment of \$30,000 was due on 3 April 2012.

On 15 March, the Plaintiff contacted Mr Ho, alleging that there were defects that had to be repaired before he would make payment. Mr Ho arranged to rectify the alleged defects on 16 March. However, by 21 March, the Defendant told Mr Ho that the rectification was not done satisfactorily. On 22 March, Mr Ho and the Plaintiff's workers were unable to enter the premises as the Defendant had changed the lock. In a heated conversation, the Defendant told Mr Ho that he was terminating the renovation works and would not pay the balance due. The Plaintiff commenced this suit on 2 April 2012 to claim for the sum of \$30,000 due under the contract. The Defendant has counterclaimed for the estimated cost of \$35,000 that is required to rectify the alleged defects.

3. Claim/Defence to Counterclaim

The Plaintiff claims that the Defendant had wrongfully terminated the renovation contract by preventing the Defendant from entering the premises to rectify the defects when they were willing and ready to do so. The specified works in the written agreement were completed by the Plaintiff according to the Defendant's instructions. The Plaintiff now claims for the balance sum due under the written contract, as well as loss of profits caused by the Defendant's wrongful termination.

The Defendant has hired a surveyor to list the alleged defects that were not rectified satisfactorily by the Plaintiff, and to provide the estimated cost of rectification. The Plaintiff avers that many of these items were not defects, and that the cost of rectification in any case would be lower than the Plaintiff's estimated sum of \$35,000.

4. Issues for Neutral Evaluation Evidence supporting claim

A. Legal issues in dispute

NOTE TO EXPERT WITNESS

If you have been approached to act as an expert witness in court proceedings or asked to prepare an expert's report for court proceedings, you should be aware of

- Your Duties to the Court as an Expert Witness; and
- The Mandatory Requirements in Expert Reports.

These requirements are prescribed in greater detail in Order 40A of the Rules of Court. Please check with the person instructing you if you require further clarification.

Note: Your evidence may be discredited or rejected by the Court if you do not comply with Order 40A of the Rules of Court.

Your Duties to the Court as an Expert Witness

1. It is the duty of the expert to familiarise himself with the general duties set out herein before accepting an appointment to provide an expert report or to give expert evidence.
2. It is the duty of the expert to assist the Court on matters within his expertise. This duty is paramount and overrides any obligation to the person from whom the expert has received instructions or by whom he is paid.
3. It is the duty of the expert to be independent and unbiased in the formation of his opinion. In this context, an expert will be independent if he would give the same opinion if given the same instructions by the opposing party.
4. In expressing his opinion, it is the duty of the expert to consider all relevant and material facts, including those which might detract from his opinion.
5. The expert should clearly state the literature or any other materials on which he has relied upon in forming his opinion and in the case when he is not able to reach a definite opinion, for example because he has

insufficient information, the extent to which such opinion may be provisional or qualified by further information or facts.

6. When the opinion is based upon experiments or joint inspections, the expert should clearly state the methodology, results and conclusions of these experiments and joint inspections and the extent to which such information has been relied upon for his opinion.
7. It is the duty of the expert to only confine his opinion to matters which are material to the dispute between the parties and to provide opinions in relation only to matters that lie within his own expertise. An expert should make it clear when a question or issue falls outside his expertise.
8. If after producing a report, an expert changes his view on any material matter, such a change of view should be communicated to all parties without delay, and when appropriate, to the Court.

Mandatory Requirements in Expert Reports

You must comply with the mandatory requirements of Order 40A, Rule 3, of the Rules of Court if you are preparing an expert's report for purposes of Court proceedings. To avoid inadvertent non-compliance with Order 40A, Rule 3, of the Rules of Court your report should follow the following format:

1. Please state your qualifications – Order 40A, Rule 3(2)(a), of the Rules of Court.
 - Relevant professional or academic qualifications;
 - Specific training and experience;
 - The number of times you appeared as an expert witness in litigation proceedings and the number of occasions for plaintiffs and defendants.
2. Please state the issues you were asked to consider and the basis upon which evidence is given - Order 40A, Rule 3(2)(c), of the Rules of Court.
 - What were the complete instructions given to you;
 - A statement of facts leading to your opinion;
 - What were the facts known by you to be true;
 - What were the facts you were instructed to assume;
 - What were the facts you have assumed.

3. Please state a one-paragraph summary of your conclusions reached – Order 40A, Rule 3(2)(f), of the Rules of Court.
4. If you had to rely on the work of others - Order 40A, Rule 3(2)(b), of the Rules of Court.
 - Identify the literature or other material you relied on in making this report;
 - State whether you had the opportunity to verify the report;
 - State the identity and qualifications of the author of the report;
5. If you are aware of experiments, tests, examinations, inspections or surveys conducted – Order 40A, Rule 3(2)(d) of the Rules of Court.
 - Identify the person(s) conducting those tests etc;
 - State the qualifications of such person(s);
 - State whether those tests were conducted under your instruction or supervision;
 - State whether you relied on those tests etc;
 - State the extent to which your opinion may be qualified by inaccuracies or mistakes in such tests etc.
6. If there is a range of differing opinions amongst experts on the matters dealt with in your report - Order 40A, Rule 3(2)(e), of the Rules of Court.
 - Summarise the range you consider to be acceptable and the reasons why;
 - Summarise the range you consider unacceptable and the reasons why.

After completing your report

7. You must make the following declaration which is
 - a statement of belief of correctness of your opinion; and
 - a statement that you understand that in giving this report, your duty is to the Court, and that you have complied with that duty.

“I confirm that insofar as the facts stated in my report are within my own knowledge I have made clear they are and I believe them to be correct, and that the opinions I have expressed represent my accurate and complete professional opinion.

APPENDIX C

GUIDELINES FOR COURT DISPUTE RESOLUTION FOR NON-INJURY MOTOR ACCIDENT CLAIMS AND PERSONAL INJURY CLAIMS

GUIDELINES FOR COURT DISPUTE RESOLUTION FOR NON- INJURY MOTOR ACCIDENT CLAIMS AND PERSONAL INJURY CLAIMS

1. Introduction

- 1.1 The Primary Dispute Resolution Centre (PDRC) of the State Courts provides Court Dispute Resolution (CDR) services for all civil matters. Two main processes – mediation and neutral evaluation – are used.
- 1.2 According to Paragraphs 25B and 25C of the State Courts' Practice Directions, all non-injury motor accident claims and personal injury claims are to proceed for CDR approximately 8 weeks after the Memorandum of Appearance has been filed.
- 1.3 Neutral evaluation will be used in the CDR sessions for these cases. This appendix sets out the guidelines to be followed by solicitors.

2. Date of CDR

- 2.1 As stated in Paragraph 25B(3) and 25C(2) of the Practice Directions, solicitors in these cases will receive a notice from the Court setting fixing the first CDR session.
- 2.2 Where the parties are of the view that a CDR session will not be fruitful, they should write to the Primary Dispute Resolution Centre (at fax number: 65572187), *not less than 2 working days prior to the date of the CDR session*, providing reasons to opt out of CDR.

2. Date of CDR

- 2.1 As stated in Paragraph 25B(3) and 25C(2) of these Practice Directions, solicitors in these cases will receive a notice from the Court fixing the first CDR session.

2.2 Where the parties are of the view that a CDR session will not be fruitful, they should write to the Primary Dispute Resolution Centre (at fax number: 65572187), *not less than 2 working days prior to the date of the CDR session*, providing reasons to opt out of CDR.

2.3 A request for an adjournment of a CDR session shall be made **only** by filing a “Request for Refixing / Vacation of Hearing Dates” via the Electronic Filing Service.

2.3.1 The applicant must obtain the consent of the other parties to the adjournment, and list the dates that are unsuitable for all the parties.

2.3.1 The request must be made *not less than 2 working days before the date of the CDR*.

2.3.2 An adjournment of a CDR session will be granted only for good reason e.g. the solicitor is engaged in a trial or other hearing in the High Court or the State Courts, is away on in camp training, overseas, or on medical leave; or the party or his witness, if asked to attend, is out of the country or otherwise unavailable for good reason.

2.3.3 A CDR session from which one or all parties are absent without good reason will be counted as one CDR session.

2.4 **Direct Adjournment Applications**

2.4.1 Solicitors need not attend before the Judge managing the case to seek by-consent adjournments if they satisfy the following conditions:

- (a) There are 3 or less CDRs prior to the application;
- (b) The Judge has not directed that there be no further adjournments or further direct adjournments;
- (c) The adjournment is not based on the grounds that parties are unable to obtain instructions; **and**
- (d) The adjournment is based on one of the following grounds:
 - (I) Parties require more time for negotiations. Solicitors must update on negotiations by stating the specific offer on the application form;
 - (II) Parties are awaiting the results of police action or medical or re-inspection reports or are checking on the outcome of related suits;

(III) Not all the parties have been added;

(IV) Solicitor is fixed for another court hearing;

(V) Solicitor is away on ICT / Overseas / Medical leave; or

(VI) Party / Witness is unable to attend.

2.4.2 Where the conditions in the preceding paragraph are satisfied, parties may submit a Direct Adjournment Form to the registry staff at the PDRC Administration Counter on the day of the CDR itself. The application will be vetted and handled administratively by the court staff. They will provide a tentative return date to solicitors whose applications fulfil the conditions in the preceding paragraph. If the conditions have not been met, the court staff will not give a tentative return date but direct the applicant to attend before the Judge personally.

2.4.3 The Court staff will collate the applications for final approval by the Judge. Where the Judge disapproves of the application, the PDRC registry will notify the parties by fax within 3 days of the Direct Adjournment Application, otherwise, the tentative return date is deemed approved.

3. Attendance at CDR

3.1 Only solicitors are required to attend CDR sessions. Their clients need not be present unless the Judge directs for their attendance.

3.2 In certain cases, the Judge may direct the parties to attend subsequent CDR sessions. For instance, the drivers of the vehicles involved in a motor accident and eyewitnesses may be asked to be present at a later CDR session for the purpose of a more accurate neutral evaluation or to facilitate in negotiating a settlement.

4. Preparation for CDR

4.1 Documents to be exchanged prior to CDR:

4.1.1 For CDRs for **motor accident claims**, the following documents should be exchanged between solicitors before the first CDR:

- (a) GIA reports and police reports, together with type-written transcripts of all persons involved in the accident;
- (b) sketch plan and if unavailable, the claimant's sketch of the accident;
- (c) Results of police investigations or outcome of prosecution for traffic offence(s);
- (d) Police vehicle damage reports;
- (e) Original, coloured copies or scanned photographs of damage to all vehicles;
- (f) Original, coloured copies or scanned photographs of the accident scene;
- (g) Repairer's bill and evidence of payment;
- (h) Surveyor's report
- (i) Excess bill or receipt
- (j) Vehicle registration card
- (k) COE/PARF certificates
- (l) Rental agreement, invoice and receipt for rental of alternative vehicle (if any)
- (m) Supporting documents for all other expenses claimed (if any).

4.1.2 Where **personal injury forms part of the motor accident claim**, the following documents should also be exchanged:

- (a) Medical reports and specialist reports;
- (b) Certificates for hospitalisation and medical leave;
- (c) Bills for medical treatment and evidence of payment;

- (d) Income tax notices of assessment and/or other evidence of income and loss thereof; and
- (e) Supporting documents for all other expenses claimed (if any).

4.1.3 For CDR sessions for **industrial workplace accidents**, the following documents should be exchanged between solicitors before the first CDR:

- (a) The claimant's sketch of the accident;
- (b) Ministry of Manpower investigation reports
- (c) Notice of Assessment from the Occupational Safety and Health Division, Ministry of Manpower (if any)
- (d) Original, coloured copies or scanned photographs of the accident scene
- (e) Medical reports and specialist reports
- (f) Certificates for hospitalisation and medical leave
- (g) Bills for medical treatment and evidence of payment
- (h) Income tax notices of assessment and/or other evidence of income and loss thereof; and
- (i) Supporting documents for all other expenses claimed (if any)

4.1.4 For CDR sessions for **any personal injury claim not involving motor accidents or industrial workplace accidents**, the following documents should be exchanged before the first CDR:

- (a) The claimant's sketch of the accident;
- (b) Original, coloured copies or scanned photographs of the accident scene
- (c) Medical reports and specialist reports
- (d) Certificates for hospitalisation and medical leave

- (e) Bills for medical treatment and evidence of payment
- (f) Income tax notices of assessment and/or other evidence of income and loss thereof; and
- (g) Supporting documents for all other expenses claimed (if any).

4.2 To make the full use of CDR sessions, it is essential that solicitors be well prepared and familiar with their cases. This also applies to duty solicitors assigned by their firms to deal with the firm's cases on a particular day. Duty solicitors must receive their files in good time and with clear instructions from the solicitor in charge so that they can familiarise themselves with the cases, understand the basis of instructions (i.e. why a certain position is taken) and to act on them (e.g. to convey the clients' offer on quantum or liability to the opposing solicitor). Duty solicitors must after the CDR session, ensure that they convey to the solicitor in charge, the rationale for the Judge's indication, the discussion at CDR sessions, and the follow-up action to be taken before the date of the next CDR session.

5. CDR Session

Indications on liability and quantum

- 5.1 For NIMA cases, during the first CDR session, the Judge will provide an indication on liability. Solicitors for all the parties shall submit a "Liability Indication Form" (see Form 9A) to the Judge at the first CDR session.
- 5.2 In CDR sessions for all personal injury claims, *except PIMA claims*, the Judge will provide an indication on *both liability and quantum* of the claim., Solicitors for all the parties shall submit a "Quantum Indication Form" (see Form 9B) to the Judge at the first CDR session.
- 5.3 In respect of PIMA cases, solicitors have the option to request for an indication on quantum, in addition to an indication on liability. Solicitors who wish to opt for an indication on quantum shall obtain each other's consent before the CDR session, and be submit the Quantum Indication Form (i.e. Form 9B) to the Judge.

Follow-up action after CDR

- 5.4 To facilitate CDR, solicitors shall brief their clients thoroughly on all the relevant aspects of the case, inform their clients quickly on the outcome of the CDR session where indications of liability and/or quantum are given, get their clients' instructions and discuss options with the solicitors for the other parties before the next CDR session.

6. Help and Co-operation of Insurers in facilitating CDR

- 6.1 Insurers play a key role in the success of CDR. CDR sessions are intended for substantive discussion of the issues. A CDR is unproductive if:

- 6.1.1 parties have not exchanged the relevant documents listed in paragraph 4 well before the CDR session to facilitate assessment and discussion of options;
- 6.1.2 one or more of the solicitors for the parties have not received or are still taking client's instructions; or
- 6.1.3 parties are still negotiating or are awaiting instructions upon a counter-offer.

6.2 *Documents*

Insurers shall endeavour to send all documents requested by their solicitors in good time for exchange between parties before CDR. Insurers should also check that all documents needed for consideration of their claim are ready. If any *additional* documents apart from those at paragraph 4 are required, this shall be made known to the other party well before the CDR date. If a re-survey is required, it shall be conducted and the report exchanged before the first CDR session.

6.3 *Instructions*

It is *very* important that insurers give *full* and *complete* instructions before their solicitor attends the CDR. Solicitors must inform their clients of the outcome of a CDR session quickly and remind their clients to revert with their instructions well before the next CDR session. The instructions shall

be given early to enable the other party to consider their position or proposal and respond before the next CDR date.

6.4 ***Practices to facilitate CDR***

6.4.1 The claims manager or executive shall be briefed by the insurer's solicitor on the facts, the insurer's case, and the other party's case before a CDR session.

6.4.2 After evaluation of the documents and reports, the claims manager or executive shall give a mandate to the insurer's solicitors. The mandate could be in a range – e.g. – ‘65-70%’, or ‘*to contribute 30-35% for the chain collision*’. Reasons shall be given for the position taken so that the solicitor can inform the Judge of the basis for the mandate. E.g. ‘*we are relying on the statements of the independent witnesses here*’, ‘*the plaintiff has been charged for inconsiderate driving*’ or ‘*the photographs suggest that this is a side-swipe*’.

6.5 Insurers sometimes insist on tying the issues of liability and quantum, i.e. that agreement on liability is *contingent* on quantum being settled at a particular sum. If parties are able to agree on the issue of liability but not quantum, parties shall consider allowing an *Interlocutory Judgment* to be recorded for liability and proceed for assessment of damages. A hearing to assess damages is far less costly than a full trial.

APPENDIX F

ANNEXES TO NON INJURY MOTOR ACCIDENT LITIGATION PRACTICE DIRECTION

Annex A

Pre-action Protocol for the Management of Low-Value Non-injury Motor Accident Cases by the Financial Industry Disputes Resolution Centre Ltd (FIDReC)

1. General

- 1.1 This protocol prescribes a regime for the management and resolution of low-value non-injury motor accident claims by the Financial Industry Disputes Resolution Centre Ltd (FIDReC). For the purpose of this protocol FIDReC includes the mediator or adjudicator appointed by FIDReC. It is also the object of this protocol to describe reasonable conduct for low-value non-injury motor accident claims.
- 1.2 In the interest of saving time and costs, parties are expected to comply in substance and spirit with the terms of this protocol which include rendering to FIDReC their full co-operation from the lodgment of the claim until the proceedings under this protocol have been completed. In exercising its discretion and powers, the court will have regard to compliance with this protocol or lack thereof: see, for example, Order 34A rule 1 and Order 59 rule 5.
- 1.3 This protocol only governs conduct from the time a claimant decides to lodge a claim for resolution by the FIDReC. Prior to such time, parties are at liberty to correspond or negotiate with opposing parties in any manner they see fit.
- 1.4 This protocol does not affect any privilege that may apply to communication between parties undertaken in compliance with it.

2. Application

2.1 This protocol shall apply to non-injury motor accident claims where —

- (a) the quantum of damages claimed before apportionment of liability is below \$3,000 excluding survey fees, interests, costs and disbursements; and
- (b) the party against whom the claim is made ('the defendant') is claiming under his policy in which case, such party shall be referred to as "the insurer" in this protocol.

3. Letter of Claim

3.1 The claimant must send a letter of claim (see Form 1) each to the potential defendant and his insurer. Where, for example, there is a multi-party collision, and the claimant wishes to join more than 1 defendant, he must send the letter of claim to each of the potential defendants and their insurers. The letter of claim must set out the full particulars of his claim and enclose a copy each of all relevant supporting documents, where available, such as —

- (a) GIA reports and type-written transcripts of all persons involved in the accident, including a sketch plan;
- (b) Repairer's bill and evidence of payment;
- (c) Surveyor's report;
- (d) Excess bill/receipt;
- (e) Vehicle registration card (if any);
- (f) COE/PARF certificates;
- (g) Names and addresses of witnesses;
- (h) Original or coloured copies of scanned photographs of damage to all vehicles;
- (i) Original or coloured copies of scanned photographs of accident scene;

(j) Rental agreement, invoice and receipt for rental of alternative vehicle (if any); and

(k) Supporting documents for all other expenses claimed (if any).

3.2 The claimant must also state in his letter of claim whether he had notified the insurer of the accident and allowed the insurer an opportunity to inspect the damage to his vehicle prior to the commencement of repairs (“pre-repair inspection”). If, to the claimant’s knowledge, the insurer had waived the requirement for pre-repair inspection of the vehicle, he should state so accordingly in the letter of claim.

3.3 The letter of claim must also expressly advise the potential defendant to immediately pass the letter and the documents to his insurer if he wishes to claim under his insurance policy. The letters to the parties are to be copied to the other parties. The letters to the potential defendants are to be sent by way of certificate of posting. The letters to insurers are to be sent by way of AR Registered mail or by hand (in which case an acknowledgement of receipt should be obtained).

4. **Insurer’s response**

4.1 If, after receipt of the letter of claim, the insurer wishes to inspect the claimant’s vehicle or to conduct a second inspection, a request for such inspection should be made to the claimant within 7 days of receipt of the letter of claim. The insurer shall state in the letter of request why a second inspection is required, or if the opportunity for pre-repair inspection had earlier been waived, why an inspection is sought.

4.2 The insurer must reply (see Form 2) to the claimant within 6 weeks from receipt of the letter stating its position on the claim, for example, whether the claim is admitted or denied or make an offer of settlement. If the claim is not admitted in full, the insurer must give reasons and send copies of all relevant supporting documents. The reply should also state the name(s), telephone number(s) and fax number(s) of the insurance officer(s) handling the matter and the insurer’s file reference number(s), to facilitate correspondence.

- 4.3 If the insurer does not reply to the claimant stating its position within 6 weeks from the date of receipt of the letter of claim or within 14 days after inspecting the vehicle, whichever is later, the claimant may lodge his claim with FIDReC forthwith, without further notice to the insurer or the potential defendant.
- 4.4 If the insurer has a counterclaim, the insurer is to include it in its reply giving full particulars of the counterclaim together with all relevant supporting documents. If the insurer has already furnished particulars in a separate letter of claim, the insurer need only refer to that letter of claim in its reply.
- 4.5 Where the counterclaim is for a sum of \$3,000 or more, the insurer will have the option of requiring the claimant to file a writ in court instead of lodging his claim with FIDReC. An election in favour of court proceedings is to be made within 6 weeks of the letter of claim, either in the insurer's reply or in a separate letter to the claimant.
- (For the avoidance of doubt, even if the insurer should elect in favour of court proceedings, the claimant is not precluded from lodging his claim with FIDReC in accordance with FIDReC's Terms of Reference, independently of this protocol.)
- 4.6 If the election is not made within the requisite period of 6 weeks and a settlement cannot be reached after negotiations pursuant to paragraph 8 of this protocol, the claimant, if he intends to pursue his claim, should then lodge the claim with FIDReC. The insurer should in turn, lodge its counterclaim with FIDReC, notwithstanding that the counterclaim is for a sum of \$3,000 or more. This protocol shall in the circumstances, apply to the counterclaim and references to the "claim" and the "claimant" shall, where applicable, include the counterclaim and the insurer by whom the counterclaim is brought, respectively.
- 4.7 In this protocol, "counterclaim" refers to the defendant's uninsured losses as well as the insurer's subrogated claim for damages.

5. Third parties

5.1 Where an insurer wishes to bring in a third party, the insurer must inform the claimant by letter within 14 days of receipt of the claimant's letter of claim. The insurer is also to send to the third party and his insurer a letter each setting out full particulars of its claim against the third party together with a copy each of the claimant's letter of claim and all relevant supporting documents within the same period. The insurer's letter to the third party must also expressly advise the third party to immediately pass the letter and the documents to his insurer if he wishes to claim under his insurance policy. This letter is to be copied to the claimant.

5.2 The protocol set out in paragraphs 3 and 4 is applicable to the third party or, if he is claiming under his insurance policy, his insurer, as though the potential defendant were the claimant and the third party, or his insurer as the case may be, the potential defendant.

6. Fourth parties

6.1 Paragraph 5 shall with the necessary changes apply to fourth party proceedings and so on. All correspondence between the parties are to be copied to all the other parties involved in the accident.

7. Insurer to bear claimant's loss of use arising from pre-repair inspection

7.1 The insurer must compensate the claimant for the loss of use of his vehicle computed from the date of receipt of the claimant's notification of the accident until the date the claimant is notified in writing —

(a) that the pre-repair inspection is completed and he may proceed to repair his vehicle; or

(b) that the insurer is waiving the requirement for pre-repair inspection and he may proceed to repair his vehicle

as the case may be, inclusive of any intervening Saturday, Sunday or public holiday. The notification regarding the completion or waiver of pre-repair inspection must be given to the claimant not more than 2 working days from

the date of receipt of the claimant's notification of the accident, excluding Saturdays, Sundays and public holidays.

7.2 Where an insurer fails to respond to the claimant within 2 working days of receipt of the notification of accident as to whether he wishes to carry out or waive a pre-repair inspection, the claimant may proceed to repair the vehicle and the insurer must compensate the claimant for the loss of use of his vehicle computed over 2 working days, inclusive of any intervening Saturday, Sunday or public holiday.

7.3 For avoidance of doubt, compensation payable to the claimant for loss of use in the instances enumerated in paragraphs 7.1 and 7.2 above is additional to any other claim for loss of use which the claimant may make against the insurer.

8. Negotiation

8.1 After all the relevant information and documents have been exchanged, the parties should negotiate with a view to settling the matter at the earliest opportunity. A claim should not be lodged with FIDReC if there are reasonable prospects for a settlement. If, after reasonable effort has been made to settle the matter, but there are no reasonable prospects of settlement after a time period of at least 6 weeks from the date of receipt of the letter of claim, the claimant must give 10 clear days' notice, by letter (see Form 3) to the insurer and the potential defendant of his intention to lodge his claim with FIDReC. He is also to inform the insurer and the potential defendant of the names of all the parties against whom the claim will be brought.

9. Lodgment of claim with FIDReC

9.1 Except in the cases expressly provided for in paragraph 16 of this protocol, the claimant shall, in every case where the quantum of damages claimed does not exceed \$3,000, lodge the claim with FIDReC at first instance.

10. Claimant and insurer to present its own case before FIDReC

10.1 In line with FIDReC's Terms of Reference, the claimant and insurer will present its own case in proceedings before FIDReC, without representation by

an advocate and solicitor. For the avoidance of doubt, in-house counsel employed by the insurer may present the insurer's case before FIDReC in his capacity as an employee of the insurer.

10.2 A claimant may be assisted in the presentation of his case before FIDReC by a nominee of his choice as may be approved by FIDReC and provided that the nominee is not an advocate and solicitor, in the following circumstances:

- (a) if the claimant is below the age of 21 at the time of lodgment of the claim with FIDReC;
- (b) if the claimant is, in FIDReC's opinion, unable to present his own case by reason of old age, illiteracy or infirmity of mind or body; or
- (c) in any other case, subject to FIDReC's approval upon application by the claimant.

11. Resolution by mediation and adjudication

11.1 In line with FIDReC's Terms of Reference providing for resolution of a dispute by mediation and adjudication —

- (a) FIDReC will proceed to mediate the claim with a view to resolving the claim on an amicable basis; and
- (b) if a settlement cannot be reached after mediation, the claim will proceed to adjudication by an Adjudicator to be appointed by FIDReC.

11.2 To facilitate the mediation and where necessary, the adjudication, FIDReC may issue such rules and directions as it deems necessary. This includes rules and directions pertaining to matters such as inspection and/or re-survey of the damaged vehicle, submission and exchange of relevant documents, personal attendance of the claimant, the insurer and their witnesses, if any, in any proceedings before FIDReC.

12. Effect of Adjudicator's decision

12.1 In line with Rule 26 of FIDReC's Terms of Reference —

- (a) the determination and/or award of the Adjudicator is binding on the insurer;
- (b) the claimant is free to choose whether to accept the determination and/or award; and
- (c) where the claimant accepts the determination and/or award by executing a Settlement Agreement with the insurer in accordance with the determination and/or award, both the claimant and the insurer are bound by the determination and/or award.

13. Insurer’s contribution to legal fees incurred by the claimant

13.1 A claimant who has retained a solicitor for advice and/or assistance in bringing a claim in accordance with the provisions of this protocol will have incurred legal costs. The amount payable by the insurer as a contribution towards the legal fees excluding disbursements incurred by the claimant is as follows:

		Stage of proceedings	
		Where liability and quantum are settled before lodgment of the claim with FIDReC	Where liability and quantum are resolved whether through mediation or adjudication after lodgment of the claim with FIDReC
Sum Settled (excluding Interest)	Less than \$1,000	\$300	\$350
	\$1,000 to \$2,999	\$400	\$500

A letter from the solicitor confirming that he has been retained by the claimant for the purpose as aforesaid will suffice.

13.2 FIDReC has full discretion to disallow the claimant the contribution towards his legal fees or part thereof if —

- (a) the claim is dismissed by the Adjudicator; or
- (b) the claimant has failed to comply with this protocol or has acted unreasonably in the conduct of his claim, even if he is the successful party.

14. Time for payment by the insurer

- 14.1 Payment of damages and any contribution towards the claimant's legal fees should be made by the insurer within 14 days from the date of the execution of the Settlement Agreement or in the absence of a Settlement Agreement, within 14 days from the date of settlement of the claim.
- 14.2 If the claimant had retained a solicitor for advice and/or assistance in bringing a claim in accordance with the provisions of this protocol, payment as specified herein should be made by the insurer directly to the solicitor.

15. Exemption from the pre-writ stages of the Pre-Action Protocol for Non-Injury Motor Accident Cases

- 15.1 Where Court proceedings are to commence, a claimant who has complied with paragraphs 3 and 8 of this protocol prior to lodgment of his claim with FIDReC will not be required to take the steps prescribed in paragraphs 2 and 7 of the Pre-Action Protocol for Non-Injury Motor Accident Cases but may file his Writ of Summons in Court upon giving the potential defendant and the insurer 10 clear days' notice by letter of his intention to do so. He is also to inform the potential defendant and the insurer the names of all the parties he is suing.

16. Exceptions

- 16.1 In any case where —
 - (a) the claimant is a body corporate or a partnership;
 - (b) one or more of the vehicles involved in the accident is a government, a foreign-registered or a diplomatic vehicle;

- (c) the insurer has a counterclaim of \$3,000 or more and has elected in favour of court proceedings to be commenced on the claim pursuant to paragraph 4.5 of this protocol;
- (d) the claimant has lodged his claim directly with FIDReC independently of this protocol;
- (e) the claimant is not claiming under his own insurance policy in respect of a counterclaim which may otherwise be lodged with FIDReC;
- (f) the insurer for the claim or the counterclaim (if any) has repudiated liability;
- (g) an allegation is made that the claim, counterclaim or defence is tainted by fraud or other conduct constituting a criminal offence in connection with which a police report has been produced;
- (h) proceedings are still ongoing before FIDReC after a lapse of 6 months from the date when all relevant documents pertaining to the accident requested by FIDReC have been submitted and the claimant has attended the first interview at FIDReC, whichever is later; or
- (i) there is other good and sufficient reason shown to the Court why the claim ought not to have been lodged or the proceedings ought not to have been continued at FIDReC,

the claimant may commence an action in Court directly and all proceedings (if any) before FIDReC shall be abated forthwith, unless the Court directs otherwise.

17. Costs in relation to pre-repair inspection

17.1 Where the claimant has without good reason repaired or caused repairs to be carried out to his vehicle without first notifying the insurer of the accident or without giving the insurer an opportunity to inspect the damage to the vehicle during the next two (2) working days excluding Saturdays, Sundays and public holidays following the notification, then on account of such omission and in exercise of their discretion –

- (a) FIDReC may disallow the claimant the insurer's contribution towards his legal costs or part thereof; or
- (b) where an action in Court is commenced, the Court may impose sanctions as to costs against the claimant.

17.2 Where the insurer disputes the damage to the claimant's vehicle and/or requests an inspection of the claimant's vehicle after the insurer had without good reason waived the requirement for a pre-repair inspection, the Court may impose sanctions as to costs against the insurer.

18. Sanctions for breach of this protocol

18.1 Where the claimant has commenced an action in Court, the Court in exercising its discretion as to costs shall have regard to the following, where applicable:

- (a) commencement of Court proceedings before adjudication of the claim by FIDReC ;
- (b) a finding by the Court that the quantum of damages before apportionment of liability is less than \$3,000 and the pleaded claim is for an amount exceeding \$3,000; or
- (c) the claimant has failed to obtain a judgment that is more favourable than the award of the Adjudicator.

18.2 The Court will not impose sanctions on the claimant where there are good reasons for non-compliance, including for example, attempt(s) made to resolve the claim through the Singapore Mediation Centre or the Law Society of Singapore Arbitration Scheme.

18.3 Where the claimant has commenced Court proceedings before adjudication of the claim by FIDReC, the Court may stay the action under Order 34A of the Rules of Court for the claimant to comply with this protocol.

19. **Application of Limitation Act (Cap. 163)**

19.1 Nothing in this protocol shall be construed to operate as a stay of the time limited for the doing of any act as prescribed by the Limitation Act (Cap. 163).

19.2 Should court proceedings be commenced to prevent the operation of the time bar under the Limitation Act (Cap. 163), the Court may nevertheless stay the action thereafter for the claimant to comply with this protocol.

Annex B

Pre-action Protocol for Non-Injury Motor Accident Cases

1. Application

- 1.1 The object of this protocol is to describe reasonable conduct for non-injury motor accident claims. In exercising its discretion and powers, the court will have regard to compliance with this protocol or lack thereof; see, for example, Order 25, rules 1, 1A and 8, Order 34A, rule 1, Order 59, rule 5, and Order 59, Appendix 2.
- 1.2 This protocol only governs conduct from the time a claimant decides to file a non-injury motor accident claim in court. Prior to such time, parties are at liberty to correspond or negotiate with opposing parties in any manner they see fit.
- 1.3 This protocol does not affect any privilege that may apply to communication between parties undertaken in compliance with it.

2. Letter of Claim

- 2.1 The claimant must send a letter of claim (see Form 4) each to the potential defendant and his insurer. Where, for example, there is a multi-party collision, and the claimant wishes to join more than one defendant, he must send the letter of claim to each of the potential defendants and their insurers. The letter of claim must set out the full particulars of his claim and enclose a copy each of all relevant supporting documents, where available, such as:
 - 2.1.1 GIA reports and type-written transcripts of all persons involved in the accident, including a sketch plan;
 - 2.1.2 Repairer's bill and evidence of payment;
 - 2.1.3 Surveyor's report;
 - 2.1.4 Excess bill/receipt;

- 2.1.5 Vehicle registration card;
 - 2.1.6 COE/PARF certificates;
 - 2.1.7 Names and addresses of witnesses;
 - 2.1.8 Original or coloured copies of scanned photographs of damage to all vehicles;
 - 2.1.9 Original or coloured copies of scanned photographs of accident scene;
 - 2.1.10 Rental agreement, invoice and receipt for rental of alternative vehicle (if any);
 - 2.1.11 Correspondences with the potential defendant's insurers relating to inspection of the claimant's vehicle prior to the commencement of repairs (if any);
 - 2.1.12 Supporting documents for all other expenses claimed (if any).
- 2.2 The claimant must also state in his letter of claim whether he had notified the potential defendant's insurer of the accident and allowed the insurer an opportunity to inspect the damage to his vehicle prior to the commencement of repairs ("pre-repair inspection"). If, to the claimant's knowledge, the potential defendant's insurer had waived the requirement for pre-repair inspection of the vehicle, he should state so accordingly in the letter of claim.
- 2.3 The letter of claim must also expressly advise the potential defendant to immediately pass the letter and documents to his insurer if he wishes to claim under his insurance policy. The letters to the parties are to be copied to the other parties. The letters to the potential defendants are to be sent by way of certificate of posting. The letters to insurers are to be sent by way of A.R. Registered mail or by hand (in which case an acknowledgement of receipt should be obtained).

3. **Defendant's response**

- 3.1 References to “the potential defendant” hereafter shall mean the potential defendant if he is not claiming under his insurance policy, or to his insurer if he is claiming under his policy.
- 3.2 If, after receipt of the letter of claim, the potential defendant wishes to inspect the claimant's vehicle or to conduct a second inspection, a request for such inspection should be made to the claimant within 7 days of receipt of the letter of claim. If the potential defendant had earlier waived the opportunity for pre-repair inspection, he shall state in the letter of request why an inspection is sought or, why a second inspection is required, as the case may be.
- 3.3 The potential defendant must reply (see Form 5) to the claimant within 14 days from receipt of the letter of claim. If he is ready to take a position on the claim, he should state his position. If not, he should first send an acknowledgement. If a reply is not received by the claimant within the requisite 14 days, the claimant may commence proceedings without any sanction by the court.
- 3.4 If the potential defendant replies to the claimant with only an acknowledgement, within 8 weeks from the date of receipt of the letter of claim or within 14 days after inspecting the vehicle whichever is later, the potential defendant must reply to the claimant (on both liability and quantum), stating the potential defendant's position on the claim, for example whether the claim is admitted or denied or making an offer of settlement. If the claim is not admitted in full, the potential defendant must give reasons and send copies of all relevant supporting documents. If the insurer is the party replying to the claimant, the reply should also state the name(s), telephone number(s) and fax number(s) of the insurance officer(s) handling the matter and the insurer's file reference number(s), to facilitate correspondence.
- 3.5 If the potential defendant has a counterclaim, he is to include it in his reply giving full particulars of the counterclaim together with all relevant supporting documents. If the potential defendant is pursuing his counterclaim

separately, i.e. his insurer is only handling his defence but not his counterclaim, the potential defendant is to send a letter to the claimant giving full particulars of the counterclaim together with all relevant supporting documents within 8 weeks from receipt of the letter of claim. If the defendant has already furnished particulars in a separate letter of claim, he need only refer to that letter of claim in his reply.

3.6 The letter of claim and the responses are not intended to have the effect of pleadings in an action.

4. **Third parties**

4.1 Where a potential defendant wishes to bring in a third party, he must inform the claimant by letter within 14 days together with his acknowledgement of receipt of the claimant's letter of claim. The potential defendant is also to send to the third party and his insurer a letter each setting out full particulars of his claim against the third party together with a copy each of the claimant's letter of claim and all relevant supporting documents within the same period. The potential defendant's letter to the third party must also expressly advise the third party to immediately pass the letter and the documents to his insurer if he wishes to claim under his insurance policy. This letter is to be copied to the claimant.

4.2 The protocol set out in paragraphs 2 and 3 is applicable to the third party or, if he is claiming under his insurance policy, his insurer, as though the potential defendant were the claimant and the third party, or his insurer as the case may be, the potential defendant.

5. **Fourth parties**

5.1 Paragraph 4 shall with the necessary changes apply to fourth party proceedings and so on. All correspondence between the parties are to be copied to all the other parties involved in the accident.

6. **Potential defendant to bear claimant's loss of use arising from pre-repair inspection**

6.1 The potential defendant must compensate the claimant for the loss of use of his vehicle computed from the date of receipt of the claimant's notification of the accident until the date the claimant is notified in writing

6.1.1 that the pre-repair inspection is completed and he may proceed to repair his vehicle; or

6.1.2 that the potential defendant is waiving the requirement for pre-repair inspection and he may proceed to repair his vehicle

as the case may be, inclusive of any intervening Saturday, Sunday or public holiday. The notification regarding the completion or waiver of pre-repair inspection must be given to the claimant not more than 2 working days from the date of receipt of the claimant's notification of the accident, excluding Saturdays, Sundays and public holidays.

6.2 Where a potential defendant fails to respond to the claimant within 2 working days of receipt of the notification of accident as to whether he wishes to carry out or waive a pre-repair inspection, the claimant may proceed to repair the vehicle and the potential defendant must compensate the claimant for the loss of use of his vehicle computed over 2 working days, inclusive of any intervening Saturday, Sunday or public holiday.

6.3 For avoidance of doubt, compensation payable to the claimant for loss of use in the instances enumerated in paragraphs 6.1 and 6.2 above is additional to any other claim for loss of use which the claimant may make against the potential defendant.

7. **Negotiation**

7.1 After all the relevant information and documents have been exchanged, the parties should negotiate with a view to settling the matter at the earliest opportunity. Litigation should not be commenced prematurely if there are reasonable prospects for a settlement. If, after reasonable effort has been made to settle the matter, but there are no reasonable prospects of settlement

after a time period of at least 8 weeks from the date of receipt of the letter of claim, save where paragraph 3.3 applies, the claimant must give 10 clear days' notice, by letter (see Form 6), to the potential defendant of his intention to proceed with a writ. He is also to inform the potential defendant of the names of all the parties he is suing.

8. Pre-action costs

8.1 Where parties have settled both liability and quantum before any action is commenced, a claimant who has sought legal representation to put forward his claim would have incurred legal costs. A guide to the costs to be paid is as follows:

Sum settled (excluding interest if any)	Costs allowed (excluding disbursements)
Less than \$1,000	\$300
\$1,000 to \$9,999	\$300 to \$700
\$10,000 and above	\$500 to \$900

9. Costs sanctions in relation to pre-repair inspection

9.1 Where the claimant has without good reason repaired or caused repairs to be carried out to his vehicle without first notifying the potential defendant of the accident or without giving the potential defendant an opportunity to conduct a pre-repair inspection during the next 2 working days excluding Saturdays, Sundays and public holidays following the notification, then on account of the omission, the court may impose sanctions as to costs against the claimant.

9.2 Where the potential defendant disputes the damage to the claimant's vehicle and/or requests for an inspection of the claimant's vehicle after he had without good reason waived the requirement for a pre-repair inspection, the court may impose sanctions as to costs against the potential defendant.

10. Early agreement on liability

10.1 Where parties have agreed on the issue of liability prior to the commencement of proceedings and wish to issue a writ in order for damages to be assessed, the plaintiff is to file a writ endorsed with a simplified statement of claim (see

Form 7). Within 14 days after the memorandum of appearance is served, the plaintiff must take out a summons in Form 46A, in accordance with Order 25, rule 1A, Rules of Court.

11. **Pre-action Protocol Checklist wherever litigation necessary**

11.1 Where litigation is to commence, the claimant is to file, together with his writ of summons, a Pre-action Protocol Checklist (see Form 8) duly completed.

APPENDIX FA

ANNEXES TO MEDICAL NEGLIGENCE LITIGATION PRACTICE DIRECTION

Annex A

PRE-ACTION PROTOCOL FOR MEDICAL NEGLIGENCE CLAIMS

1. Application

1.1 The general aims of this protocol are to prescribe a framework for pre-writ exchange of information and communication with a view to resolve medical negligence disputes arising out of a negligent act or omission in the course of medical or dental treatment without litigation and to maintain/restore the patient/healthcare provider relationship.

1.2 The protocol will apply only from the time a potential claimant contemplates to file a medical negligence claim in court. Prior to such time, either party is at liberty to communicate, correspond or negotiate with the opposing party in any manner they see fit.

1.3 This protocol does not affect any privilege that may apply to communication between parties undertaken in compliance with it (including medical reports furnished to the claimant's solicitor by the doctor pursuant to this protocol).

1.4 For avoidance of doubt, this protocol equally applies to actions arising from dental treatments.

2. Letter of request for medical report and related documents

2.1 Generally, to enable the claimant to consider whether he has a viable cause of action against the doctor and the hospital for medical negligence, a medical report from the doctor is essential. The application for the medical report, and such other documents that may be necessary to determine if there is a cause of action, should be made by letter (see Form 1) setting out briefly the basis of the claim and the nature of the information sought, including:

- (a) symptoms presented by the claimant or the deceased (where the patient has passed away and the claimant is the deceased's next-of-kin) prior to treatment;
- (b) clinical findings;
- (c) diagnosis;
- (d) treatment prescribed, risks in such treatment (if any) and when and how such risks were conveyed to the claimant or the deceased;
- (e) whether alternatives to treatment were disclosed to the claimant and if so, why the treatment prescribed was preferred over these alternatives;
- (f) assessment of the claimant's present condition and the cause of such condition or the cause of the deceased's death;
- (g) prognosis and recommended future treatment.

The application for the medical report should be accompanied by the claimant's letter (see Form 1A) authorising the hospital to release the medical report to his solicitors.

2.2 The above guidelines on the contents of the medical report are meant to ensure that the report is as comprehensive as possible. Depending on the nature of the medical management in each case, the contents of the medical report may be suitably modified. The application for the medical report may be dispensed with where the harm caused to the patient is *res ipsa loquitur*.

2.3 The medical report should be provided to the claimant within 6 weeks upon payment of the requisite charges. The claimant may where necessary, seek further information or clarification from the doctor on any aspect of the report, in which case, the doctor should respond within 6 weeks of the further request.

3. **Letter of request for discussion**

3.1 Upon receipt of the medical report and before commencement of legal proceedings, the claimant is to write to the hospital and to each of the doctors against whom he intends to pursue his claim, to arrange for a without

prejudice discussion with them (see Form 2). The hospital and/or the doctor must respond within 14 days after receipt of the letter, proposing a date and time for the meeting which should be held within 2 months from the date of the letter of request. This important step opens additional channels of communication between doctor and claimant, affording the doctor an opportunity to explain medical procedures to the claimant and for the claimant to clarify with the doctor any doubts which he may have. Quite often, legal proceedings are taken because of miscommunication between doctor and patient or because the patient interprets a perceived lack of information and empathy as lack of due care and attention on the part of the doctor. Hence, such discussions may pave the way to an amicable resolution of the claim. To facilitate the discussion, either party may in suitable cases, engage a separate or joint third party medical opinion on the medical management provided.

- 3.2 The letter to the hospital and the doctors is to be sent by way of A R Registered mail or by hand (in which case an acknowledgment of receipt should be obtained).
- 3.3 If the hospital or doctor fails to propose a date and time for the meeting within the requisite 14 days or if without reasonable cause, the meeting is not held within the requisite 2 months, the claimant may commence proceedings without any sanction by the court.

4. Negotiation

- 4.1 After the initial discussion, the parties are at liberty to correspond or negotiate with each other in any manner they see fit with a view to resolving the matter amicably at the earliest opportunity. Litigation should not be commenced prematurely if there are reasonable prospects for resolution. Where reasonable effort has been made without reasonable prospects of resolution, and after the expiry of 2 months from the date of request for a without prejudice discussion, save where paragraph 3.3 applies, the claimant must give 10 clear days' notice, by letter (see Form 3) to the potential defendants of his intention to proceed with a writ. He is also to inform each potential

defendant, to the best of his knowledge, the names of all the parties he is contemplating to sue.

- 4.2 Where the claim is affected by limitation and/or the claimant's position needs to be protected by the early commencement of an action, the claimant need only comply with this protocol as far as he is able.

5. **Compliance with pre-action protocol**

- 5.1 In the interest of saving time and costs, claimants are expected to use this protocol as a checklist on the required steps to be taken before commencing court proceedings. Parties must comply in substance and spirit with the terms of the protocol. A breach by one party will not exempt the other parties in the claim from following the protocol insofar as they are able.
- 5.2 In exercising its discretion and powers, the court will have regard to compliance with this protocol or lack thereof, including staying an action for the party in default to comply with the protocol, and Order 34A rule 1 and Order 59 rule 5 of the Rules of Court.
- 5.3 Where there are good reasons for non-compliance, the court will not impose sanctions against the party in default.

APPENDIX FB

PRE-ACTION PROTOCOL FOR PERSONAL INJURY CLAIMS

1. Application

- 1.1 The object of this protocol is to streamline the management of personal injury claims and promote early settlement of such claims. It prescribes a framework for pre-writ negotiation and exchange of information.
- 1.2 This protocol applies to all personal injury claims including —
 - (a) claims arising from motor vehicle accidents and industrial workplace accidents;
 - (b) personal injury claims with or without an additional claim for property damage arising from the same accident; and
 - (c) claims arising from fatal accidents,but does not apply to medical negligence claims.
- 1.3 Any reference to an “insurer” in this protocol refers to an insurer that is known or could be reasonably known to the plaintiff’s solicitors.
- 1.4 In the interest of saving time and costs, parties are expected to comply in substance and spirit with the terms of this protocol. In exercising its discretion and powers as to costs as well as under section 116 of the Evidence Act (Cap. 97), the Court will have regard to the extent to which this protocol has been complied with by the parties.
- 1.5 This protocol only governs the conduct of the parties from the time a claimant decides to file a personal injury claim in Court. Prior to such time, the parties are at liberty to correspond or negotiate with each other in any manner they see fit.
- 1.6 This protocol does not affect any privilege that may apply to any communication between the parties that is undertaken in compliance with it.
- 1.7 This protocol encourages the parties to jointly select medical experts before proceedings commence.

2. Letter of Claim

2.1 The claimant must send a letter of claim (Form 1) each to the potential defendant and his insurer notifying them of the claimant's intention to seek damages for his injuries. Where, for example, there is a multi-party collision, and the claimant wishes to join more than one defendant, he must send the letter of claim to each of the potential defendants and their insurers.

2.2 The letter of claim must set out the full particulars of his claim, including the following information:

- (a) a brief statement of all the relevant and available facts on which the claim is based;
- (b) a brief description of the nature of any injuries suffered by the claimant;
- (c) an estimate of the claimant's general and special damages with a breakdown of the heads of claim;
- (d) the names of all witnesses (where possible to disclose);
- (e) the case reference numbers, identity and contact particulars of the officer having charge of any investigations (e.g. the police officer or the relevant officer from the Ministry of Manpower); and
- (f) in cases where the claimant has passed away, the results of any prosecution or Court proceeding arising from the same accident, including the State Coroner's verdict, where available.

2.3 In respect of claims where —

- (a) the estimated quantum for general damages is less than \$20,000 before any apportionment of liability (but excluding interest); and
- (b) the claimant intends to appoint one or more experts for the purpose of the proceedings,

the claimant shall include his proposed list of medical expert(s) in each relevant specialty in his letter of claim. The claimant should preferably include the doctors who provided him treatment and/or review of his medical condition in his proposed list.

- 2.4 In respect of claims which are estimated to exceed the quantum specified in paragraph 2.3, the claimant and the potential defendant and/or their respective insurers shall endeavour, as a matter of best practice, to follow the procedure set out in this protocol for the appointment of a mutually agreed medical expert. The claimant's treating and/or reviewing doctor may, by consent, be appointed as the medical expert mutually agreed by both parties.
- 2.5 If the claimant is non-resident in Singapore, the letter of claim shall further state the date the claimant is required to depart from Singapore once the relevant permits expire or are cancelled and, where available, the date of his intended departure from Singapore. This is to afford the potential defendant or his insurer an opportunity to arrange for a medical examination of the claimant by a medical expert mutually agreed by both parties in each relevant specialty, or where there is no agreement, a medical re-examination of the claimant by a medical expert appointed by the potential defendant or his insurer prior to the claimant's departure from Singapore.
- 2.6 The claimant must enclose with his letter of claim a copy each of all relevant supporting documents, where available, such as the following:

For motor vehicle accident cases:

- (a) GIA reports and police reports, together with type-written transcripts of all persons involved in the accident;
- (b) police sketch plan or, if that is unavailable, the claimant's sketch of the accident;
- (c) results of police investigations or outcome of prosecution for any traffic offence(s) arising from the same accident;
- (d) police vehicle damage reports;
- (e) original, coloured copies or scanned photographs of damage to all vehicles;
- (f) original, coloured copies or scanned photographs of the accident scene;
- (g) medical reports and specialist reports;
- (h) certificates for hospitalisation and medical leave;
- (i) bills for medical treatment and evidence of payment;
- (j) income tax notices of assessment and/or other evidence of income and loss thereof; and
- (k) supporting documents for all other expenses claimed (if any).

For industrial workplace accident cases:

- (a) claimant's sketch of the accident;
- (b) Ministry of Manpower's investigation reports;
- (c) Notice of Assessment from the Occupational Safety and Health Division, Ministry of Manpower (if any);
- (d) original, coloured copies or scanned photographs of the accident scene;
- (e) medical reports and specialist reports;
- (f) certificates for hospitalisation and medical leave;
- (g) bills for medical treatment and evidence of payment;
- (h) income tax notices of assessment and/or other evidence of income and loss thereof; and
- (i) supporting documents for all other expenses claimed (if any).

For personal injury claims not involving motor vehicles and industrial accidents:

- (a) claimant's sketch of the accident;
- (b) original, coloured copies or scanned photographs of the accident scene;
- (c) medical reports and specialist reports;
- (d) certificates for hospitalisation and medical leave;
- (e) bills for medical treatment and evidence of payment;
- (f) income tax notices of assessment and/or other evidence of income and loss thereof; and
- (g) supporting documents for all other expenses claimed (if any).

2.7 Where the claim is for both personal injury and property damage arising from a motor vehicle accident, the claimant must in addition, enclose with his letter of claim a copy each of the relevant documents supporting the claim for property damage, such as the following:

- (a) repairer's bill and evidence of payment;
- (b) surveyor's report;
- (c) excess bill or receipt;
- (d) vehicle registration card;
- (e) COE/PARF certificates;

- (f) rental agreement, invoice and receipt for rental of alternative vehicle (if any);
and
- (g) supporting documents for all other expenses claimed (if any).

- 2.8 The letter of claim must also expressly advise the potential defendant to immediately pass the letter and the documents to his insurer if he wishes to claim under his insurance policy. If the potential defendant's insurer is known to the claimant, a copy of the letter of claim must be sent directly to the insurer. The letters to any party must be copied to each of the other parties. The letter(s) to the potential defendant(s) must be sent by way of certificate of posting. The letters to insurers must be sent by way of AR Registered mail or by hand (in which case an acknowledgement of receipt should be obtained).
- 2.9 Where it is not possible to comply with any of the above requirements in notifying the relevant persons or providing documents, the claimant must provide the necessary explanation in the letter of claim.

3. Potential Defendant's response

Acknowledgment letter

- 3.1 In this protocol, "the potential defendant" means the potential defendant if he is not claiming under his insurance policy, or his insurer if he is claiming under his insurance policy.
- 3.2 The potential defendant must send an acknowledgement letter (Form 2) to the claimant within **14 days** from the date of receipt of the letter of claim. If he is ready to take a position on the claim, he must state his position. If not, he must first send an acknowledgement.
- 3.3 For any personal injury claim arising from a motor vehicle accident, if the potential defendant wishes to inspect the claimant's vehicle, a request for inspection shall be included in the acknowledgement of receipt.
- 3.4 If the claimant does not receive an acknowledgement letter from the potential defendant within the requisite **14 days** stipulated in paragraph 3.2, he may commence proceedings without any sanction by the Court.

Joint selection of medical experts

- 3.5 In respect of claims where paragraph 2.3 is applicable, within **14 days** of sending the acknowledgment letter to the claimant, the potential defendant shall send a letter to the claimant stating whether he agrees or has any objections to any of the medical experts named in the claimant's letter of claim. For this purpose, the following provisions will apply:
- (a) If the potential defendant agrees to any of the named medical experts stated in the claimant's letter of claim, the claimant shall instruct a mutually agreeable medical expert in each of the relevant specialty by sending the expert a letter of instruction within **14 days**. The medical expert mutually agreed upon by both parties and instructed by the claimant shall be referred to as the 'single joint expert'.
 - (b) The letter of instruction referred to in sub-paragraph (a) above must be copied to the potential defendant. As a matter of best practice, a medical report form (Form 5A) may be sent to the single joint expert for low value claims where general damages is less than \$20,000 before apportionment of liability and excluding interest and a letter in Form 5 may be sent to the single joint expert for higher value and/or more complex claims.
 - (c) If the potential defendant objects to all the listed medical experts in the claimant's letter of claim for any relevant specialty, the potential defendant shall state a list of the name(s) of one or more medical experts in each relevant specialty whom he considers as suitable to instruct. The claimant shall within **14 days** from the date of receipt of the letter from the potential defendant state if he has any objections to one or more of the named medical experts stated in the potential defendant's letter of reply.
 - (d) If the claimant agrees to any of the named medical experts stated in the potential defendant's letter of reply referred to in sub-paragraph (c) above, the claimant shall instruct a mutually agreeable medical expert in each of the relevant specialty by sending the expert a letter of instruction within **14 days** in accordance with sub-paragraph (a) above. The letter of instruction must be copied to the potential defendant and the claimant may as a matter of best practice, comply with sub-paragraph (b) above on the use of Form 5 or Form

5A. The medical expert mutually agreed upon by both parties and instructed by the claimant shall be referred to as the 'single joint expert'.

- (e) If the claimant objects to all the listed medical experts in the potential defendant's letter of reply (referred to in sub-paragraph (c) above) for any of the relevant specialty, both parties may then instruct medical experts of their own choice for each relevant specialty that parties are unable to agree upon.
- (f) If the claimant or the potential defendant fails to reply or fails in his reply to object to any of the medical experts listed in the other party's letter within the timeline stipulated by this protocol, the party who fails to reply or to object is deemed to have agreed to the appointment of any of the medical experts stated in the other party's letter as a single joint expert.
- (g) The costs of the medical examination of the claimant and medical report to be provided by the single joint expert shall be paid first by the claimant who may seek to recover the costs as part of his claim for reasonable disbursements.
- (h) Either party may send to the single joint expert written questions relevant to the issues or matters on which the medical report is sought. The questions are to be copied to the other party.
- (i) In the event that there is no agreement by the claimant and the potential defendant on the appointment of a medical expert and the potential defendant wishes to arrange for the claimant to undergo a medical examination by his own medical expert, the potential defendant shall within **14 days** from the date of receipt of the claimant's letter of reply send a letter to the claimant proposing a date and time on which the claimant is to be examined by the potential defendant's medical expert. The address at which the claimant must present himself for the medical examination must also be provided.

Substantive reply to claimant

- 3.6 If the potential defendant replies to the claimant with only an acknowledgement of receipt, then, subject to paragraph 3.5, the potential defendant shall within **8 weeks** from the date of receipt of the letter of claim, reply to the claimant substantively. For this purpose, the following provisions will apply:

- (a) The reply shall also indicate whether the insurer is defending the claim or whether the defendant is defending the claim personally. Reasons for the insurer's decision not to act must be provided.
- (b) Subject to subparagraph (d) below, the reply must state the potential defendant's position on the claim on both liability and quantum (e.g. whether the claim is admitted or denied) or make an offer of settlement. If the claim is not admitted in full, the potential defendant must give reasons and send copies of all relevant supporting documents.
- (c) The potential defendant must also provide any of the relevant documents listed under paragraph 2.6. If the potential defendant's insurer is the party replying to the claimant, the reply shall also state the name(s), telephone number(s) and fax number(s) of the insurance officer(s) handling the matter and the insurer's file reference number(s), to facilitate correspondence.
- (d) Pending the receipt of the medical report from the medical expert appointed under paragraph 3.5 and/or inspection report of the claimant's vehicle pursuant to paragraph 3.3 (as the case may be), the reply shall state the potential defendant's position on liability and his preliminary position on quantum or, if he is unable to do so, reserve his position on quantum. Within **14 days** of receipt of the medical report from the medical expert and/or the inspection report of the claimant's vehicle, the potential defendant must state his position on quantum (e.g. whether the quantum claimed is admitted or denied) or make an offer of settlement.

3.7 If the claimant does not receive the potential defendant's substantive reply to his letter of claim within the requisite **8 weeks** stipulated in paragraph 3.6, he may commence proceedings without any sanction by the Court.

4. Counterclaim

4.1 If the potential defendant has a counterclaim, he must include it in his reply, giving full particulars of the counterclaim together with all relevant supporting documents. If the potential defendant is pursuing his counterclaim separately, i.e. his insurer is only handling his defence but not his counterclaim, the potential defendant must send a letter to the claimant giving full particulars of the counterclaim together with all relevant supporting documents within **8 weeks** from receipt of the letter of claim. If

the defendant has already furnished particulars in a separate letter of claim, he need only refer to that letter of claim in his reply.

4.2 Where the counterclaim includes a personal injury, paragraphs 2 and 3 above shall apply with the necessary modifications.

4.3 The letter of claim and the responses are not intended to have the effect of pleadings in the action.

5. Third parties

5.1 Where a potential defendant wishes to bring in a third party, he must inform the claimant and the other potential defendants by letter within **14 days** of the receipt of the letter of claim, together with his acknowledgement of receipt of the claimant's letter of claim. The potential defendant shall send to the third party and his insurer a letter each setting out full particulars of his claim against the third party together with a copy each of the claimant's letter of claim and all relevant supporting documents within the same period. If the claim against the prospective third party includes personal injuries, paragraphs 2 and 3 shall apply with the necessary modifications. The potential defendant's letter to the third party must also expressly advise the third party to immediately pass the letter and the documents to his insurer if he wishes to claim under his insurance policy. This letter must be copied to the claimant.

5.2 The protocol set out in paragraphs 2, 3 and 4 is applicable to the third party or, if he is claiming under his insurance policy, his insurer, as though the potential defendant were the claimant, and the third party or his insurer were the potential defendant, as the case may be.

6. Fourth parties

6.1 Paragraph 5 shall apply with the necessary modifications to fourth party proceedings and so on. All correspondences between the parties are to be copied to all the other parties involved in the accident.

7. Medical reports

7.1 Subject to any litigation privilege, any party who receives a medical report from his medical expert or the single joint expert must within **7 days** of its receipt send a copy

of the report to all other parties or potential parties. For the avoidance of doubt, these are medical reports which the parties intend to rely on for the purpose of litigation and neither party need disclose the other medical reports that he is not relying on.

8. Other information and documents

8.1 Any party who subsequently receives any information or document that was previously unknown or unavailable must, within **7 days** of the receipt, provide each of the other parties or potential parties with that information or document.

9. Right of parties to appoint another medical expert after a single joint expert has been appointed

9.1 For the avoidance of doubt and subject to paragraph 13 of this protocol, the appointment of a single joint expert or the deemed consent to the appointment of a single joint expert under paragraph 3.5(f) does not preclude any party from subsequently obtaining and/or relying on a report of a separate medical expert of his choice.

10. Negotiation

10.1 After all the relevant information and documents have been exchanged or as soon as it is practicable, the parties shall negotiate with a view to settling the matter at the earliest opportunity. Litigation should not be commenced prematurely if there are reasonable prospects for a settlement. If, after reasonable effort has been made to settle the matter, but there are no reasonable prospects of settlement after a time period of **at least 8 weeks** from the date of receipt of the letter of claim, save where paragraphs 3.4 and 10.2 apply, the claimant may commence legal action after giving —

- (a) 2 clear days' notice (in Form 3) **by fax or e-mail** to the potential defendant, where the potential defendant is an insurer; or
- (b) 7 clear days' notice (in Form 3) **by certificate of posting** to the potential defendant, where the potential defendant is not an insurer.

10.2 Where the claimant has earlier given notice that a final offer was being made, and legal proceedings would be commenced in the event that the potential defendant did not accept it within a given time period, Form 3 need not be sent.

11. Interim payment

11.1 The claimant may in his letter of claim or in a letter sent at any time subsequent thereto, seek an interim payment of damages from the potential defendant. The claimant must state the in his letter —

- (a) the amount he is seeking as interim payment; or
- (b) where the interim payment is sought specifically for anticipated expenses (e.g. surgery or a course of physiotherapy), an estimate of the expenditure to be incurred,

and provide any supporting documents which have not already been furnished to the potential defendant.

11.2 The potential defendant must reply to the claimant within **14 days** of receipt of the letter, stating whether or not the request for interim payment is acceded to and the amount offered. Reasons must be given in the reply if the request is not acceded to in full. Any sum which the potential defendant offers as an interim payment, regardless as to whether the request is acceded to in full or in part, shall be paid to the claimant within **28 days** of the potential defendant's reply.

11.3 Notwithstanding the making of or the refusal to make an interim payment, a further or subsequent request may be made to the potential defendant and/or a subsequent application may be made to Court for interim payment under the provisions of the Rules of Court.

11.4 Where the claimant has commenced an action in Court, the Court may in exercising its powers and discretion (including but not limited to costs), have regard to the reasonableness of any pre-writ request for interim payment, the potential defendant's response thereto and the adequacy of such payment (if any).

12. Costs Guidelines

12.1 Where parties have settled both liability and quantum before any action is commenced, a claimant who has sought legal advice and assistance to put forward his

claim will have incurred costs. As a guide, where the sum settled (excluding interest if any) is less than \$20,000, the pre-trial costs should be between \$1,500 and \$2,500.

12.2 Where after commencing an action, both liability and quantum are settled by the parties or decided by the Court (as the case may be) and the sum that is —

- (a) settled;
- (b) awarded, where the Plaintiff is successful; or
- (c) claimed, where the Plaintiff is unsuccessful,

is less than \$20,000 (excluding interest, if any), the Court will, in general award costs based on the guidelines below:

Stage of proceedings	Costs allowed (exclusive of disbursements)
Upon filing of writ	\$1,800-\$2,800
Upon signing of affidavits of evidence-in-chief	\$2,500-\$4,200
Upon setting down for trial	\$3,000-\$4,500
1 st day of trial or part thereof	\$4,000-\$5,000
Subsequent day of trial or part thereof/ Assessment of damages	Up to \$1,000 per day or part thereof

13. Costs in respect of appointment of medical experts

13.1 If, notwithstanding the provisions of this protocol, the claimant and the potential defendant or the insurer of the potential defendant choose to —

- (a) appoint separate medical experts; or
- (b) appoint a separate medical expert even though a single joint expert has been appointed,

the Court shall decide whether the costs of and incidental to the appointment of any of the additional medical experts should be recoverable.

13.2 In exercising its discretion in cases where the settled sum or the Court's adjudication on general damages is less than \$20,000 before the apportionment of liability (but excluding interests), the Court shall have regard to all the relevant factors including but not limited to any or all of the following factors:

- (a) the complexity of the injuries;
- (b) the complexity of the claim in respect of loss of earning capacity and/or loss of future earnings;
- (c) whether a party has acted unreasonably in objecting to the other party's proposed medical expert;
- (d) whether a party had incurred unnecessary costs in appointing a separate medical expert even though a single joint expert has been appointed.

14. Exceptions

- 14.1 The Court will not impose sanctions on the claimant where there are good reasons for non-compliance with any of the provisions of this protocol. Such good reasons include, but are not limited to, the fact that attempts were made by the parties to resolve the claim through the Singapore Mediation Centre or the Law Society of Singapore's Arbitration Scheme.
- 14.2. The protocol prescribes the timelines to be given to a potential defendant to investigate and respond to a claim before proceedings are commenced. This may not always be possible where a claimant only consults his lawyer close to the end of any relevant limitation period. In such a case, the claimant must give as much notice of the intention to commence proceedings as practicable and the parties shall consider whether the Court might be invited to extend time for service of the pleadings or alternatively, to stay the proceedings while the requirements of this protocol are being complied with.

15. Early agreement on liability

- 15.1 Where parties have agreed on the issue of liability prior to the commencement of proceedings and wish to issue a writ in order for damages to be assessed, the plaintiff must file a writ endorsed with a simplified statement of claim. If no appearance is entered after the writ is served, the plaintiff may, in the manner prescribed under the Rules of Court, proceed to enter default interlocutory judgment and take out a summons for directions for the assessment of damages. If an appearance is entered, the plaintiff may take out a summons for interlocutory judgment to be entered and for directions for the assessment of damages.

16. Pre-action protocol checklist wherever litigation is necessary

- 16.1 Where litigation is to commence, the claimant must file, together with his writ of summons, a Pre-Action Protocol Checklist (in Form 4) duly completed. This paragraph applies with the necessary modifications to any counterclaim or any claim against any third, fourth and subsequent parties.

EXPLANATORY NOTES FOR DOCTORS PREPARING MEDICAL REPORT FOR THE PURPOSE OF / IN CONTEMPLATION OF COURT PROCEEDINGS

The doctor as an independent medical expert

In conducting the physical examination and writing the medical report for a claimant in any proceedings before the Court, the doctor undertakes the role of an independent medical expert. He is to conduct an independent examination and give an independent opinion on the claimant as to the nature and extent of the injury as well as the prognosis of recovery.

The doctor as a single joint expert

The claimant and the opposing party may by mutual agreement, appoint one doctor as a single joint expert, instead of each appointing their own separate medical experts. They may choose to appoint the doctor who had treated or reviewed the claimant's injury as the single joint expert. Where the claimant's injury has been managed by doctors of different specialties, the parties may by mutual agreement, appoint one doctor in each of the relevant specialties as a single joint expert. It is intended that by the appointment of a single joint expert, the parties will find common ground that will enable the claim to be amicably resolved as early as possible without the need for doctors to give expert testimony in court hearings.

The duty of the single joint expert, like any other medical expert, is similarly to give an independent opinion as to the nature and extent of the injury, as well as the prognosis of recovery. Additionally, the single joint expert may be requested to provide answers to questions from the claimant and/or the opposing party pertaining to the claimant's medical condition and/or causation of injury.

Duties and requirements pertaining to the doctor's medical report

- (a) As an independent medical expert, the doctor's paramount duty is to assist the Court on matters within his expertise. This duty overrides any obligation to the person from whom the doctor has received instructions or by whom he is paid.
- (b) If, notwithstanding the appointment of the doctor as a single joint expert, the matter proceeds for a contested hearing in court, the doctor may be required to give evidence on the stand and answer questions posed to him by **both** the claimant's lawyer and the potential defendant's lawyer.
- (c) The doctor will have fulfilled his duty to be independent and unbiased in the formation of his opinion if he would have given the same opinion if given the same instructions by the opposing party.
- (d) In expressing his opinion, the doctor should consider all relevant and material facts, including those which might detract from his opinion.
- (e) A doctor may only provide opinions in relation to matters that lie within his own expertise and make it clear when a question or issue falls outside his expertise. In the case when he is not able to reach a definite opinion, for example, because he has insufficient information, he should state the extent to which any opinion given by him is provisional or qualified by further information or facts.

DISCOVERY AND INSPECTION OF ELECTRONIC DOCUMENTS

Part 1: Agreed electronic discovery protocol

(1) Scope of electronic discovery

- (a) General discovery of the following class or classes of electronically stored documents shall be given:

[eg Electronic mail, correspondence, letters, *etc.*]

- (b) The party giving discovery shall take reasonable steps to decrypt encrypted files or encrypted storage locations, media or devices in order to identify discoverable electronically stored documents. This may include taking reasonable steps to obtain the decryption code and/or using reasonable technical means to perform decryption of the encrypted files or encrypted storage locations, media or devices.
- (c) For the avoidance of doubt, electronically stored documents residing in folders or directories in storage locations, media or devices, including folders or directories where temporarily deleted files are located (for example the Recycle Bin folder or Trash folder) are within the scope of general discovery; deleted files or file fragments containing information which are recoverable through the use of computer forensic tools or techniques during a forensic inspection of the unallocated file space or file slack are **not** within the scope of general discovery.

- (d) **Reasonable search.** The search terms or phrases specified in the first column will be used in the conduct of a reasonable search for relevant electronically stored documents. The reasonable search will be limited by the scope described in the second column.

<i>Search term or phrase</i>	<i>Scope</i>
[Specify the keyword(s).]	[Describe the scope of the search by reference to physical or logical storage locations, media or devices, the period during which the requested electronically stored document was created, modified or received, <i>etc.</i>]

(2) **Format of list**

The list of documents shall categorise and list electronically stored documents separately from documents in printed or other form. The list of documents enumerating electronically stored documents shall include the following columns:

[*eg* description of the electronically stored document, the name of the corresponding soft copy file, the file format (and its version) of the electronic document, the hash value of the file, *etc*]

An index of documents enumerated in the list of documents shall be provided in an electronic spreadsheet in the [*eg* Excel 2007 Binary (.xls), Comma Separated Value (.csv), *etc*] file format.

(3) **Review for privileged material**

Nothing in this protocol shall prevent the party giving discovery from reviewing the documents in any list provided hereunder for the purpose of claiming privilege. If the party giving discovery claims privilege over any document or record, he shall list the electronic documents or class of electronic documents over which privilege is claimed in the list of documents.

(4) **Inspection and copies**

- (a) **Arrangements for inspection.** The place for inspection of discoverable electronic documents should be stated separately if it is different from the place

for inspection of other discoverable documents. If the party entitled to inspect intends to inspect through or with the assistance of its appointed computer expert, such computer expert shall provide an undertaking of confidentiality to the party giving inspection before he commences his inspection.

- (b) **Supply of copies.** During inspection, copies shall not be taken. If copies are required, a request should be made. Electronic copies of discoverable documents will be supplied in their native format and in read-only optical discs upon request. Electronic copies of discoverable documents where privilege is claimed only with respect to their internally stored metadata information will be supplied in the Tagged Image File Format (or TIFF) with privileged metadata information removed. For each of the read-only optical discs supplied, a further list stating the storage format (and its version) of the optical disc and enumerating the list of electronic documents stored therein shall be provided.

(5) Inspection of computer databases and electronic media or recording devices

Parties agree that the protocol for inspection of computer databases and electronic media or recording devices (Appendix M Part 2) shall apply for the inspection of the following:

[List the computer databases, electronic media or recording devices]

(6) Inadvertent disclosure of privileged documents

Notwithstanding compliance with the procedures in this protocol, nothing in this protocol is intended to be or shall be taken to amount to a waiver of privilege.

(7) Discovery and production only if necessary

For the avoidance of doubt, nothing in this protocol shall compel any party to give discovery of any document or produce any document for inspection which is not otherwise discoverable under Order 24, Rules 7 or 13 of the Rules of Court.

Part 2

Protocol for Inspection of Computer Databases and Electronic Media or Recording Devices

(1) Appointment of computer experts

(a) Joint appointment.

The party producing the computer database, electronic medium or recording device for inspection (“**the Producing Party**”) and the party entitled to inspection of the computer database, electronic medium or recording device (“**the Inspecting Party**”), may jointly appoint a computer expert (“**the Joint Expert**”) for the purpose of making a forensic copy of such computer database, electronic medium or recording device (“**the Original Acquired Image**”). The Joint Expert’s role shall be restricted to the acquisition of the Original Acquired Image and the performance of a reasonable search on a copy of the Original Acquired Image in accordance with the terms of this protocol. Before the Joint Expert commences his appointment, he shall provide an undertaking of confidentiality to the Court and to all parties concerned in the inspection. He shall also procure a similar undertaking from each of his employees, representatives, agents or sub-contractors involved in the engagement.

(b) Costs and expenses of Joint Expert.

All costs and expenses relating to the appointment of the Joint Expert under this protocol shall initially be borne equally between the Producing Party and the Inspecting Party. Nothing in this protocol is intended to or shall be taken to prevent any party to the cause or matter from seeking the recovery of such costs and expenses in accordance with the Rules of Court.

(c) Individual appointments.

Nothing in this protocol shall prevent the Producing Party, the Inspecting Party and any other party concerned in the inspection from appointing his own computer expert.

(2) Acquisition of the Original Acquired Image

(a) Where Joint Expert appointed.

The Joint Expert shall acquire the Original Acquired Image under the supervision of all parties concerned in the inspection, their representatives or computer experts. Sufficient copies of the Original Acquired Image shall be made as necessary in order that the Producing Party and each Inspecting Party may be supplied with an electronic copy of the Original Acquired Image. The Joint Expert shall provide sufficient information with the copy of the Original Acquired Image to enable the party's computer expert to access the copy supplied. The Original Acquired Image shall be sealed and delivered to the custody of the Producing Party, who shall enumerate it in a list of documents to be filed under Order 24 of the Rules of Court.

(b) Where Joint Expert not appointed.

The Producing Party's computer expert shall be responsible for acquiring the Original Acquired Image under the supervision of all parties concerned in the inspection, their representatives or computer experts. Sufficient copies of the Original Acquired Image shall be made as necessary for the purposes of inspection and reasonable search to be provided under this protocol. The Original Acquired Image shall be sealed and delivered to the custody of the Producing Party, who shall enumerate it in a list of documents to be filed under Order 24 of the Rules of Court.

(c) Original Acquired Image to be produced when ordered by Court.

The party to whose custody the sealed Original Acquired Image has been delivered shall not tamper with or break the seal, and shall produce the Original Acquired Image to the Court or such other person(s) as the Court may direct.

(3) Safeguards for reasonable search

This paragraph applies in situations where a reasonable search is conducted on the contents of a copy of the Original Acquired Image.

Where Joint Expert appointed

(a) Conduct of reasonable search.

The Inspecting Party shall specify or describe the search terms or phrases to be used in a reasonable search to be conducted on the contents of a copy of the Original Acquired Image to the Producing Party and the Joint Expert.

If the Producing Party does not object to the search terms or phrases so specified or described, he shall communicate his consent to the Joint Expert and the Inspecting Party. The Joint Expert shall make arrangements for the conduct of the reasonable search on a copy of the Original Acquired Image under the supervision of all parties concerned in the inspection, their representatives or computer experts.

If the Producing Party objects to any or all of the search terms or phrases so specified or described, he shall forthwith inform the Joint Expert. The parties shall resolve such objections before any further steps are taken for the conduct of the reasonable search. The Joint Expert shall not take any further steps for the conduct of the reasonable search until:

- (i) he is informed by the Producing Party of his consent to the original search terms or phrases; or
- (ii) the Inspecting Party specifies or describes a new set of search terms or phrases and to which the Producing Party provides his consent in accordance with this sub-paragraph.

A copy of the documents or records that are the results of the reasonable search (“**the Search Results**”) shall be made and released to the Producing Party.

(b) Review for privileged material.

The Producing Party shall be at liberty to review the Search Results for the purpose of claiming privilege. If the Producing Party claims privilege over any

document or record from the Search Results, he shall list the electronic documents or records over which privilege is claimed.

(c) **Release for inspection.**

Thereafter, the Joint Expert shall remove copies of any documents or records over which privilege is claimed from the Search Results (“**the Redacted Search Results**”). The Joint Expert may maintain a separate privilege log which records the documents or records which are thus removed and the reasons given for doing so. For the avoidance of doubt, the privilege log shall not be included in the Joint Expert’s report but the Joint Expert shall produce the privilege log to the Court if so directed by the Court. The Redacted Search Results shall be released to the Inspecting Party for inspection together with the list of electronic documents or records over which privilege is claimed.

Where Joint Expert not appointed

(d) **Conduct of reasonable search.**

The Inspecting Party shall specify or describe the search terms or phrases to be used in a reasonable search to be conducted on the contents of a copy of the Original Acquired Image to the Producing Party. If the Producing Party objects to any or all of the search terms or phrases so specified or described, parties shall resolve such objections before any further steps are taken for the conduct of the reasonable search. Upon resolution of any objections or if the Producing Party consents to the specified or described search terms or phrases, he shall make arrangements for his computer expert to conduct the requested reasonable search on a copy of the Original Acquired Image under the supervision of all parties concerned in the inspection, their representatives or computer experts.

(e) **Review for privileged material.**

The Producing Party shall be at liberty to review the Search Results for the purpose of claiming privilege. If the Producing Party claims privilege over any document or record from the Search Results, he shall list the electronic documents or records over which privilege is claimed.

(f) **Release for inspection.**

Thereafter, the Producing Party shall remove copies of any documents or records over which privilege is claimed from the Search Results. The Redacted Search Results shall be released to the Inspecting Party for inspection together with the list of electronic documents or records over which privilege is claimed.

(4) **Safeguards for forensic examination**

This paragraph applies to the forensic examination of a copy of the Original Acquired Image for the purpose of identifying electronically stored documents thereon or for the recovery of deleted files or file fragments from the unallocated file space or file slack using computer forensic tools or techniques. A Joint Expert shall be appointed for the purpose of such forensic examination.

- (a) **Conduct of forensic examination.** The Inspecting Party shall specify or describe the search terms or phrases to be used in the forensic examination to be conducted on the contents of a copy of the Original Acquired Image to the Joint Expert. The Joint Expert shall not at any time disclose to the Producing Party the search terms or phrases specified or described by the Inspecting Party and shall not include the search terms or phrases in his report. For the avoidance of doubt, the Joint Expert shall disclose the search terms or phrases to the Court if so directed by the Court. The Joint Expert shall make arrangements for the conduct of the forensic examination on a copy of the Original Acquired Image. Neither the Inspecting Party nor the Producing Party, or any of their solicitors, computer experts, employees, representatives or agents shall be present during the conduct of the forensic examination. A copy of the documents or records that are the results of the reasonable search (“the Search Results”) shall be made and released to the Producing Party. The Producing Party is not entitled to a copy,

and shall not request the Joint Expert for a copy, of the search terms or phrases specified or described by the Inspecting Party.

(b) Review for privileged material.

The Joint Expert and the Producing Party shall jointly review the Search Results for the purpose of permitting the Producing Party to identify electronically stored documents, deleted files or file fragments over which he claims privilege. If the Producing Party claims privilege over any electronically stored documents, deleted files or file fragments from the Search Results, he shall identify them to the Joint Expert. The Producing Party shall list the electronic documents, deleted files or file fragments over which privilege is claimed.

(c) Release for inspection.

Thereafter, the Joint Expert shall remove copies of any electronic documents, deleted files or file fragments over which privilege is claimed from the Search Results (“the Redacted Search Results”). The Joint Expert may maintain a separate privilege log which records the electronic documents, deleted files or file fragments which are thus removed and the reasons provided for the removal. For the avoidance of doubt, the privilege log shall not be included in the Joint Expert’s report but the Joint Expert shall produce the privilege log to the Court if so directed by the Court. The Redacted Search Results shall be released to the Inspecting Party for inspection together with the Producing Party’s list of electronic documents, deleted files or file fragments over which privilege is claimed.

(5) Inadvertent disclosure of privileged documents

Notwithstanding compliance with the procedures in this protocol, nothing in this protocol is intended to be or shall be taken to amount to a waiver of privilege.

(6) Discovery and production only if necessary

For the avoidance of doubt, nothing in this protocol shall compel any party to give discovery of any document or produce any document for inspection which is not otherwise discoverable under Order 24, Rules 7 or 13 of the Rules of Court.
